Brandy Hipp

CPA, Chief Financial Officer at Ashley Black Guru
San Antonio, Texas, United States

Summary

Brandy is a high performing corporate executive with extensive experience working in the tax and finance departments of both a high-growth startup and a large multinational corporation. She is able to provide both high-level strategic leadership and detail-oriented operational support. Her agility, stamina and positive attitude allowed for a long and successful tenure in the highly demanding IT services industry. Brandy is skilled in Transfer Pricing, Tax Provisions, International, Federal & State Tax Compliance, Tax Planning, Forecasting and Project Management. She is a professionally trained people manager with a Master's degree in Taxation from The University of Texas at San Antonio.
