Amendment No. 1 to Offering Statement on Form 1-A

General

1. We note your response to our comment and note that there continue to be discrepancies. For example only,
 - Please have counsel revise the legal opinion. We note to that the opinion still refers to 5 million shares in two places instead of the 50 million reflected on the cover page of the offering circular and in Item 4 of Part I of the offering statement.
 - We note that there are 85,000,000 shares outstanding to officers and directors based on the cover page; however, on page 16, you state that the officer only holds 84,800,000 shares. It appears that you removed disclosure regarding the holdings of Mr. Celedon. Please revise to include this disclosure or advise us why it
