Amendment No. 8 to Draft Registration Statement on Form F-1

Recent Developments

Estimated Selected Preliminary Results for the Three Months Ended June 30, 2023 (unaudited), page 8

1. With regard to the reconciliation for the three months ended June 30, 2023 of estimated Operating Income to Adjusted EBITDA, please address the following:
 - Tell us why it is appropriate to adjust for Taxes on income as that amount is not included in either Operating income or Adjusted EBITDA.
 - The reconciliation to Adjusted EBITDA should be from the most directly comparable GAAP measure, which appears to be Net Income. If you are unable to estimate Net Income, please tell us why the terminology "Adjusted EBITDA" is consistent with

the Non-GAAP C&DI Question 100.05.

Management's Discussion and Analysis
Non-GAAP Financial Measures, page 92

2. We read your response and revised disclosures to our previous comment 1 and continue to believe that the non-GAAP adjustment for the founders' incentive plan is inconsistent with the guidance under Question 100.01 of the Non-GAAP Financial Measures Compliance and Disclosure Interpretation as it is a recurring (i.e. over multiple periods) cash expense related to growing your business as a result of such incentive bonuses being provided due to the revenues generated from Spoiled Child. As such, please revise accordingly.

Founder Option Agreements, page 163

3. Please revise your disclosure here to clarify whether each of Mr. Holtzman and Ms. Holtzman-Erel will be granted option awards for 257,188 Class A ordinary shares or whether both Mr. Holtzman and Ms. Holtzman-Erel will be granted option awards for a total of 257,188 Class A ordinary shares to be divided between them. Please also disclose the exercise price of the option awards.
