Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Registration Statement on Form F-1

Exhibits, page -

1. We note that the Exhibit 99.2 opinion states that the opinion "may not be disclosed to or relied upon by any other persons or corporate entities other than the Company and Hunter Taubman Fischer & Li LLC." Purchasers of the securities in the offering are entitled to rely on the opinion. As such, please revise to eliminate the limitation on reliance.
2. Please file final legal opinions. Currently, exhibits 5.1, 8.2 and 99.3 are "form" of opinions that are undated and have numerous blanks/brackets. Additionally, please revise the Exhibit 99.3 opinion to clearly provide a consent of counsel.

Exhibit 5.1, page -

3. It appears that the representative's warrants will be governed by New York law. The exhibit 5.1 opinion assumes that the warrant agreement will be legal, valid, binding and enforceable against all relevant parties in accordance with their terms under the laws of the State of New York. Please have counsel remove this assumption. Please have New York counsel opine that the warrants are a binding obligation of the registrant under the law of the jurisdiction governing the warrant agreement.

Use of Proceeds, page 46

4. Please revise this section to disclose that, at closing of the offering, you will deposit \$500,000 of the offering proceeds into an escrow account to cover possible indemnification claims against the underwriters for a period of 18 months.

Compensation of Directors and Executive Officers., page 111

5. Please update your compensation disclosure to reflect the fiscal year ended March 31, 2023.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

You may contact Charles Eastman at 202-551-3794 or Kevin Stertz at 202-551-3723 if you have questions regarding comments on the financial statements and related matters. Please contact Evan Ewing at 202-551-5920 or Asia Timmons-Pierce at 202-551-3754 with any other questions.
