2. *Payment by the Subscriber.* The Subscriber may subscribe to the Company by delivering to the Company a completed and executed copy of this Convertible Promissory Note Subscription Agreement (this “*Subscription Agreement*”), together with an executed signature page to the Note (in the form of Annex A attached hereto) and a cash payment to the Company in readily available funds in an amount equal to the Subscriber’s Principal Amount (the “*Payment*”). If the Subscriber’s subscription is received by the Company in accordance with this Section 2, then the Company may accept the Subscriber’s subscription by countersigning this Subscription Agreement and providing written notice to the Subscriber. Payments received in the form of a check shall not be deemed accepted until such check has cleared. If the Company rejects the Subscriber’s subscription in whole or in part, then the Subscriber’s Payment, or portion thereof as the case may be, will be promptly returned to the Subscriber without interest or earnings. The Subscriber acknowledges and agrees that the Company will have the right to reject this subscription, in whole or in part, in its sole discretion, and that the Company will have no obligation to accept subscriptions in the order received.

3. *Certain Representations of the Subscriber.* The Subscriber hereby represents and warrants to the Company as follows, and acknowledges that the Subscriber has full knowledge that the Company intends to rely on such representations and warranties:

(a) The Subscriber is acquiring the Note for investment purposes only and does not intend to resell or subdivide the Note. No other person has or will have a direct or indirect beneficial interest in the Note subscribed for hereunder.

(b) The Subscriber has the full power and authority or capacity, as the case may be, to execute, deliver and perform this Subscription Agreement and to subscribe for and purchase the Note hereunder.

(c) The execution and delivery of this Subscription Agreement and the Note, the consummation of the transactions contemplated hereby and thereby and the performance of the Subscriber's obligations hereunder and thereunder have been duly authorized by the Subscriber, and will not conflict with, or result in any violation of or default under, any provision of any charter, by-laws, trust agreement, partnership agreement or other governing instruments applicable to the Subscriber, any agreement or other instrument to which the Subscriber or its assets is a party, or any judgment, decree, statute, order, rule or regulation applicable to the Subscriber's business or assets.

(d) The Subscriber acknowledges that the Company is a startup venture with no operating history and has never generated any revenues and that the performance of the Company will be affected by the decisions of the Company's management; no assurances can be given that the management strategies of the Company will, in every case, maximize the financial results of the Company.

(e) The Subscriber has received and read this Subscription Agreement and the other Offering Documents. The Subscriber (and the Subscriber's purchaser representative(s), if any) has been furnished all other materials relating to the Note, the Company, and the Offering, if any, which have been requested. Furthermore, the Subscriber (and the Subscriber's purchaser representative(s), if any) has been afforded an opportunity to ask questions of, and receive answers from, the Company in connection with the Offering of the Notes.

The Subscriber (and the Subscriber's purchaser representative(s), if any) has not relied upon any offering material or literature other than the Offering Documents and the other written information (if any) furnished or made available by the Company.

(g) The Subscriber is not subscribing to purchase the Note as a result of or subsequent to any advertisement, article, notice, or other communication published in any newspaper, magazine, or similar media or broadcast over television, radio or the Internet, or presented at any seminar or similar meeting, or any solicitation of a subscription by a person not previously known to the Subscriber in connection with investments in securities generally.

(h) The Subscriber understands that the Note is being offered and sold under the exemption from registration as set forth in Regulation D promulgated under the Securities Act of 1933, as amended (the "*Securities Act*"), that the Notes cannot be transferred or assigned, except in certain limited circumstances specified therein, and that the transfer or assignment of the Note is restricted by applicable federal, state and non-U.S. securities laws. The Subscriber further understands that no federal or state agency has made any

finding or determination as to the fairness for public investment or any recommendation or endorsement of the Note. In addition, the Subscriber understands that (i) the Note will not be, and lenders to the Company have no rights to require that the Note be, registered under the Securities Act; (ii) there will be no public market for the Note; (iii) the Subscriber may not be able to avail itself of exemptions available for resale of the Note without registration, and accordingly, may have to hold the Note indefinitely; and (iv) it may not be possible for the Subscriber to liquidate its loan to the Company. The Subscriber acknowledges and agrees that the Company has no obligation, and the Subscriber has no right to require the Company, to prepay the Note acquired hereunder

The Subscriber also understands that transfer of the Note may be restricted by applicable federal, state, and non-U.S. securities laws.

(j) _____ The Subscriber represents that, unless the preceding line in this Section 3(j) is initialed, it is not an “employee benefit plan” within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

(l) The Subscriber agrees, within 10 days after receipt of a request from the Company, to provide such information and to deliver such documents as shall be

reasonably necessary to comply with any federal or state securities laws to which the Company is subject.

The Company shall give prompt notice of any such reduction to the Subscriber.

6. *Indemnification.* The Subscriber understands that the offering of the Note pursuant to this Subscription Agreement was made in reliance upon the Subscriber's representations, warranties and agreements set forth in this Subscription Agreement. The Subscriber agrees to provide, if requested, any additional information that may be reasonably required to determine the eligibility of the Subscriber to purchase the Note. If more than one arbitration is commenced with respect to the Notes, and any person contends that two or more arbitrations are substantially related and that the issues should be heard in one proceeding, the arbitrator selected in the first-filed proceeding shall determine whether, in the interests of justice and efficiency, the proceedings should be consolidated before that arbitrator. The Company and the Subscriber shall each submit to any court of competent jurisdiction for purposes of enforcing any award, order or judgment in any such arbitration. Any award, order or judgment in any such arbitration is final and may be entered and enforced in any court of competent jurisdiction. Except as may be required by law, neither the Company, the Subscriber nor the arbitrator may disclose the existence, content or results of any such arbitration without the prior written consent of both the Company and the Subscriber, unless to protect or pursue a legal right. Either the Company or the Subscriber is entitled to apply to the arbitrator seeking interim or provisional relief until the arbitration award is rendered or the controversy is otherwise resolved. The arbitrator has the authority to issue orders granting interim or provisional relief. The arbitrator is authorized and directed to award the prevailing party its reasonable attorneys' fees and costs. In no event and under no circumstances shall the Company be liable, responsible or accountable to the Subscriber for special, indirect, punitive, exemplary or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Company has been advised of the likelihood of such loss or damage and regardless of the form, theory, cause of action or claim for relief. The Subscriber shall have no right to assert any claim or action against the Company or any of its officers, directors, stockholders, agents or affiliates, and shall not be entitled to any relief or damages from or against any of the foregoing, based upon any act, error or omission of any other third person.

14. *Severability.* Any term or provision of this Subscription Agreement that is determined by a court of competent jurisdiction to be invalid or unenforceable in any

15. *Execution.* This Subscription Agreement may be executed in counterparts with the same effect as if the parties executing the counterparts had all executed one counterpart. Facsimile signatures shall be deemed originals. By executing the signature page to this Subscription Agreement, the Subscriber agrees to be bound by the foregoing.
