Amendment No. 1 to Draft Registration Statement on Form F-1 Submitted February 3, 2023

Management's Discussion and Analysis of Financial Condition and Results of Operations
Results of Operations, page 45

1. We note the revisions in response to prior comment 11. Please further expand your discussion to more specifically describe the extent to which changes in results of operations are attributable to changes in prices or changes in the volume or amount of products being sold. For example, you disclose total revenue increased by approximately US\$62.6 million, or 47.6%, from approximately US\$131.6 million in FY2020 to approximately US\$194.2 million in FY2021. Your disclosure should discuss the amount

of the change attributable to changes in prices of your commodities and the amount attributable to changes in amount of products being sold.

Liquidity and Capital Resource, page 54

2. We note you disclose in this section that the funds raised in this initial public offering will be used for "(b) repayment of certain bank borrowings with the incurred interest expense." However, in the Use of Proceeds section you do not disclose repayment of borrowings. Please clarify this discrepancy. In addition, if any of the indebtedness was incurred within the last year, describe the use of the proceeds of such indebtedness. Refer to Item 3.C.3 of Form 20-F, incorporated by Item 4.a of Form F-1.

Business, page 76

3. We note your response to comment 21 and reissue in part. We note that Customer A, disclosed on pages F-48, has been responsible for 10% of your revenue for over a year. In this section, please disclose the identity of Customer A.

Compensation of Directors and Executive Officers, page 112

4. Please update this disclosure for the fiscal year ended December 31, 2022. Refer to Item 6.B of Form 20-F, incorporated by Item 4.a of Form F-1.
