*Hey Backer! So you're one of the first people we are sending the equity crowdfund to. It's going to be officially live next week so you and the others that committed can confirm your investment here and reserve it — once it goes officially live, you will be able to complete the investment but you can reserve the \$5k you wanted to here now. As per legal disclosures I have to disclose this: "We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind." Looking forward to you being on this journey! Best, Amit*
