We are amazed in and humbled by the response to day 1 of our brand new crowdfunding campaign on [Wefunder](#). Thanks to all who have already made a reservation. Learn more in the link below!

Comment by Tim Richards:

Our family is grateful for a strong start to our investment crowdfunding campaign on [Wefunder](#) yesterday. Learn more in the link about how you become a ground-floor investor in [Philosopher Foods](#).

Our week is currently in "testing if we are" mode while we finalize our paperwork and SEC filings, so you'll only be making a reservation - not actually investing yet. Once we file everything in the coming weeks, you'll be able to confirm your investment.

Some necessary "avoiding the waters" disclosures:

1. No money is being collected, this is being utilized, if even, I will not be accepted.
2. No offer to any securities will be accepted and no part of the purchase price will be received until a Form C is filed and only through Wefunder's platform.
3. Any indication or interest I have is no indication or commitment of any kind.
