Recognition:

Bratton Construction, LLC (DBA Bratton Construction)'s CEO Sharon Maxwell has owned and operated Bratton Construction for over two decades in Oregon, Washington, Southern California and Tennessee. Maxwell prevailed in a traditionally male-dominated industry, earning the following coveted certifications: MWESB, DBE, WBE, MBE, ESB, WOSB. When many urban communities lacked employment opportunities in the late 90's and early 2000's, Sharon Maxwell aspired to employ local people of color and provide them with an opportunity to earn a living wage. Over the years, Bratton Construction Company has hired over 200 people from local markets and funded resources that encourage professionals to learn a skill and be among the laudable men and women of color who build our cities and improve our lives every day.

About:

Bratton Construction, LLC (DBA Bratton Construction) builds people who build communities that build cities. They provide Commercial and Residential construction services including new construction, renovation, tenant improvement, and remodeling. They work with State Agencies, City bureaus, County procurements, Schools, Colleges and, on the residential side, private clients.
