my name is marissa

00:04

and this is james we run a small winery

00:07

in rhode island called anchor and hope

00:16

we work with small family farms

00:20

in germany california and oregon

00:23

to make really amazing wines they

00:26

are all grown sustainably and we package

00:30

everything here locally

00:32

into bottles cans and kegs as well
