Registration Statement on Form F-1 Filed September 20, 2023

General

1. Given the nature of the offering, including the substantial portion of your shares being registered for resale that are held by a single entity relative to the number of shares outstanding, it appears that the transaction may be an indirect primary offering. Please provide us with an analysis of your basis for determining that it is appropriate to characterize the transaction as a secondary offering under Securities Act Rule 415(a)(1)(i). For guidance, please see Question 612.09 of the Securities Act Rules Compliance and Disclosure Interpretations.
