(D) The Company's Business and Business Plan

A note from the founder:

Hello!

I'm Lillian Wilborne; wife, mom, business manager and owner of Catalillies Play Café! I have successfully grown and managed many different businesses over the years including cafes and a variety of gift, pet, toy, and service companies. I moved around frequently growing up and well into my 30s gaining skills and sharpening my talents with each new location. Moving for new experiences and opportunities became less fun after having my girls and the want to find a town that felt like home began to root in my thoughts. It is amazing to settle into Williamsburg, Virginia so completely after living at such a roving, fast pace for so long. I look forward to giving my family a sense of stability and community while we enjoy raising our children with our extended family nearby.

The Wilborne family is excited to invite you over to play! My husband, Steven, supports our home making sure the kids and myself are always well taken care of and all the little things get checked off our never ending to do list. He will run the café with me as a co-manager handling the maintenance, ordering, and day to day upkeep of the café. I'm sure you will also find him enjoying a pretend meal served up by our girls in the play space as well! Our daughters, Charlotte (6) and Frances (3), continue to keep us on our toes with their adventurous natures and never ending energy. They look forward to making new friends at the café and testing out all the new toys and treats making sure you will thoroughly enjoy everything during your visit.

While visiting family in Williamsburg, we were enchanted by the beauty, diversity, and energy of the town. Each visit we began to dread our last day in town, and would talk about how much we enjoyed our trip the whole way home. Then, on one car drive back, we threw out the idea of moving down, raising our girls with their cousins and gifting them everything that the area has to offer. By the time we drove into our driveway we had hatched the plan for our move!

We discussed opening a café over the years that would bring our community together, but in our various locales of California, New Jersey, and New York we never felt the perfect fit to invest our ideas and heart into. When we relocated to Williamsburg in the winter of 2021 the opportunity to open a café that offered special services for families of younger kids was presented. We heard the reoccurring request for entertainment for younger kids daily and though some options were available they rarely provided something for everyone. We seized the opening to create a safe space for smaller kids while their caregivers enjoyed refreshments and a chance to recharge while supervising play.

We look forward to becoming a weekly stop for Williamsburg families to meet new friends, young and old! It can be difficult to make friends as adults and we want to offer a space for caregivers to meet other like minded people and forge friendships like we used to so easily when we were younger.

One of our top priorities is making sure our café is locally sourced from the roasters of our coffee to the educators and business owners hosting events in our space. We can't wait to make new friends with other locals and diversify our customers' experience by introducing new and older local businesses in our kid friendly environment.

Thank you for reading our story and being part of our journey in opening Catalillies Play Café in our new hometown Williamsburg, Virginia!

- Lillian

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	2.0 - 6.0% ²
Payment Deadline	2027-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.8 x 1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	2.96%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 2.0% and a maximum rate of 6.0% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$20,000	2.0%
\$30,000	3.0%
\$40,000	4.0%
\$50,000	5.0%
\$60,000	6.0%

³ To reward early participation, the investors who contribute the first \$10,000.0 raised in the offering will receive a 1.8x cap. Investors who contribute after \$10,000.0 has been raised in the offering will receive a 1.6x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Lillian Wilborne	100%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA.
