After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our February 3, 2023 letter.

Amendment No. 1 to Registration Statement filed on Form S-1

Prospectus Summary, page 4

1. We note your revision in response to prior comment one. Please further revise to state, if true, "For the nine months ended September 30, 2022, we had generated \$904,041 of revenue in aggregate from marketing service sales, product sales and content sales from certain Company subsidiaries." Also state, if true, "To date, we have not generated revenue from the FANTOO platform...." Lastly, remove the references to "as of September 30, 2022" to avoid confusion in this disclosure.

The Offering, page 15

2. You disclose that all information in this prospectus assumes the issuance of shares of common stock from the exercise of all issued and outstanding warrants. Since the shares outstanding as of February 6, 2023 excludes 6,487,767 shares of common stock issuable upon exercise of warrants that have not been exercised as of that date, it is unclear what share issuance is assumed. Please explain and revise as necessary.

Executive Compensation, page 104

3. Please update your Securities Authorized for Issuance under Equity Compensation Plans table and your Outstanding Equity Awards at Fiscal Year-End disclosure through December 31, 2022.

Lastly, discuss the adjustments and impact for the nine months ended September 30, 2021.
