Kivu Bio Inc

Yale University

Experience

Strategic Advisor /Shareholder

Kivu Bio Inc · Seasonal

Feb 2022 - Present · 1 mo

Washington DC-Baltimore Area

KIVU Bio is a novel platform to make valuable materials from C1 GHG (CO2 and CH4). The products are based on over eight (8) years of research by the co-founders at Nottingham. The implementation is based on-site development by CIL at various landfills, ACM's and at Lake Kivu which is the largest Limnic Lake in the world.
