Hi Hari,

I see that you actively invest in FinTech in San Francisco Bay Area (CA).

I am reaching out as Accrew is opening up a seed round next month and would like to offer you early access. Note we are in the process of building our product and will start receiving revenue in March of 2022 with a high capacity for growth at 30-60% profit margins.

If you would like to explore sharing this journey with us, below is a link with more information about the company, the terms, etc.
