We're incredibly excited to announce that we've just launched an equity crowdfunding round. In a crowdfunding, we raise money to improve our app by adding new features and expanding into additional shows, and in exchange, we give our investors partial ownership of the company.

As an early user of Bracketology, we want you to have an opportunity to become a Bracketology stakeholder while we are still in our early stages of growth! For as little as \$100, you can own a piece of your favorite reality TV fantasy gaming platform.
