The Team

Monique Saunders, Owner

Meet the owner Monique, who is a single mom and native New Yorker that took root in Baltimore, Maryland after attending Morgan State University.

She started this as a fluke, making cake pops for a friend. At the time, she had no clue what cake pops were but they were a hit. She started bringing the cake pops to work selling them to her coworkers who started asking for cupcakes and eventually cakes. Shortly after Unique Sweets & Treats was born - which was later rebranded to become My Unique Sweets.

She began selling her confections to people all over Baltimore strictly by word of mouth. The hustle quickly became a passion that Monique didn't even realize she possessed. She worked in the drug treatment field for almost 15 years until she started to wonder how long she would continue to work on helping make millions for others. How long she would continue to make other people's dreams come true while working on her own part time. How long she would continue to do their work while daydreaming about baking. Firing her boss to become the boss was inevitable.

My Unique Sweets affords Monique so many opportunities. She has been able to put her daughter through college allowing her to graduate debt-free. It allows her the opportunity to be a part of so many special and important events for others. It allows her to help make memorable moments in people's lives. It allows her to help others provide income for their families from the classes she provides. And it allows her to create so many connections - some of which will be life long friends. Her goal is to some day make My Unique Sweets a household name.

Intended Use of Funds

My Unique Sweets is ready for the next level of growth. The food truck industry is huge in our area - and we want a slice of the pie.

- Food trucks are a growing industry within a 25 miles radius of us. However, there are less than 10 food trucks that sell desserts ONLY!
- We are intending to secure and convert a 12" Workhorse truck.
- We have a company that will provide the truck, build it out to our specific needs, wrap it in eye catching graphics and deliver it to us for an estimated \$60,000.
- Not only will this truck allow us to participate in local food truck events in Baltimore, it will also allow us to take our confections beyond our neighborhood.

Our Offerings

My Unique Sweets primary product offerings are confections!

- We offer "mile high" cheesecakes all are at least 3 inches tall
- We offer custom cakes based on the request of the customer
- We also offer other treats [like cupcakes, candy apples, cake pops] that can be basic in design or customized to coordinate with any event

Our Mission

We have a tradition of seeing perfection in every creation which allows us to provide a superior product to our customers. My Unique Sweets is a home-based bakery providing high-quality confections from cupcakes to cheesecakes to wedding cakes and everything in between.

- We take pride in presenting desserts that taste just as good as they look.
- We want to be a part of every milestone in our customers' lives from birthdays, to graduations and "just because".
- Our ultimate goal is to provide a "unique" experience where our customers eventually become family.

(K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	6.0 - 10.0% ²
Payment Deadline	2028-10-01
Maximum Payment Multiple	1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.4%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 6.0% and a maximum rate of 10.0% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$30,000	6.0%
\$35,000	7.0%
\$40,000	8.0%
\$45,000	9.0%
\$50,000	10.0%

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company’s offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company

could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Monique Saunders	100%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.
