Oakland, CA

Intapp

CFO

2005 - 2016 (11 years)

Palo Alto, CA

Company's first CFO. IPO (NASDAQ INTA).

Wore many hats as the first CFO of Intapp, a market leading provider of client success software to the world's largest law firms, accountancies, and consulting organizations. Built the finance function from scratch. In addition, at different times ran business development, corporate development, HR, legal, sales compensation design, instrumentation and analytics. Led the company through buying back all seed capital, 7 years of bootstrapped organic growth, recapitalization with Private Equity, fund raising, and 3 successful acquisitions. Helped grow the company from 20 employees in Palo Alto, to over 400 in 5 countries, sustaining a 58% compound annual growth rate in recurring revenue over 11 years.

Stanford Student Enterprises

CEO

2003 - 2004 (1 year)
