Recognition:

3 Sisters Garlic LLC’s (DBA 3 Sisters Garlic) farm sits on 5 acres of lush garlic loving soil just below the Niagara Escarpment close to Lake Ontario. While not certified organic; organic practices are utilized for all products on the Farm. Each bulb is planted from organically grown seed in late October and tended until harvest in late June and July. Their garlic is carefully removed from the soil, inspected and hung within their drying barn until cured. Each bulb is then cleaned, inspected and readied for sale. Their growing practices and attention to detail yield garlic that retains all of its natural health benefits and flavor.

About:

3 Sisters Garlic LLC (DBA 3 Sisters Garlic) is run by Jennifer & Mike Di Pasquale and named after their 3 daughters who love garlic. This all-natural product is grown on the Di Pasquale Farm which is in the Town of Cambria in Niagara County, New York.
