Report of Independent, Registered Public Accounting Firm

To: Shareholder,
Abraham & Co., Inc., and its wholly owned subsidiary Abraham Securities Corporation ("ASC")

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Abraham & Co., Inc., and its wholly owned subsidiary Abraham Securities Corporation (collectively "the Company"), which comprise the balance sheet as of December 31, 2021, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Abraham & Co., Inc., and its wholly owned subsidiary Abraham Securities Corporation as of December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB. We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The Schedule I below has been subject to audit procedures performed in conjunction with the audit of Abraham & Co., Inc., and its wholly owned subsidiary Abraham Securities Corporation financial statements. The supplemental information is the responsibility of Abraham & Co., Inc., and its wholly owned subsidiary Abraham Securities Corporation's management. Our audit procedures included determining whether the Schedule I reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Schedule I. In forming our opinion on the Schedule I, we evaluated whether the Schedule I, including its form and content, is presented in conformity with C.F.R. 240.17a-5, or other criteria. In our opinion, the Schedule I is fairly stated, in all material respects, in relation to the financial statements as a whole.

/s/ Victor Mokuolu, CPA PLLC

Notes to Consolidated Financial Statements

December 31, 2021

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The consolidated financial statements presented are those of Abraham & Co., Inc., a Washington corporation, and its wholly owned subsidiary Abraham Securities Corporation ("ASC"), a Washington corporation, (collectively, the "Company").

Abraham & Co., Inc. is registered with the Securities and Exchange Commission as a broker/dealer under the Securities Exchange Act of 1934 and with the State of Washington as a Registered Investment Advisor. The Company engages almost exclusively in fee-based investment advisory to the Company's retail clientele and to a much lesser degree, the general retail securities business. The Company's source of clients is through its Registered Investment Advisor Representatives who maintain an independent contractor relationship with the Company. The Company's sole employee, and Chief Compliance Officer, Kye Abraham is also the Company's sole stockholder and Chief Executive Officer. The Company's main office is located in Gig Harbor, Washington.

Effective April 15, 2019 Abraham & Co., Inc. separated its FINRA registration from Abraham Securities Corporation ("ASC"). Henceforth, Abraham & Co., Inc. will continue its registration with the states and CRD as a Registered Investment Adviser, and Abraham Securities Corporation ("ASC") as separately registered Broker Dealer with FINRA, SEC and SiPC.

All securities transactions are cleared through another broker/dealer on a fully disclosed basis. All advisory business (fee-based) is conducted through, and client assets held by, a separate custodian which is also a broker/dealer. The Company does not receive or hold funds of private placement subscribers or securities of issuers, and does not hold client/customer funds or securities.

Revenue Recognition

The Company generates revenue mainly from advisory fees generated from advisory fees billed to clients through its custodian for account management and commissions received from insurance companies for the sale of certain insurance products and estate planning fees. These fees are reflected in these financial statements on a trade/transaction date basis.

The Company records revenue in accordance with Financial Accounting Standards Board Accounting Series Update No. 2014-09, *Revenue from Contracts with Customers: Topic 606* ("ASU 2014-09"), to supersede nearly all existing revenue recognition guidance, requiring an entity to recognize revenue to reflect the transfer of a promised good or service to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for that good or service. The guidance was effective for the Company January 1, 2020, when the Company adopted ASU 2014-09 using the cumulative effect approach, with no material impact on the Company's measurement or recognition of revenue.

Securities Transactions

ABRAHAM & CO., INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

December 31, 2021

The Company has classified all marketable securities as trading account investments. As such, all securities are carried at fair market value. Gains or losses are determined using a first-in-first-out valuation methodology.

In accordance with ASC 321, during the year ended December 31, 2021, the Company recorded an unrealized gain of \$227 on its marketable securities and an unrealized loss of \$12,972 on its investment in an affiliate company.

Fair Value Financial Instruments

Accounting Series Codification 820, *Fair Value Measurements* (ASC 820) and ASC 825, *Financial Instruments* (ASC 825), requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. It establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. It prioritizes the inputs into three levels that may be used to measure fair value:

Level 1 - Level 1 applies to assets or liabilities for which there are quoted prices in active markets for identical assets or liabilities.

Level 2 - Level 2 applies to assets or liabilities for which there are inputs other than quoted prices that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.

Level 3 - Level 3 applies to assets or liabilities for which there are unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of the assets or liabilities.

The Company's financial instruments consist principally of cash, short-term receivables, marketable securities, accounts payable and accrued liabilities. Pursuant to ASC 820 and 825, the fair value of cash and trading marketable securities are determined based on "Level 1" inputs, which consist of quoted prices in active markets for identical assets. The recorded values of all other financial instruments approximate their current fair values because of their nature and respective maturity dates or durations.

The following table sets forth by level with the fair value hierarchy the Company's financial assets and liabilities measured at fair value on December 31, 2021

Recently Issued Accounting Pronouncements

The Company does not believe that any other recently issued, but not yet effective accounting pronouncements, if adopted, would have a material effect on our accompanying financial statements.

Federal Income Taxes

Deferred taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax assets are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

The provision (benefit) for income taxes for the year ended December 31, 2021 consists of the following:

Federal:

Current	\$ 3,124
Deferred	-
	<u>\$ 3,124</u>

The net deferred tax assets consist of the following components at December 31, 2021:

Net operating loss carryforward	\$ 5,232
Depreciation	<u>1,243</u>
Net deferred tax asset	<u>\$ 6,475</u>

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rates of 21% to pretax income from continuing operations for the year ended December 31, 2021 due to the following:

Book gain	4,848
Unrealized loss on marketable securities	12,972
Depreciation	1,243
Meals and entertainment	1,044
Utilization of net operating loss	<u>(5,232)</u>
Income on tax basis	<u>\$ 14,875</u>
Provision for federal income tax	\$ 3,124

ABRAHAM & CO., INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

December 31, 2021

Cash and Cash Equivalents

The Company considers money market mutual funds and all highly liquid debt instruments with original maturities of three months or less to be cash equivalents for purposes of the statement of cash flows.

Concentration of credit risk

The Company maintains cash balances at financial institutions whose accounts are insured by the Securities Investor Protection Corporation ("SIPC") and in certain cases the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. The Company's cash balances may, at times, exceed statutory limits. The Company has not experienced any losses in such accounts, and management considers this to be a normal business risk. The Company received approximately 90% of its revenue from one customer.

Depreciation

Depreciation is provided on a straight-line basis using estimated useful lives of between three and seven years.

Receivable from Clearing Organization, Net

Amounts receivable from the Company's clearing organization consist of the net amounts receivable for commissions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - BASIC INCOME PER SHARE

Basic income per share of common stock was computed by dividing the net income by the weighted average number of common shares outstanding for the year. Diluted income per share is not presented because the Company has not issued any potentially dilutive common shares. The weighted average number of common shares outstanding for the year ended December 31, 2021, was 12,800.

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2021, the Company had net capital of \$46,936 which was \$41,936 in excess of its required net capital of \$5,000.

ABRAHAM & CO., INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

December 31, 2021

NOTE 4 - POSSESSION OR CONTROL REQUIREMENTS

The Company adheres to the exemptive provisions of SEC Rule 15c3-3 (k)(2)(ii) by sending all funds and securities to the correspondent broker/dealer or the custodian who carries the customer accounts. Therefore, the Company does not hold or have any possession or control of customer funds or securities.

NOTE 5 - RELATED PARTY TRANSACTIONS

During the year ended December 31, 2021, the Company paid its president \$155,519 in salary, benefits, and reimbursements and has accrued \$25,000 in wages payable to its president at December 31, 2021.

NOTE 6 - NOTES PAYABLE

In April 2020, the Company received loan proceeds of \$20,000 under the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") and Paycheck Protection Program ("PPP") administered by the Small Business Administration ("SBA"). The PPP, established as part of the CARES Act, provides for loans to qualifying businesses to be used for eligible purposes, including payroll, benefits, rent and utilities. The PPP loan is to be repaid over two years at an annual interest rate of 1%, with a deferral of payments for the first six months. The PPP loan is eligible for forgiveness if utilized in accordance with the above requirements, subject to limitations. During 2021 the Company was notified by the SBA that \$8,221 of the original balance would be forgiven. The balance of the PPP loan is \$11,779 as of December 31, 2021.

NOTE 7 - RISK AND UNCERTAINTIES

The World Health Organization characterized the outbreak of the novel coronavirus ("COVID-19") as a global pandemic on March 11, 2020. COVID-19 continues to impact global and domestic commercial activity and has contributed to significant volatility in financial markets. The impact of COVID-19 on the Company's financial performance will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions. These developments and the impact of COVID-19 on the financial markets and the overall economy are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Company's future financial results may be adversely affected.

NOTE 8 - COMMITMENTS AND CONTINGENCIES

The Company currently has no commitments and contingencies.

NOTE 9 - SALE OF SUBSIDIARY

During May 2021, the Company entered into a Purchase Agreement ("PA") to sell ASC to a third party. The PA called for the payment of \$75,000, including a \$20,000 non-refundable deposit, with the remainder due upon closing of the PA. The application to transfer ASC and its licenses to the new owner requires approval and is still pending with FINRA.

ABRAHAM & CO., INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements

December 31, 2021

The Company recognized a net gain on sale of subsidiary of \$20,000, for the year ended December 31, 2021.

NOTE 10 - SUBSEQUENT EVENTS

Management performed an evaluation of Company activity through April 13, 2022 and has concluded that there are no further events requiring disclosure through the date these consolidated financial statements are issued.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To: Shareholder
Abraham Securities Corporation

We have reviewed Abraham Securities Corporation ("Broker dealer") management's statements, included in the accompanying Exemption Report of Brokers and Dealers ("Exemption Report") pursuant to SEC Rule 17a-5(d)(i)(b)(2) (the "Rule"), in which broker-dealer claimed an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3, and is filing its Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 and Broker dealer (1) did not carry accounts of or for customers; and (2) did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about VentureAide Capital LLC 's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 related to the Non-Covered Firm Provision.
