Hello my old friend!

Happy birthday to ya! Man, I miss you coming by my desk to vent about life. 2019 was quite a year. I hope everything is all good at the new job. You are missed at FNS!

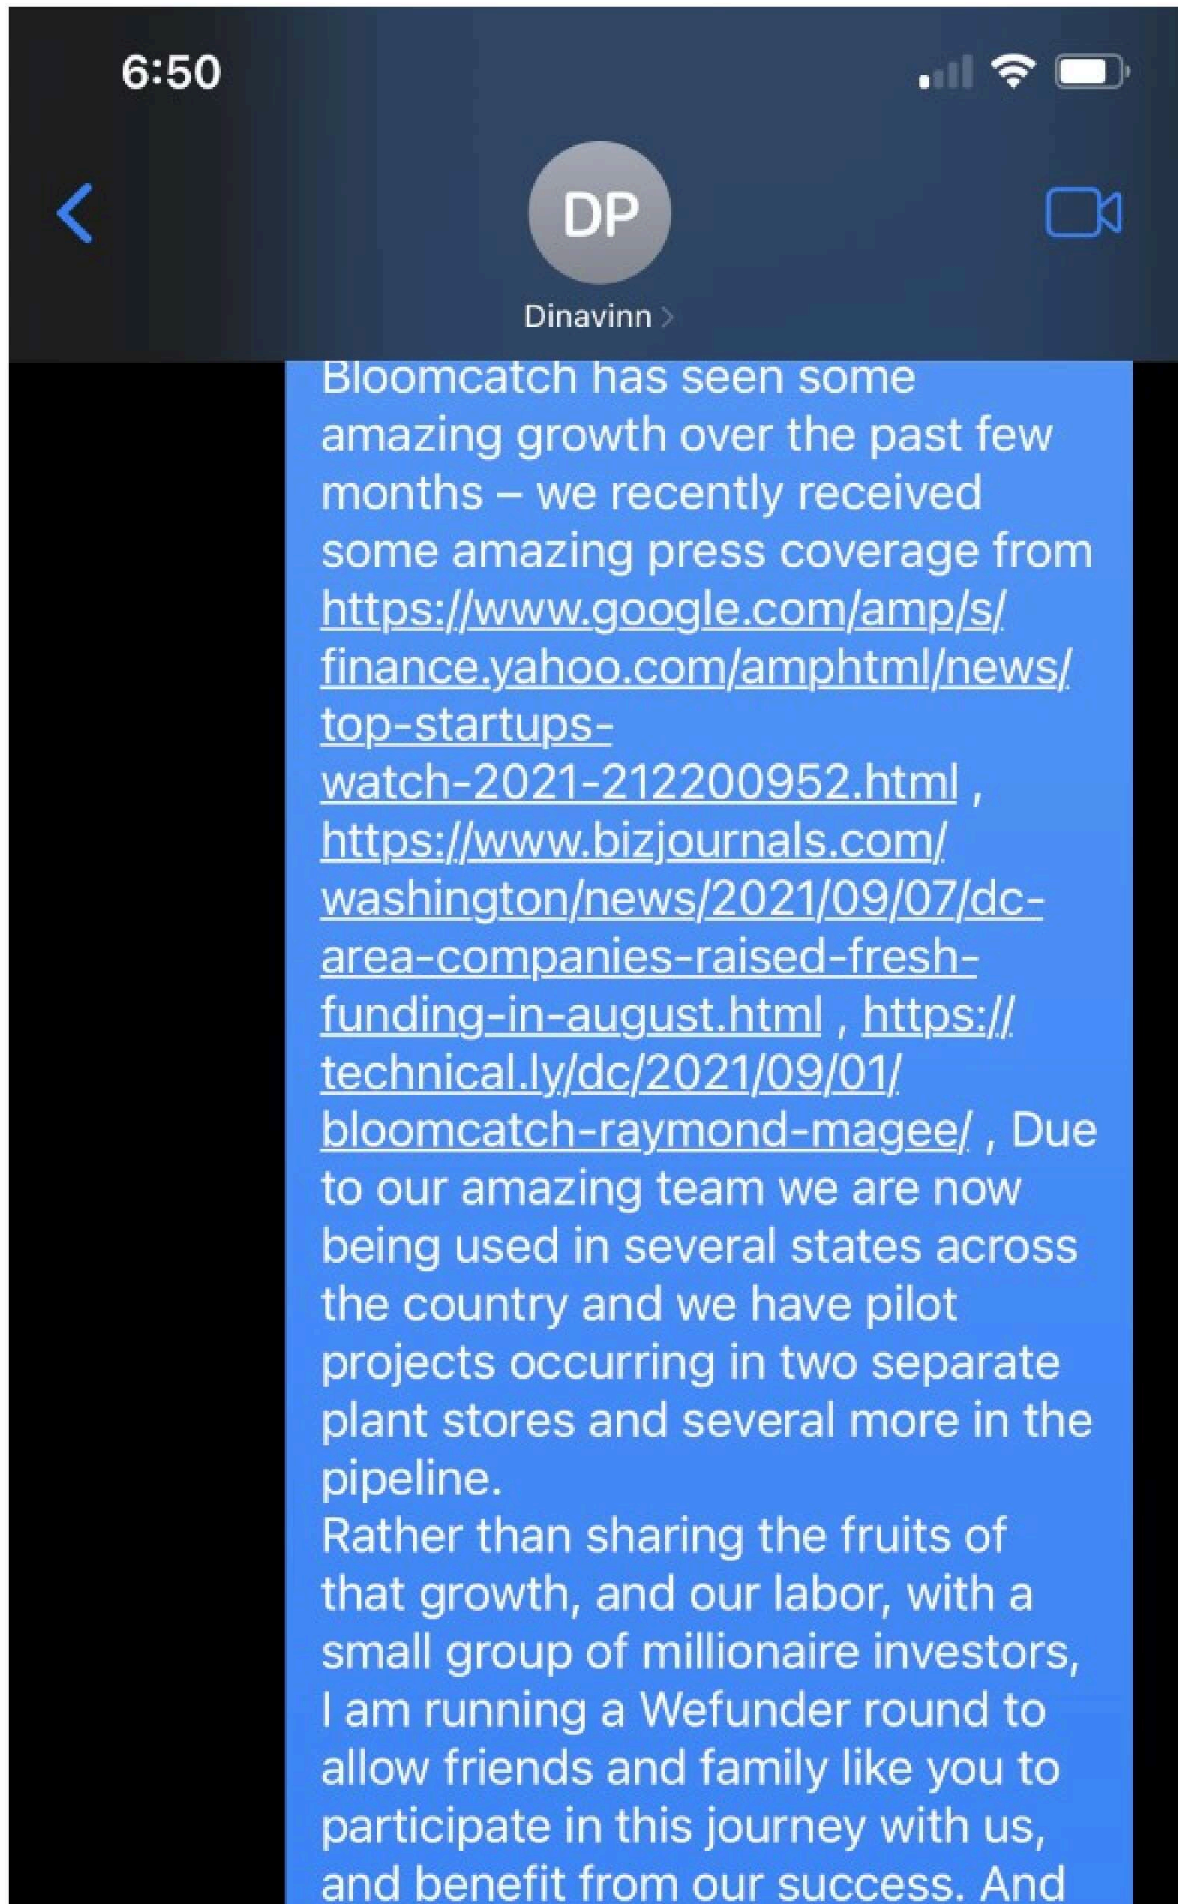

I'm writing to let you know that I recently launched my investment crowdfunding round for Bloomcatch Inc., and I would love for you to reserve your spot as an investor in the company. Our raise is currently in "testing the waters" mode while we finalize our paperwork and SEC filings, so you'll only be making a reservation – not actually investing yet. Again, no

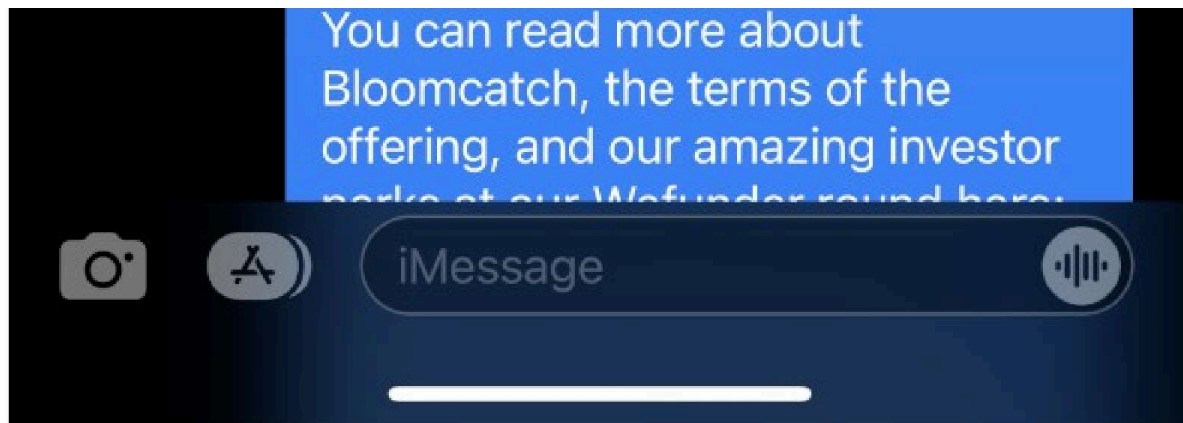

amazing growth over the past few months – we recently received some amazing press coverage from <https://www.google.com/amp/s/finance.yahoo.com/amphtml/news/top-startups-watch-2021-212200952.html> , <https://www.bizjournals.com/washington/news/2021/09/07/dc-area-companies-raised-fresh>

Good Morning Tanisha,

I'm writing to let you know that I recently launched a [WeFunder](#) investment crowdfunding round for my startup, Bloomcatch Inc., and I am looking for angel investors to reserve their spots as part of the fundraiser.

A reservation is not a commitment of funds. Legally, Bloomcatch cannot accept any funds until I file paperwork with the SEC in which I cannot do until I am minimally successful with my reservations. So right now, we're in "testing the waters" mode. With your help we can reach our minimum number of reservations in order to file our paperwork which will also lead to more exposure on the WeFunder platform.

WeFunder is a platform that lets friends, family, customers and community members invest in companies they believe in with investments as small as \$100. I have been working on Bloomcatch for a few years and we are finally seeing our hard work pay off with press publications from [Technically](#), [Washington Business Journal](#), and [Yahoo Finance](#).

I made a strategic decision to complete part of my fundraising round through my own community rather than sharing the fruits of that growth with a small group of millionaire investors. So today, I am inviting you to participate in this journey with us, and benefit from our success.

Read more about Bloomcatch, the terms of the offering and how you can become an angel investor in an early-stage tech startup owned by someone you know: <https://wefunder.com/bloomcatch/>

Email me anytime with questions: Raymond.Magee@bloomcatch.com.

And thank you so much for your support.
