Amendment No. 3 to Registration Statement on Form F-4

Unaudited Pro Forma Condensed Combined Financial Information, page 174

1. We note in response to prior comment 2, you have revised loss per share numbers under the "no redemption" scenario and "50% redemption" scenario in Note 6, page 192. However, based on the Revised loss for the year, it appears to us that loss per share basic and diluted, under "no redemption" scenario and "50% redemption" scenario would be \$(0.34) and \$(0.46), respectively. Please revise or advise.
