I assist businesses with their sales, business development and marketing strategies. By applying my secrets for success, my clients have experienced sales growth, opportunities in new markets, and innovation in their portfolio.

If you are looking for an ingredient supplier or a contract manufacturer I have a vast network I can put at your fingertips. If you want an experienced set of eyes to review your sales plans, I can provide insights and suggestions. I can help make your concepts a reality and manage every step of the process from formulation to finished packaging.

I look forward to partnering with you.
