Amendment No 1 to Registration Statement on Form F-1 filed February 17, 2023

Risk Factors, page 14

1. We note that Section 166(2) of your amended and restated articles of association provides that shareholders waive any claim they may have against any director on account of any action taken by the director or the failure of the director to take any action in the performance of his duties, subject to certain exceptions. Please add a risk factor disclosing this provision and discussing the related risks, including that this provision may discourage claims and limit shareholders' ability to bring claims. Please also disclose whether the provision applies to federal securities claims under the Securities Exchange Act of 1934 or Securities Act of 1933.
