Recognition:

Kalu Seasoning Blends LLC (DBA Trini Vybez) has been in business since 2019, the same year it was incorporated. It began as a retail seller of all-natural spices and seasonings at various farmers markets in the DMV. Customers enjoyed the spices enough to request catering and food truck services, which Trini Vybez hopes to parlay into a successful brick and mortar establishment.

About:

Kalu Seasoning Blends LLC (DBA Trini Vybez) incorporated in 2019, producing all-natural spices and seasonings and showcasing artisan crafted spices in various farmers markets and demos around the DMV, specifically Eastern Market. Customers enjoyed the samples enough to request catering and from there, Trini Vybez was born, serving quality Trinidadian food on the go. Given their success in mobile catering and service, Trini Vybez is raising funds to purchase kitchen equipment and has recently signed a lease to expand into a brick and mortar restaurant.
