COMPANY OVERVIEW

Harvie is an online-only home-delivered grocery service, sourcing 600+ products from local farms and producers and delivering directly to door throughout Allegheny County and beyond. We buy food directly from our producers, warehouse it at our distribution center in Lawrenceville, pack individual orders, and then deliver with our own trucks.

Members sign up for Harvie and then get a weekly order built for them based on their ordering history. They have a shopping window to pick exactly what they want or skip that week's order. We have a pay-as-you-go plan which is free to sign up with an \$11.95 delivery fee or our Harvie Green plan which is \$199/year for free delivery all year long.

As of November 2022, Harvie serves over 3000 members in western Pennsylvania and supports over 100 local, small businesses.

Company History

Harvie started as "Small Farm Central" in 2006, serving farmers' technology needs, such as websites, ecommerce, and member management software for Community Supported Agriculture (CSA) farms.

Our mission is to create economically sustainable local farms that can support farm families, who in turn feed their local communities. In comparison to food bought through traditional grocery stores, we believe that buying directly from local farms results in food that is fresher, tastier, better for the environment, and better for the local economy.

In 2015, our founder Simon started to see problems in the local food market as farmers market sales were declining and Community Supported Agriculture (CSA) farms started to report decreases in membership. He spent a year on customer research to understand the problem and then built the new Harvie platform to better serve the needs of consumers. The theory is that if it is customer-friendly to buy from local farms, then consumers will spend more of their food dollars in the local market and farms

will benefit. Over the first four years of the Harvie platform, we grew to serve 200 farms who service 150,000 end consumers across the US and Canada.

In January 2020, we announced the Harvie Farms Pittsburgh pilot project as a way to scale our distribution efforts in the Pittsburgh market. The project was wildly successful in the first year of its existence and served thousands of Pittsburghers with local, specialty food straight from producers.

We believe that it should be as easy to buy from local farms as buying from Amazon.

Simon Huntley

Employer: FarmFan LLC

Title: CEO

Dates of service: Sep 2016 – Present

Simon grew up on a farm in southwestern Pennsylvania before pursuing a degree in Information Sciences and Technology at Penn State University. After college, Simon helped a western Colorado fruit farmer expand his operation to include vegetable production and a CSA / farm share program. The project grew to serve five area farmers markets and a 130-member CSA.

Combining his passion for agriculture and technology, he started Small Farm Central in 2006, which now has morphed into Harvie. His goal, and the goal of Harvie, is to help more local farmers become more economically sustainable so they can support their families, take care of their land, treat their employees well and thrive on their farms and in their lives.

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment. In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

You Might Lose Your Money

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Note is not like that at all. The ability of the Company to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

COVID-19 Might Have a Negative Material Effect on the Company

This offering is being launched at a time when the COVID-19 pandemic is requiring the closure of many businesses, large and small. The effects COVID-19 may have on economic activity are likely substantial and unknown; there is no guaranty the Company will not suffer material negative effects as a direct or indirect result of the pandemic.

Competition

The market in which we operate is highly competitive. The Company competes with many other businesses, both large and small, on the basis of quality and price of products, location and customer experience. Changes in customer preference away from the Company's core business or the inability to compete successfully against other competitors could negatively affect the Company's financial performance.

Regulations

The ownership and operation of food operations are subject to a number of laws and regulations. Complying with these laws and regulations could prove costly.

Licensing Risk

The Company may face changes in the state and federal laws in connection to any licensing required for the sale of its products. Such changes would require the dedication of Company resources to address or amend its current operations which may adversely affect its business strategy or profitability.

Interest Rate Might Not Adequately Compensate For Risk

Theoretically, the interest rate paid by a company should compensate the creditor for the level of risk the creditor is assuming. There is no certainty that the interest rate on your Note will compensate you adequately for the level of risk.

No Right to Participate in Management

As the owner of a Note, you will not have the right to control the Company in any way or to participate in its management. You should invest (buy a Note) only if you are willing to rely completely on the Company's management team.

Reliance On Management Team

Like almost all small businesses, the Company relies exclusively on the abilities of its management team. Should any of them die, leave the Company, or become ill for a long period of time, the Company would be damaged and might not repay your Note.

Limited Products And Services

Most small, local businesses sell only one or two products or services, making them vulnerable to changes in technology and/or customer preferences.

Supplier Risk

The Company relies on third-party suppliers for the materials used in the manufacture of its products. If any of these suppliers changes the pricing, distribution, terms of service, or relationship with the Company, this could materially affect its business and/or profitability. Factors outside of the Company's control, including general market conditions, may affect its relationship with these suppliers. In addition, its ability to meet the obligations of its customers may be adversely affected if its suppliers fail to comply with agreed-upon services or quality standards in a cost-effective or timely manner.

Risk of Economic Downturn

The products the Company sells are luxuries, not necessities. In the event of a recession or other economic downturn, customers might curtail their purchase of our products.

Environmental Risk

The Company is subject to the risk of environmental liability and limitations on operations due to environmental laws and regulations. The Company is subject to extensive federal, state, and local environmental, health and safety regulations. The risks of substantial costs and liabilities related to compliance with these laws and regulations is an inherent part of the Company's business. Future conditions may develop or be discovered that create substantial environmental compliance or remediation liabilities and costs.

Consumer Products Liability Risk

The Company produces food products. If these products make customers ill due to spoilage or in some other way result in food-borne illness, the Company could be subject to legal liability if these customers sue the Company and the resulting liability is not covered by insurance.

Price Risk

The Company competes in an industry with a commodity product where the Company may not have control of the prices it will receive for its product or the prices it must pay for inputs. Price uncertainty may negatively impact the Company's business and financial situation.

Use of Funds Risk

At the discretion of the Company's executive management team, funds raised in this offering may be used differently than specifically outlined in this document's Use of Funds section.

Personnel Risk

The Company uses human personnel to produce its product. Accidents, illnesses, death, divorce, or lack of productivity could negatively impact the ability of personnel and, therefore, the business.

Lack Of Accounting Controls

Larger companies typically have in place strict accounting controls. Smaller companies like the Company lack these controls, exposing themselves to additional risk.

Reputation Risk

The success of the Company depends on the reputation of its brand. Adverse publicity concerning the Company's products or the Company itself could negatively impact the future of its business.

The Company Might Need More Capital

The Company might need to raise more capital in the future to expand its operations, buy property and equipment, hire drivers and other personnel, market its products and services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If the Company is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

Future Investors Might Have Superior Rights

If the Company needs more capital in the future, it might borrow money and/or sell stock, and the new investors might have rights superior to those of an investor owning a Note. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

Inability To Sell Your Note

The law prohibits you from selling your Note (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your Note for its full term.

Limitation of Individual Rights in Event of Default

In the event of a default under the Notes, an individual investor will not have the right to enforce his, her or its rights – for example, by bringing a lawsuit. Instead, the investors will appoint a representative using a procedure set forth in the Note Purchase Agreement. It's possible that the investors as a group will appoint a representative you don't like, or that the representative will do things you believe are wrong or misguided. Once a default has occurred and a representative has been appointed, all the expenses of the representative must be paid before any further payments are made with respect to the Notes.

Lack of Key Man Insurance

Although dependent on key personnel, the Company does not have any key man life insurance policies on any such people. In the event that such personnel die or become disabled, the Company will not

receive compensation to assist for their absence and the loss of such person could negatively affect the Company.

The Owners Could Be Bad People Or Do Bad Things

The owners of the Company could be dishonest and take your money. Even people who are very honest sometimes do dishonest things in desperate situations – for example, when their company is on the line, or they're going through a divorce or other stressful life event. It is possible that the management of the Company, or an employee, would steal from or otherwise cheat the Company, and you.

Uninsured Losses

Although the Company will carry some insurance, we might not buy enough insurance to guard against all the risks of our business. Also, there are some kinds of risks that are simply impossible to insure against, at least at a reasonable cost. Therefore, we could incur an uninsured loss that could damage our business.

Conflict Of Interest

In many ways your interests and the interests of the Company's management team will coincide: you all want the Company to be as successful as possible. However, your interests might be in conflict in other important areas, including these:

- You might want to keep the compensation of managers low, while managers want to make as much as they can.
- You might want the Company to act conservatively to conserve its cash, while the management team might want to grow more quickly.
- You might want the Company to look out for your interests, while the management team might subordinate your interests to the interests of employees, other investors, or others.
- The lawyers who prepared the legal documents represent the interests of the Company, not the interests of investors.

No Registration Under Securities Laws

The Notes will not be registered with the SEC or the securities regulator of any State. Hence, neither the Company nor the Notes are subject to the same degree of regulation and scrutiny as if they were registered.

Incomplete Offering Information

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, as described above, it is possible that you would make a different decision if you had more information.

Lack Of Ongoing Information

The Company will be required to provide some information to investors for at least one year following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and the Company will be allowed to stop providing annual information in certain circumstances.

The Company is Not Subject to the Corporate Governance Requirements Of National Securities Exchanges

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with the company or management), which is responsible for monitoring the company's compliance with the law. The Company will not be required to implement these and other investor protections.

Inadequate Collateral

Although investors will have a blanket lien in the assets of the company, if the Company defaulted the resale value of the collateral would probably not be high enough to pay off the Notes.

Cost of Enforcement

If the Company defaulted, investors would have to engage lawyers and possibly other third parties to enforce their rights. The cost of enforcement could be prohibitive.

Other Lenders Could Have Superior Rights

The Company will take out other loans. In itself this is not risky, but these lenders will likely have a claim to collateral superior to the collateral claimed by the Note. For example, the lenders might have a claim to the future cash flows or equity ownership of the Company, or the equipment owned by the Company whereas the Note has a claim to the equipment purchased with its own proceeds. Moreover, the lenders might have clauses in their lending agreements with the Company that compel the Company to pay them first over other lenders. If the Company runs out of cash, and has a choice to pay the other lenders or the Holders of the Note, it might decide (or be required) to pay its other lenders first.

The Guarantors Might Not Have Money

The Notes are being personally guaranteed by Simon Huntley. That means that if the company fails to make the payments required by the Notes, investors can look to the guarantors for payment. However, the guarantors themselves might not have the money to repay investors.

TRANSACTION MECHANICS

The following describes the process to invest in FarmFan LLC and how an investor's transaction and delivery of securities will be completed.

- a. *Investor Commitment:* Through the Honeycomb Portal, an investor will submit a requested investment amount. As a part of this process, an investor will execute an investment contract with FarmFan LLC ("Note Purchase Agreement") by way of the investor's electronic signature.
- b. *Acceptance of Investment:* Upon completion of the investment commitment, the investor will receive via email a confirmation of their transaction detailing the amount, terms, and date of execution.
- c. *Investor Transfer of Funds:* Upon receiving confirmation that an investment has been accepted, the investor will transfer funds to the escrow account of a third-party bank managed by Honeycomb Portal.
- d. *Early Closings:* If the target offering amount is met prior to the original deadline date, we may close the offering earlier, but no less than 21 days after the date on which the Form C is posted on the Honeycomb Portal.
- e. *Book Entry:* All investments will be in book entry form. This means that the Investor will not receive a certificate representing their investment. Each investment will be recorded by Honeycomb Portal and visible by the investor through their Investor Dashboard.

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met.

If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

The Qualified Third Party of the Offering is North Capital Private Securities Corporation.

Note: For more information about the investment and cancellation process, see Honeycomb’s Education Materials.

Details of Security Being Offered

The securities being offered to investors are promissory notes, which we refer to as “Notes.” The Notes are governed by a separate document called a Note Purchase Agreement, which you can view on the “Investor Info” tab of the campaign page.

This section summarizes the principal features of the Note Purchase Agreement. However, this is only a summary. Before investing, you should read the Note Purchase Agreement in their entirety.

- The principal amount of your Note will be the amount you invest.
- Your Note will accrue interest at a rate of 11.75% per year. The accrual of interest will begin after a 30-day interim period following the closing date of the offering – that is, when the money paid by investors is released to the Company – not on the date you invest.
- The Company must pay the accrued interest on a quarterly basis (every three months), starting 30-days after the closing date of the offering.
- The Company must repay your principal (the amount you invested) 60 months from the end of the 30-day interim period or, if sooner, the date that the Company is sold or otherwise experiences a “change of control.” The Company may also prepay the Note. Any prepayments will first be applied to accrued interest, then to principal.
- All communications from the Company, including but not limited to all tax forms, will be via electronic delivery.
- All payments will be made in U.S. dollars as Automated Clearing House (ACH) deposits into an account you designate. If you don’t authorize the Company to make such ACH distributions into a designated account, payments will be made by check and mailed to you after deducting a \$50 processing fee.
- Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company.
- If there is a default under your Note, you may not take collection action personally. Instead, you and the other investors will together appoint a single representative to represent all of you. This Administrative Agent will have the power to take any action against the Company that he or she believes is appropriate. The fees and any expenses of the Administrative Agent will be the responsibility of the Company, but the Administrative Agent will be paid before any additional amounts are paid to you or other investors.
- If you want to sell your Note, you must first offer to sell it back to the company – a so-called “first right of refusal.” If the Company doesn’t buy it, the Company may impose restrictions on the transfer. For example, the Company may require a legal opinion that the transfer is allowed under the securities laws.

- The Note offered does not have any voting rights.
- The Terms of the Note being offered may not be modified or amended.

Restrictions on Transfer of the Securities Being Offered

The Note will be illiquid (meaning you might not be able to sell it) for four reasons:

- The Note Purchase Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note, the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes as there would be for a publicly-traded company.
- For a period of one year, you will not be allowed to transfer the Note except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iv) in a public offering of the Company's shares.

As a result, you should plan to hold your Note until maturity.

ADDITIONAL MATTERS RELATED TO THE SECURITY

1. How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?

The Company does not have the right to change the terms of the promissory notes or the Note Purchase Agreement. However, it does have the right to create additional classes of securities, both equity securities and debt securities. Some of these additional classes of securities could have rights that are superior to those of the promissory notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

2. Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?

The owners of the promissory notes will not have the right to share in the profits of the company or participate in the management of the company.

3. How could the exercise of rights held by the principal shareholders affect the purchasers of the securities being offered?

The principal shareholders could make decisions that are bad for the company and thereby adversely affect the economic interests of investors holding promissory notes. They could also issue other classes of securities with rights superior to those of investors holding promissory notes.

4. *How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.*

The value of the Notes is determined by the face amount of the note payable to be issued. The terms of the Notes were determined by the Owner based on the Owner's opinion about the value of the project.

The Owner does not expect there to be any reason to place a value on the Notes in the future. In the event that future valuation is required, any value given the notes by the company will be determined in accordance with U.S. generally accepted accounting principles.

5. *What are the risks to purchasers of the securities relating to minority ownership in the issuer?*

n/a

6. *What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?*

The company could issue securities with rights superior to those of the promissory notes.

If the company is sold, the owners of the promissory notes have the right to receive all of the principal and accrued interest.

Transactions with related parties – for example, the payment of excessive compensation – could reduce the amount of money available to make payments with respect to the promissory notes.

7. *What other exempt offerings has the issuer conducted within the past three years?*

The issuer previously raised \$124,000 in Reg CF debt on January 9, 2023.

8. *The issuer or any entities controlled by or under the common control with the issuer was not a party to any transaction since the beginning of the issuer's last fiscal year, or any currently proposed transaction, where the amount involved exceeds five percent of the aggregate amount of capital raised by the issuer in reliance on Section 4(a)(6) of the Securities Act during the preceding 12-month period, including the amount the issuer seeks to raise in the current offering, in which any of the following persons had or is to have a direct or indirect material interest:*

1. *any director or officer of the issuer;*
2. *any person who is, as of the most recent practicable date, the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power;*
3. *if the issuer was incorporated or organized within the past three years, any promoter of the issuer;*
4. *or (4) any immediate family member of any of the foregoing persons.*

(the "**Portal**");

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein, and intending to be legally bound, the parties hereto agree as follows:

ARTICLE I DEFINITIONS

I.1 Recitals. The Recitals are incorporated herein as if set forth at length.

I.2 Defined Terms. Capitalized terms not otherwise defined in this Agreement have the meanings given to them in the Form C filed by the Issuer with the Securities and Exchange Commission and available on the Site, which we refer to as the "Disclosure Document." The Disclosure Document, together with this Agreement, the Notes, any security instruments (if applicable), and any other document or instrument executed in connection with any of the foregoing are collectively referred to as the "Loan Documents."

ARTICLE II NOTE PURCHASE TERMS

2.1 Purchase of Notes.

The Issuer will issue and sell to certain of the Holders, and such Holders will purchase from the Issuer, promissory notes of the Borrower in substantially the form of Schedule 2.1 (each a "Note" and collectively, the "Notes") in the aggregate principal amount not to exceed \$494,000 (the "**Borrowing Limit**"). The date on which the Issuer will issue and sell the Notes and the Holder shall purchase the Note, shall be the "**Closing Date**". The Issuer may sell Notes pursuant to this Agreement for a duration consistent with the Disclosure Document. Issuer shall keep a schedule of Notes purchased by each Holder, and the purchase price therefore. Holder will not receive a paper document representing Holder's Note.

2.2 Payment Terms.

(a) Repayment. Each Note shall be repaid by the Issuer under the terms and conditions set forth below with payments to Holders commencing on or before the last business day 30 days after the Offering Period has ended and continuing each month thereafter through the Maturity Date with interest payable as set forth in the chart below.

Security Type	Subordinated Secured Loan
Interest Rate	11.75%
Maturity	60 months
Payments	Monthly, disbursed to investors quarterly

Security Interest	2nd lien on assets of the company

(b) Security. As security for repayment of the Note, the Issuer hereby grants to the Holders a blanket lien in the assets of the company ("Collateral") described in the chart above to be evidenced by the appropriate security agreement, mortgage, or other security instrument(s) and included as a Loan Document contemplated by this Agreement.

2.3 Payments.

(a) ACH Deposit. All payments of principal and interest on the Notes will be made in U.S. dollars as Automated Clearing House (ACH) deposits into an account designated (the "Designated Account") by each Holder at the Site. Each Holder acknowledges and agrees that any payment made timely to the Designated Account shall be deemed delivered even if the payment is rejected, or otherwise unable to be transferred because the Holder's Designated Account is no longer valid for any reason. Whenever any payment is due on a day that is not a business day, such payment will be due on the next following business day. Each payment will be applied first to any fees charges and expenses authorized under the Loan Documents, including the reasonable fees and expenses of the Administrative Agent, then to accrued but unpaid interest on the Notes, and then to the outstanding principal balances of the Notes.

(b) Non-ACH Payments Processing Fee. To the extent a Holder does not authorize the Issuer to make ACH distributions into its Designated Account, payments to such Holder will be made by check and mailed to such Holder at the address provided by Holder on the Site after deduction by the Issuer from each such check of a Fifty Dollar (\$50) processing fee (the "Processing Fee"). All Processing Fees shall be credited against the outstanding amounts due under such Holder's Note. In the event the monthly amount payable to such Holder is less than the Processing Fee, the balance of the Processing Fee shall accumulate and be payable out of the Issuer's next payment installment to the Holder. In the event the total amount that remains outstanding under such Holder's Note is less than the amount of the accumulated Processing Fee, the obligations due and owing to the Holder under its Note shall be deemed satisfied and paid in full.

2.4 Equalization Among Holders.

Each Note is on parity with all Notes issued pursuant to this Agreement and rank equally, without preference among themselves. Any amounts to be distributed pursuant to this Agreement and the Notes to the Holders shall be made pro rata in proportion to the amount then outstanding under each Holder's respective Note.

2.5 Maximum Lawful Rate.

In no event shall Issuer be obligated to pay interest on the Note to the extent it exceeds the highest rate of interest that may be lawfully contracted for, charged or received by such Holder, and in such event the Issuer shall pay such Holder interest at the highest rate permitted by applicable law.

2.6 No Right to Cancel. Each Holder acknowledges and agrees that this is a commercial transaction and that the Holder has no right to cancel its subscription or rescind this Agreement. Once the Holder signs this Agreement, electronically or otherwise, the Holder is obligated to purchase the Note on the terms and conditions set forth in this Agreement and as described in the Disclosure Document, including, but not limited to, instances where the principal amount of the Note is reduced consistent with the Disclosure Document.

2.7 Issuer's Right to Reject Subscription. Each Holder acknowledges and agrees that Issuer has the right to reject the Holder's subscription for any reason or for no reason by returning the money provided to the Issuer to the applicable Holder's Designated Account whose subscription has been rejected.

ARTICLE III REPRESENTATIONS AND WARRANTIES

3.1 Issuer's Representations and Warranties. The Issuer represents and warrants to each Holder that the following are, and immediately after giving effect to the transactions contemplated hereby will be, true, correct and complete:

(a) Power and Authorization. The Issuer has the power and authority and all authorizations, consents and approvals to execute, deliver, and perform its obligations under this Agreement and the Notes.

Binding Effect. This Agreement and the Notes constitute a legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

3.2 Holder's Representations and Warranties. Each Holder hereby severally, but not jointly, represents and warrants to the Issuer as follows as of the date hereof and as of the Closing Date:

(a) Accuracy of Information. All of the information the Holder has given to the Issuer (whether in this Agreement, at the Site, or otherwise) is accurate and the Issuer and may rely on it. If any of the information Holder has given to Issuer changes before the Issuer accepts Holder's subscription, Holder will notify the Issuer immediately. Holder agrees to indemnify and hold Issuer, and each of their respective directors, officers, employees and representative harmless for any damages, losses, or claims (including reasonable attorney fees and costs) incurred by Issuer that result from or arise out of inaccurate information provided by Holder.

(b) Risks. Holder understands all the risks of investing, including the risk that Holder could lose its entire investment in the Issuer evidenced by the Note and this Agreement. Without limiting that statement, Holder acknowledges and agrees that it has reviewed and understands each of the risks listed under "Risk Factors" in the Disclosure Document.

(c) No Representations. No person (i) has made any promises or representations to Holder, except for the information contained in the Disclosure Document; or (ii) has guaranteed any financial outcome for Holder's investment.

(h) Investment Purpose. Holder is purchasing the Note solely as an investment, not with an intent to re-sell or "distribute" any part of the Note.

(i) Knowledge. Holder has enough knowledge, skill, and experience in business, financial, and investment matters to evaluate the merits and risks of the investment.

(j) Financial Forecasts. Holder understands that any financial forecasts or projections are based on estimates and assumptions the Issuer believes to be reasonable but are highly speculative. Given the industry, any forecasts or projections will probably prove to be incorrect.

(k) Financial Wherewithal. Holder can afford this investment, even if Holder loses the entirety of its investment. Holder does not rely on its cash or other property used in this investment to pay for any of Holder's current living necessities, including but not limited to, Holder's food, housing, and utilities.

(l) No Government Approval. Holder understands that no state or federal authority has reviewed this Agreement or the Note or made any finding relating to the value or fairness of the investment.

(m) No Advice. Each Holder acknowledges and agrees that the Issuer has not provided the Holder with any investment, financial, or tax advice. Each Holder has been

advised to consult with its own legal and financial advisors and tax experts prior to entering into this Agreement.

(n) Tax Treatment. If any withholding tax is imposed on any payment made by Issuer to a Holder pursuant to a Note, such tax shall reduce the amount otherwise payable with respect to such payment. Upon request of Issuer, the Holder shall provide the Issuer with an Internal Revenue Service Form W-9 or other similar withholding certificate of a State, local or foreign governmental authority such that the Issuer may make payments under the Note without deduction for, or at a reduced rate of deduction for, any tax. Any taxes owed on the payments to Holder shall be the responsibility of such Holder.

(o) Anti-Terrorism and Money Laundering (Natural Persons). If Holder is a natural person (not an entity), such Holder represents and warrants as follows:

- (i) Source of Funds. None of the money Holder has paid or will pay or contribute to the Issuer is derived from or related to any activity that is illegal under United States law.
- (ii) Anti-Terrorism Laws. Holder is not on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by the Office of Foreign Assets Control of the United States Department of Treasury (“OFAC”), nor a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.
- (iii) Anti-Money Laundering Laws. Holder’s purchase of a Note will not, by itself, cause the Issuer to be in violation of any “anti-money laundering” laws, including, without limitation, the United States Bank Secrecy Act, the United States Money Laundering Control Act of 1986, and the United States International Money Laundering Abatement and Anti-Terrorist Financing Act of 2001.
- (iv) Additional Information. Holder will provide such documentation as may be reasonably requested by the Issuer to verify further the source of funds used to purchase the Note.

(p) Entity Holders. Each Holder that is a legal entity, such as a corporation, partnership, or limited liability company, represents and warrants as follows:

(i) Good Standing. Holder is validly existing and in good standing under the laws of the jurisdiction where it was organized and has full corporate power and authority to conduct its business as presently conducted and as proposed to be conducted.

(ii) Other Jurisdictions. Holder is qualified to do business in every other jurisdiction where the failure to qualify would have a material adverse effect on Holder.

(iii) Authorization. The execution, delivery, and performance by Holder of this Agreement and any related Loan Documents have been duly authorized by all necessary corporate action.

(iv) Investment Company. Holder is not an “investment company” within the meaning of the Investment Company Act of 1940.

(v) Anti-Terrorism and Money Laundering.

(A) Source of Funds. No funds used or contributed to the Issuer derives from or relates to any activity that is illegal under United States law.

(B) Anti-Terrorism Laws. None of the ultimate owners of Holder is on any list of “Specially Designated Nationals” or known or suspected terrorists that has been generated by OFAC, nor is a citizen or resident of any country that is subject to embargo or trade sanctions enforced by OFAC.

(C) Notice of Violations. If at any time the Issuer determines that any of the representations contained in this subsection are untrue or inaccurate, or if otherwise required by applicable law or regulation related to terrorism, money laundering, and similar activities, the Issuer may undertake appropriate actions to ensure compliance with applicable law or regulation, including, but not limited to segregation or redemption of such Holder’s Note.

ARTICLE IV COVENANTS

4.1 Issuer Covenants. Issuer covenants and agrees that, so long as any of the obligations evidenced by the Loan Documents remain unpaid or unsatisfied:

(a) Maintenance of Property. Issuer shall maintain and preserve all its real and tangible property in good working order and condition, ordinary wear and tear and casualty excepted.

(b) Insurance. Issuer shall maintain or cause to be maintained in full force and effect all policies of insurance of any kind (including policies of fire, theft, public liability, property damage, other casualty insurance) with respect to the property of the Issuer, including any Collateral, with reputable insurance companies or associations of a nature and providing such coverage as is sufficient and as is customarily.

(c) Use of Proceeds. Issuer shall use the proceeds of the sale of the Notes solely for the Purposes stated herein and in the Disclosure Document.

(c) Additional Documents. Holder agrees to execute any additional documents the Issuer requests if the Issuer reasonably believe those documents are necessary or appropriate and explain that Holder is able to bear the economic risk of its investment in the Notes for an indefinite duration and is able to afford a complete loss of such investment.

(d) No Transfer of Notes. Holder may not transfer, pledge, encumber, or otherwise dispose of Holder's interest in its Note at any time. Any attempt to transfer, pledge, encumber or other dispose of Holder's interest in its Note shall be void.

5.1 Appointment. Each Holder hereby irrevocably designates, appoints and authorizes Honeycomb Collateral LLC to act as the initial Administrative Agent for such Holder under this Agreement and to execute and deliver or accept on behalf of each of the Holder any Loan Documents, including this Agreement, and any security agreement or mortgage or other document or instrument reasonably necessary to give effect to the transactions contemplated by this Agreement and the Disclosure Document. Each Holder hereby irrevocably authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and the Loan Documents, and to exercise such powers and to perform such duties hereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. Administrative Agent agrees to act as the Administrative Agent on behalf of the Holders to the extent provided in this Agreement.

5.2 Nature of Duties.

(a) The Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist. The duties of the Administrative Agent shall be mechanical and administrative in nature and shall not create any fiduciary or trust relationship in respect of any Holder.

(b) The function and duty of the Administrative Agent shall be: (i) to execute any security agreement, mortgage or other Loan Document on behalf of the Holders providing for the grant of a security interest in favor of the Holders in property of the Issuer as

contemplated in the Disclosure Document and in this Agreement; (ii) to enforce the rights and remedies of the Holders under any applicable Loan Document, including this Agreement, upon written direction from the Required Holders (as defined below) (an "Enforcement Proceeding"); and (iii) to hold proceeds collected by Administrative Agent following an Event of Default by the Issuer, including, but not limited to, from the sale of any Collateral, and to distribute such proceeds to the Holders in an amount consistent with the terms and conditions of this Agreement and the Holder's respective Note; provided however, that in connection with this subsection (b)(iii), only, each Holder acknowledges and agrees that a successor Administrative Agent to Honeycomb Collateral LLC must be appointed pursuant to Section 5.7, below, and that in no event can Honeycomb Collateral LLC hold or distribute proceeds on behalf of the Holders.

(c) In connection with any Enforcement Proceeding, the Administrative Agent shall have the power, on behalf of each Holder, to pursue such remedies as may be available by law and pursuant to this Agreement, for the purpose of maximizing the return to the Holders as a group, and to settle the claims of each Holder on such terms as the Administrative Agent may determine in its sole and unlimited discretion, subject to the other provisions of this Agreement. The Administrative Agent may pursue such remedies notwithstanding that the Administrative Agent does not have physical possession of the Notes and without naming the Holders as parties.

(d) The Administrative Agent takes no responsibility and makes no statement regarding the validity, extent or enforceability of the Loan Documents or the lien priority or position that the Holders will have as a result of the Loan Documents.

5.3 Instructions from the Holders. The Administrative Agent agrees, upon the written request of the Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the Notes on an aggregate basis (the "Required Holders"), to take or refrain from taking any action of the type specified as being within the Administrative Agent's rights, powers or discretion herein, provided that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, any loan agreements with third parties (if applicable), or any of the other Loan Documents or applicable Law. Additionally, Administrative Agent shall have no obligation to comply with instructions from the Required Holders to initiate or continue an Enforcement Proceeding without sufficient funds being made available in advance to Administrative Agent to cover the Administrative Agent's out-pocket-expenses, including, but not limited to, filing fees and costs, required to initiate or continue such Enforcement Proceeding. Any action taken or failure to act pursuant to such instructions shall be binding on the Holders. No Holder shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder in accordance with the instructions of the Required Holders, or in the absence of such instructions, in the absolute discretion of the Administrative Agent. Holders acknowledge and agree to electronic communications by and between the Holders and the Administrative Agent and any Holder's failure to affirmatively instruct the Administrative Agent within the time prescribed by Administrative Agent shall be deemed as the Holder's consent to the action or inaction taken by the Administrative Agent.

5.4 Nonrecourse Liability. The Administrative Agent shall not be liable to any Holder for any action taken or omitted to be taken by it or them hereunder, or in connection herewith including pursuant to this Agreement or any other Loan Document, unless caused by Administrative Agent's own gross negligence or willful misconduct.

5.5 Reimbursement and Indemnification of Administrative Agent by Issuer. Issuer agrees to reimburse, indemnify defend and save the Administrative Agent harmless from and against all liabilities, costs, expenses or disbursements, including attorneys' fees and disbursements, of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document; provided that Issuer shall not be liable for any portion of such liabilities, costs, expenses or disbursements if the same results from the Administrative Agent's gross negligence or willful misconduct.

5.6 Compensation. Administrative Agent shall be entitled to compensation and reimbursement of expenses as set forth below which amounts shall be the obligation of the Company and shall be added to the amounts otherwise payable under the Notes:

(a) Flat Fee. As compensation to the Administrative Agent for the services provided by the Administrative Agent to the Holders in the execution and documentation of any Collateral securing the obligations evidenced by the Notes, Holders acknowledge and agree that Administrative Agent may be paid a flat fee.

(b) Hourly Rate. As compensation to the Administrative Agent for the services provided by the Administrative Agent in connection with any Enforcement Proceeding, Administrative Agent shall be entitled to receive reasonable compensation at the hourly rate plus reimbursement of all out of pocket expenses reasonably incurred by the Administrative Agent.

(c) Surcharge. Upon the occurrence of an Event of Default that is continuing, all payments under the Notes shall be directed to and held in escrow until the Event of Default is cured or otherwise resolved. Each Holder acknowledges and agrees that the Administrative Agent may surcharge (i) the Collateral, if any, and (ii) the funds maintained in escrow in an amount equal to the outstanding and unpaid portion of the compensation due and payable to the Administrative Agent under the terms of this Agreement, prior to causing the balance of said proceeds or funds to be distributed to the Holders on a pro rata basis.

5.7 Successor Administrative Agent. The Administrative Agent (i) may resign as Administrative Agent by providing Notice ("Notice of Resignation") or (ii) shall resign if such resignation is requested by the Required Holders, by giving not less than thirty (30) days' prior written notice to the Holders and the Issuer. Upon the occurrence of an Event of Default, each Holder hereby acknowledges and agrees that Honeycomb Collateral LLC shall resign as the Administrative Agent and that the Holders must appoint a successor Administrative Agent on or before the date specified in the Notice of Resignation. Each Holder further acknowledges that Honeycomb Collateral LLC cannot hold or distribute funds on behalf of any Holder and that a successor Administrative Agent must be appointed prior to the receipt of any funds on behalf of any Holder in any Enforcement Proceeding or otherwise. If the Administrative Agent resigns under this Agreement, then either (a) the Required Holders shall appoint from among the Holders a successor agent for the Holders or (b) if a successor agent shall not be so appointed and approved within the earlier of: (i) the thirty (30) day period immediately following the Administrative Agent's Notice of Resignation; or (ii) the need to appoint a successor Administrative Agent to receive and distribute funds on behalf of Holders, as reasonably determined by Honeycomb Collateral LLC in its sole discretion, then the Administrative Agent shall appoint a successor agent who shall serve as Administrative Agent until such time as the Required Holders appoint a successor agent. For purposes of appointing a successor

Administrative Agent, only, the Required Holders shall be determined by reference to Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the Notes on an aggregate basis that have cast a vote timely. Upon its appointment pursuant to either clause (a) or (b) above, such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent, effective upon its appointment, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement. After the resignation of any Administrative Agent hereunder, the provisions of this Agreement shall inure to the benefit of such former Administrative Agent and such former Administrative Agent shall not by reason of such resignation be deemed to be released from liability for any actions taken or not taken by it while it was an Administrative Agent under this Agreement.

5.8 Calculations. In the absence of gross negligence or willful misconduct, Holder acknowledges and agrees that there will be no liability for any error in computing the amount payable to any Holder whether in respect of the Notes, fees or any other amounts due to the Holder under this Agreement. In the event an error in computing any amount payable to any Holder is made, the Administrative Agent, the Issuer and each affected Holder shall, forthwith upon discovery of such error, make such adjustments as shall be required to correct such error.

ARTICLE VI EVENTS OF DEFAULT

Upon the occurrence and during the continuance of an Event of Default in Section 6.1(a)-(f), then the Required Holders may instruct the Administrative Agent to declare all amounts owed under the Notes to be immediately due and payable. Upon the occurrence of an Event of Default in Section 6.1(g), all amounts owed under the Notes shall automatically be accelerated and become immediately due and payable without prior written notice or demand. Upon the occurrence of any Event of Default that is continuing, Holders shall have the right to exercise all rights and remedies available to them under this Agreement, any Loan Document, at law or in equity, consistent with the procedures set forth in this Agreement.

6.4 Force Majeure. An Event of Default shall not be deemed to have occurred if a breach or failure by the Issuer is caused by Acts of God, government restrictions (including the denial or cancellation of any export, close of business or other extraordinary measures), wars, insurrections and/or any other cause beyond the reasonable control of the Issuer; provided that the Administrative Agent shall give Holders written notice describing the force majeure in reasonable detail given the information presently available. Performance under the Notes is suspended for the period of time in which the force majeure is in effect, plus thirty (30) days thereafter (the "Force Majeure Period"). The Force Majeure Period may be extended further in the discretion of the Administrative Agent with the consent of the Required Holders pursuant to the procedures outlined in Section 5.3 of this Agreement. Any payments made by any Issuer during the Force Majeure Period are not subject to refund. The term length of the Note shall not be adjusted if the Force Majeure is put into effect.

ARTICLE VII

MISCELLANEOUS

7.1 LIMITATIONS ON DAMAGES. NEITHER ISSUER NOR ADMINISTRATIVE AGENT WILL BE LIABLE TO ANY HOLDER FOR ANY LOST PROFITS OR SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, EVEN IF HOLDER DISCLOSES IT MIGHT INCUR THOSE DAMAGES. The maximum liability the Issuer or Administrative Agent may have to any Holder is the amount of such Holder's investment as evidenced by the Note.

7.2 NO CLASS ACTION CLAIMS. NO LAWSUIT SHALL PROCEED ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS. No party may join, consolidate, or

otherwise bring claims for or on behalf of two or more individuals or unrelated corporate entities in the same lawsuit unless those persons are parties to a single transaction. An award shall determine the rights and obligations of the named parties only, and only with respect to the claims in the lawsuit, and shall not (i) determine the rights, obligations, or interests of anyone other than a named party, or resolve any claim of anyone other than a named party, or (ii) make an award for the benefit of, or against, anyone other than a named party. (b) THE PARTIES WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY OF THE TRANSACTION DOCUMENTS OR THE SUBJECT MATTER THEREOF AND BROUGHT BY ANY OTHER PARTY.

(c) The Holders acknowledge that this is a commercial transaction, that the foregoing provisions for consent to jurisdiction, service of process and waiver of jury trial have been read, understood and voluntarily agreed to by them and that by agreeing to such provisions they are waiving important legal rights. The obligations of the parties under this Section will survive any termination of this Agreement.

7.4 Creditor-Debtor Relationship. The relationship between each Holder, on the one hand, and the Issuer, on the other hand, is solely that of creditor and debtor.

7.5 Expenses. Each party shall be responsible for its own expenses, including without limitation all attorney's fees which arise out of or relate to the documentation of this Agreement or the Notes. Upon the occurrence of an Event of Default or commencement of an Enforcement Proceeding, the costs and expenses incurred by the Administrative Agent on behalf of the Holders, including reasonable attorneys' fees and costs, shall be added to and become a part of the obligations owed by the Issuer under this Agreement.

electronic delivery, including all tax forms, to the email address provided by the Holder on the Site and shall be deemed transmitted when sent. Notices to the Administrative Agent and the Issuer may be sent electronically to the email addresses provided in their respective signature blocks.

7.9 Miscellaneous. This Agreement and the Notes: (a) may not be assigned, pledged or otherwise transferred, whether by operation of law or otherwise, without the prior consent of the Issuer; (b) may be executed in electronically and in counterparts by the parties, which shall be deemed effective as an original and will constitute one and the same instrument; (c) contain the entire agreement of the parties with respect to the transactions contemplated hereby and thereby and supersede all prior written and oral agreements, and all contemporaneous oral agreements, relating to such transactions; (d) are governed by, and will be construed and enforced in accordance with, the laws of the Commonwealth of Pennsylvania without giving effect to any conflict of laws rules; and (e) are binding upon, and will inure to the benefit of, the parties and their respective successors and permitted assigns. The waiver by a party of any breach or violation of any provision of this Agreement will not operate or be construed a waiver of any subsequent breach or violation hereof. Recitals

A. The Debtor has entered into that certain Note Purchase Agreement (the “NPA”) pursuant to which the Debtor, as Issuer, issued certain notes (collectively the “Notes”) to holders (the “Holders”) purchased pursuant to an offering exempt from registration under section 4(a)(6) of the Securities Act of 1933 (the “Title III Offering”), conducted on www.HoneycombCredit.com maintained by Honeycomb Credit, Inc. (the “Portal”); and

B. Pursuant to the terms of the NPA, it is a condition precedent to the Holders’ agreement to purchase the Notes, that the Debtor grant to and create in favor of the Collateral Agent (for the benefit of the Holders) a first priority security interest in the Collateral (defined below) to secure repayment of the obligations owed to the Holders by the Debtor under the Notes.

NOW, THEREFORE, intending to be legally bound by this Agreement, Debtor and Secured Party mutually covenant and agree as follows:

1. **Grant of Security Interest.** To secure the payment of all amounts due under the Notes, the Debtor hereby grants to the Collateral Agent a security interest (the “Security Interest”) in the assets listed on Schedule A and any proceeds, substitutions, replacements thereof or additions thereto (the “Collateral”). This Agreement constitutes a “security agreement” within the meaning of the Uniform Commercial Code as adopted in Pennsylvania (the “Code”). All capitalized terms in this Agreement, if not otherwise defined, shall have the meaning given to them by the Code.

2. **Rights and Remedies of a Secured Party.** In addition to all rights and remedies given to the Secured Party pursuant to the NPA and this Security Agreement, the Secured Party shall have all of

the rights and remedies of a secured party under the Code (whether or not the Code applies to the Collateral).

3. **Authorization to File Financing Statements.** The Debtor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto

4. **Debtor's Warranties, Representations and Agreements.** The Debtor represents and warrants to Secured Party and agrees that:

- (b) The state of formation of the Debtor is Pennsylvania. Debtor shall not change the state of its incorporation or formation without giving Secured Party thirty days prior written notice thereof;
- (c) Debtor must keep complete and accurate Books and Records (as used herein, the term "Books and Records" is defined to include all books of original and final entry, including computer programs, software, stored material and data banks associated with or arising out of Debtor's business or record keeping) and make all necessary entries therein to reflect the quantities, costs, value and location of the Collateral. Debtor agrees to mark its Books and Records in such fashion as to indicate the security interest granted to Secured Party herein. Debtor will permit Secured Party, its officers, employees and agents, to have access to all of Debtor's Books and Records and any other records pertaining to Debtor's business which Secured Party may request, and will cause all persons including computer service bureaus, bookkeeping services, accountants and the like, to make all such Books and Records available to Secured Party, its officers, employees and agents and, if deemed necessary by Secured Party in Secured Party's sole discretion, permit Secured Party, its officers, employees and agents to duplicate, at Debtor's expense, the Books and Records at Debtor's place of business or any other place where they may be found. Secured Party's right to inspect and duplicate Debtor's Books and Records will be enforceable at law by action of replevin or by any other appropriate remedy at law or in equity;
- (d) The Collateral is and has been kept at the Debtor's principal place of business (as set forth above), and Debtor's chief executive office is and has been at the location of Debtor's principal place of business;
- (e) Debtor must immediately notify Secured Party in writing of any event causing deterioration, loss or depreciation in value of any of the Collateral and the amount of such loss or depreciation. Debtor must permit Secured Party, its officers, employees and agents, access to the Collateral at any time and from time to time, as and when requested by Secured Party, for the purposes of examination, inspection and appraisal thereof and verification of Debtor's Books and Records pertaining thereto, and Debtor will pay the expenses of these inspections and audits on Secured Party's request. Debtor will promptly notify Secured Party in writing if there is any change in the status or physical condition of any Collateral. Debtor

agrees not to return any Collateral to the supplier thereof without obtaining Secured Party's prior written consent;

- (f) Debtor will not sell, exchange, lease, rent or otherwise dispose of any of the Collateral or of any Debtor's rights therein, other than in the ordinary course of Debtor's business, without the prior written consent of Secured Party;
- (g) Debtor will care for and preserve the Collateral in good condition and repair at all times and will pay the cost of repairs to and maintenance and preservation of the Collateral and will not permit anything to be done that may impair the value of any of the Collateral or the security intended to be afforded by this Agreement;
- (h) Until the occurrence of an Event of Default (as this term is defined below), Debtor may use the Collateral in any lawful manner not inconsistent with the agreements herein or with the terms and conditions of any policy of insurance thereon;
- (i) No Event of Default has occurred and no event has occurred which, with the passage of time or the giving of notice or both, could be an Event of Default hereunder;
- (j) Debtor will notify the Secured Party in writing prior to beginning to engage in business in any corporate or fictitious name other than its present corporate name;
- (k) Debtor will not use the Collateral in violation of any federal, state or local statute or ordinance;
- (l) Debtor and Debtor will comply with each covenant set forth in the NPA;
- (m) Debtor will not hereafter grant a security interest in the Collateral to any person, firm or corporation;
- (n) If any of the Collateral or any of Debtor's Books and Records are at any time to be located on premises leased by Debtor or on premises owned by Debtor subject to a mortgage or other lien, Debtor must obtain and deliver or cause to be delivered to Secured Party prior to delivery of any Collateral or Books and Records concerning the Collateral to said premises, an agreement, in form satisfactory to Secured Party, waiving the landlord's, mortgagee's or lienholder's rights to enforce any claim against Debtor for moneys due under the landlord's lien, mortgagee's mortgage or other lien by levy of distraint or other similar proceeding against the Collateral or Debtor's Books and Records and assuring Secured Party's ability to have access to the Collateral and Debtor's Books and Records in order to exercise Secured Party's rights to take possession thereof and to remove them from such premises;
- (o) Debtor will keep itself and the Collateral insured against all hazards in such amounts and by such insurers as are satisfactory to Secured Party, with insurance policies which provide for at least thirty (30) days prior written notice to Secured Party of any cancellation or reduction in coverage. Debtor will cause Secured Party's security interest to be endorsed on all policies of insurance in such manner that all payments for losses will be paid to Secured Party as loss-payee and will furnish Secured Party with evidence of such insurance and endorsements. Debtor will keep such insurance in full force and in effect at all times. In the event that Debtor fails to pay any such insurance premiums when due, Secured Party may

but is not required to pay such premiums and add the costs thereof to the amounts due Secured Party under the Notes. Debtor hereby assigns to Secured Party any returned or unearned premiums which may be due upon cancellation of any such policies for any reason whatsoever and directs the insurers to pay Secured Party any amount so due, subject only to the rights of any lender through whom Debtor has financed the payment of such premiums to receive same; and

- (p) To further the attachment, perfection and first priority of, and the ability of the Secured Party to enforce, the Secured Party's security interest in the Collateral, and without limitation on the Debtor's other obligations in this Agreement, the Debtor agrees, in each case at the Debtor's expense, to take such actions and execute and deliver such documents or instruments with respect to the Collateral that Secured Party reasonably requests. Debtor further agrees, at the request and option of the Secured Party, to take any and all other actions the Secured Party may determine to be necessary or useful for the attachment, perfection and first priority of, and the ability of the Secured Party to enforce, the Secured Party's security interest in any and all of the Collateral, including, without limitation,
 - (i) executing, delivering and, where appropriate, filing financing statements and amendments relating thereto under the Uniform Commercial Code, to the extent, if any, that the Debtor's signature thereon is required therefor,
 - (ii) causing the Secured Party's name to be noted as secured party on any certificate of title for a titled good if such notation is a condition to attachment, perfection or priority of, or ability of the Secured Party to enforce, the Secured Party's security interest in such Collateral,
 - (iii) complying with any provision of any statute, regulation or treaty of the United States as to any Collateral if compliance with such provision is a condition to attachment, perfection or priority of, or ability of the Secured Party to enforce, the Secured Party's security interest in such Collateral,
 - (iv) obtaining governmental and other third party waivers, consents and approvals in form and substance satisfactory to Secured Party, including, without limitation, any consent of any licensor, lessor or other person obligated on Collateral,
 - (v) obtaining waivers from mortgagees and landlords in form and substance satisfactory to the Secured Party, and
 - (vi) taking all actions under any earlier versions of the Uniform Commercial Code or under any other law, as reasonably determined by the Secured Party to be applicable in any relevant Uniform Commercial Code or other jurisdiction, including any foreign jurisdiction.

5. **Use of Collateral; Casualty.** Until the occurrence of an Event of Default, Debtor may sell and use the Collateral in the ordinary course of its business, consistent with past practices, and accept the return of and repossess goods constituting the Collateral. Immediately upon the loss, damage or destruction of any Collateral, Debtor will deliver to Secured Party an amount equal to the greater of Debtor's (a) actual cost or (b) replacement cost of the Collateral so lost, damaged or destroyed, less the amount of any insurance proceeds thereon anticipated to be collected and retained by Secured Party.

6. **Event of Default.** The occurrence of any one or more of the following will be an "Event of Default" hereunder:

- (a) The failure of Debtor at any time to observe or perform any of its warranties, representations or agreements contained in this Agreement and such failure is not cured within ten (10) days following notice from the Collateral Agent;
- (b) Debtor's or Debtor's default under the terms of the Notes, the NPA, or any other Loan Document (as defined in the NPA);
- (c) The subjection of the Collateral or any rights therein to or the threat of any judicial process, condemnation or forfeiture proceedings;
- (d) The insolvency of Debtor, the commencement of a voluntary or involuntary case in bankruptcy against Debtor, the consenting of Debtor to the appointment of a receiver or trustee of any of its property or any part thereof, or the entry of any order of relief against Debtor in any case.

7. **Secured Party's Rights and Remedies.** Upon or after the occurrence of any Event of Default, Secured Party may do any or all of the following, all of which rights and remedies shall be cumulative and any and all of which may be exercised from time to time and as often as Secured Party shall deem necessary or desirable:

- (a) Exercise any and all rights, privileges and remedies available to Secured Party under this Agreement, the NPA, the Notes, and under the UCC, or any other applicable law, including without limitation the right to require the Debtor to assemble the Collateral and make it available to Secured Party at a designated place reasonably convenient for disposition;
- (b) If applicable, notify Debtor's lessees, renters and account Debtors to make all payments directly to Secured Party and to surrender, at the termination of any lease of any Collateral, the item or items of Collateral so leased or to pay the sale option price, if any, directly to Secured Party;
- (c) Cure any default in any reasonable manner and add the cost of any such cure to the amount due under the Notes and NPA;
- (d) Retain all of Debtor's Books and Records;
- (e) Upon ten (10) days prior written notice to Debtor, which notice Debtor acknowledges is sufficient, proper and commercially reasonable, Secured Party may sell, lease or otherwise dispose of the Collateral, at any time and from time to time, in whole or in part, at public or private sale, without advertisement or notice of sale, all of which are hereby waived, and apply the proceeds of any such sale:

- (i) first, to the expenses of Secured Party in preparing the Collateral for sale, selling and the like, including without limitation reasonable attorneys' fees and expenses incurred by Secured Party (including fees and expenses of any litigation incident to any of the foregoing);
- (ii) second, to the payment in full of all sums owing to Holders under the Notes consistent with the terms of the NPA and the satisfaction of all of the Debtor's and Debtor's obligations under the Notes and NPA; and
- (iii) any excess shall be paid to Debtor.

The waiver of any Event of Default, or Secured Party's failure to exercise any right or remedy hereunder, shall not be deemed a waiver of any subsequent Event of Default or of the right to exercise that or any other right or remedy available to Secured Party.

8. Expenses of Enforcement. The Debtor will pay all reasonable expenses of the Collateral Agent, including attorneys' fees, incurred by the Collateral Agent in enforcing its rights and remedies hereunder. If the Collateral Agent brings suit (or files any claim in any bankruptcy, reorganization, insolvency or other proceeding) to enforce any such rights or remedies and shall be entitled to judgment (or other recovery) in such action (or other proceeding) then the Collateral Agent may recover, in addition to all other amounts payable hereunder, its reasonable expenses in connection therewith, including attorneys' fees, and the amount of such expenses shall be included in such judgment (or other form of award).

9. Termination of Security Interest. When and only when all amounts due under the Notes, the Note Indenture, and this Agreement shall have been paid in full, then the Security Interest granted to the Collateral Agent pursuant to this Agreement shall terminate and, at the request and expense of the Debtor, the Collateral Agent will execute and deliver to the Debtor such written evidence thereof, including termination statements, and take such other action as the Debtor may reasonably request.

10. Miscellaneous.

- (a) **Amendments; Waivers.** No amendment, modification, or waiver of any provision of this Agreement shall be binding unless in writing and signed by the party against whom the operation of such amendment, modification, or waiver is sought to be enforced. No delay in the exercise of any right shall be deemed a waiver thereof, nor shall the waiver of a right or remedy in a particular instance constitute a waiver of such right or remedy generally.

Each party hereby agrees that any such court shall have *in personam* jurisdiction over such party and consents to service of process by notice sent by regular mail to the address set forth above and/or by any means authorized by Pennsylvania law.
- (d) **Waiver of Jury Trial.** THE DEBTOR WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS, REMEDIES, OBLIGATIONS, OR DUTIES HEREUNDER, OR THE PERFORMANCE OR ENFORCEMENT HEREOF OR THEREOF. EXCEPT AS PROHIBITED BY LAW, THE DEBTOR WAIVES ANY RIGHT WHICH IT MAY HAVE TO CLAIM OR RECOVER IN ANY LITIGATION REFERRED TO IN THE PRECEDING SENTENCE ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES.

FARMFAN, LLC AND SUBSIDIARY
NOTES TO FINANCIAL STATEMENTS

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Farm Fan, LLC and Subsidiary (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. The accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

1. Nature of Operations

The Company, also doing business as Harvie, was founded in 2019 and established as a limited liability company in 2020. The Company operates an online platform that connects local consumers to local farmers through a customer-friendly CSA/farm share model, including customized shares, payment plans, a Cooking Suggestion Engine and home-delivered grocery service coming directly from local farms and food makers. The company was founded in Pittsburgh, Pennsylvania and serves the surrounding communities. The subsidiary, Harvie Farms Distribution, LLC, was founded in 2020 and serves the distribution side of the business, delivering directly to consumers' homes with the Company's fleet of trucks. Effective January 1, 2021, all operations of Harvie Farms Distribution, LLC were assumed by Farm Fan, LLC.

2. Revenue Recognition

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (ASC 606). The standard clarified the principles for recognizing revenue and creates a common revenue standard. The entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. An entity shall recognize revenue through the following five-step process:

Step 1: Identify the contract(s) with a customer.

Step 2: Identify the performance obligations in the contract.

Step 3: Determine the transaction price.

Step 4: Allocate the transaction price to the performance obligations in the contract.

Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

The Company's primary source of revenue is a pay-as-you-go plan for a home delivered grocery service in which the Company recognizes revenue when the customer accepts or takes physical delivery of the goods at a single point in time when ownership, risks and rewards transfer, net of sales discounts and rebates.

2. Revenue Recognition, continued

In June 2022, the Company launched a membership plan in which customers can pay an upfront fee of \$199 for unlimited free deliveries and for a lower minimum order requirement for one year. In these contracts, revenue received in advance is deferred and recognized each month as performance obligations are considered complete.

	<u>\$ 26,335,785</u>	<u>\$ 30,981,254</u>	<u>\$ 30,273,401</u>

Various economic factors affect revenues and cash flows. The services are principally provided to individual consumers in the Greater Pittsburgh Area.

Contract Balances

The timing of revenue recognition, billings and cash collections can result in billed accounts receivable, unbilled receivables (contract assets), and customer advances and deposits (contract liabilities) on the Balance Sheet. Amounts are billed when the customer accepts or takes physical delivery of the goods at a single point in time when ownership, risks and rewards transfer, net of sales discounts and rebates. Generally, billing does not occur subsequent to revenue recognition. Therefore, there are not any contract assets. Advances or deposits can be received from customers before revenue is recognized. Therefore, there may be contract liabilities at any point in time. The contract liabilities result from the membership plan launched in June 2022.

The ending contract balances were as follows as of:

<u>Source</u>	November 30, <u>2022</u>	December 31, <u>2021</u>	December 31, <u>2020</u>

(Continuation of the notes on the next page.)

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

3. Cash and Cash Equivalents

The Company considers all highly liquid debt instruments purchased with maturities of 90 days or less to be cash equivalents.

4. Accounts Receivable

Accounts receivable are recorded at invoiced prices when invoices are issued. Normal trade receivables are due upon receipt of the invoices. The Company uses the direct write-off method for credit losses. Such method approximates generally accepted accounting principles. It is management's opinion that all receivables on the books are collectible. If accounts become uncollectible, they will be charged to operations when that determination is made. Receivables more than 90 days past due are considered delinquent. There were not any delinquent receivables as of November 30, 2022, December 31, 2021 or 2020. There was not any bad debt expense for the eleven-month period ended November 30, 2022 or the years ended December 31, 2021 and 2020.

5. Inventory

Inventories are stated at the lower of cost or net realizable value. Cost is determined by the first-in, first-out (FIFO) method. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation.

6. Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation. Depreciation is determined using the straight-line method in accordance with generally accepted accounting principles, based on the following useful lives:

Leasehold improvements	15 years
Machinery and equipment	5 years
Vehicles	5 years

Depreciation expense was \$29,444 for the eleven-month period ended November 30, 2022 and \$15,924 and \$1,066 for the years ended December 31, 2021 and 2020, respectively.

Maintenance and repairs are charged to expense as incurred.

7. Income Taxes

The Company, with the consent of its Owner, has elected to be taxed as a disregarded entity since it is structured as a Single Member Limited Liability Company. In lieu of corporation income taxes, the single member of the limited liability company is taxed on the Company's taxable income. Similar provisions apply for state income tax purposes. Therefore, no provision or liability for Federal or State income taxes has been included in the financial statements. Also, under those provisions the Company is not allowed a net operating loss carryover or carryback as a deduction. Instead, the member includes the Company's net income or operating loss in his individual income tax returns.

(Continuation of the notes on the next page.)

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

8. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

The Company uses one significant estimate that it is reasonably possible could change in the near term. This estimate is the depreciation method and lives disclosed at Note A.6.

9. Advertising

The Company expenses advertising costs as incurred. Advertising expense was \$322,564 for the eleven-month period ended November 30, 2022 and \$377,123 and \$66,232 for the years ended December 31, 2021 and 2020, respectively.

10. Shipping and Handling Costs

The Company expenses shipping and handling costs to cost of goods sold.

11. Fair Value of Financial Instruments

The carrying amounts of the Company's financial instruments approximate fair value because of the short maturity of the instruments or because terms are similar to market terms.

12. Principles of Consolidation

The consolidated financial statements include the accounts of Farm Fan, LLC (the Parent) and Harvie Farms Distribution, LLC. The financial statement activity from the subsidiary has been consolidated within the individual line-item presentation of the consolidated financial statements. All material intercompany profits and transactions have been eliminated in consolidation.

NOTE B - BANK LOAN AND REVENUE-BASED FINANCING

In May 2022, the Company opened a \$200,000 revolving line of credit with Chase Bank. The line of credit provides interest at the Bank's prime rate. The outstanding balance under the agreement is due on demand. The amount outstanding as of November 30, 2022 was \$98,476.

In November 2021, the Company opened a \$45,000 line of credit with Citizens Bank. The outstanding balance under the agreement is due on demand and carries a 9% interest rate. The amount outstanding as of November 30, 2022 and December 31, 2021 was \$0 and \$45,000, respectively.

In January 2022, the Company opened a \$110,000 line of credit with Blue Vine. Withdrawals made on the line of credit are repaid in twelve monthly installments and carries a 2.25% interest rate. The amount outstanding as of November 30, 2022 was \$15,117.

(Continuation of the notes on the next page.)

NOTE B - BANK LOAN AND REVENUE-BASED FINANCING, continued

The Company received a loan from a bank in the amount of \$114,800 under the Paycheck Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The loan was subject to a note dated April 12, 2020 and may be forgiven to the extent proceeds of the loan are used for eligible expenditures such as payroll and other expenses described in the CARES Act. In June 2021, the Company applied for and received official forgiveness for the loan under the terms of the CARES Act. The Company recognized \$114,800 as gain on extinguishment of debt during the year ended December 31, 2021.

In accordance with a revenue-based financing agreement, the Company has traded a percentage of the Company's future recurring revenue at a discount for up-front cash. The cash received is secured by the related future revenue stream. The Company traded \$500,623 of contracted revenue at a discount during 2021 for \$456,477 of proceeds. The contracted revenue due on the trade as of December 31, 2021 was \$334,592. The trade is fully paid and closed as of November 30, 2022. The Company traded \$855,174 of contracted revenue at a discount during the eleven-month period ended November 30, 2022 for \$795,555 of proceeds. The contracted revenue due on the trade as of November 30, 2022 was \$505,795. The open trade liability is reflected as a current liability on the consolidated balance sheets as revenue-based financing. The associated discount on the trade is recognized as interest expense.

NOTE C - LONG-TERM DEBT, continued

The aggregate annual amounts of principal payments required on long-term debt obligations for years subsequent to November 30, 2022 are as follows:

<u>November 30,</u>	<u>Amount</u>
2023	\$ 73,221
2024	71,174
2025	67,563
2026	37,996
	<u>\$ 249,954</u>

NOTE D - RISKS AND UNCERTAINTIES

Cash

The Company maintains its cash accounts with two financial institutions, of which up to \$250,000 is insured by the U.S. Federal Deposit Insurance Corporation (FDIC). The Company had \$24,611 in excess of federally insured limits for cash accounts as of November 30, 2022.

Trade Accounts Receivable

Trade accounts receivable potentially subject the Company to concentrations of credit risk. The Company grants credit to its customers and performs ongoing credit evaluations of its customers' financial condition. The Company had extended credit to regular customers (trade accounts receivable) of \$56,232 as of November 30, 2022 and \$0 as of December 31, 2021 and 2020.

Contingencies

Management does not believe there is any litigation pending or threatened against it, which individually or in the aggregate may be expected to have a material adverse effect on the financial statements.

NOTE E - RETIREMENT PLAN

The Company offers a 401(k) retirement plan to eligible employees. The plan was initiated on March 15, 2021 and includes a discretionary employer contribution of 4% of the employee's salary each pay period. The employer expense was \$45,931 for the eleven-month period ended November 30, 2022 and \$51,989 and \$0 for the years ended December 31, 2021 and 2020, respectively.

(Continuation of the notes on the next page.)

NOTE F - COMMITMENTS

The Company currently leases facility space and various vehicles. The future minimum noncancelable operating lease payments due subsequent to November 30, 2022 are as follows:

<u>November 30:</u>	<u>Amount</u>
2023	\$ 27,820
2024	26,820
2025	26,820
2026	26,820
2027	<u>13,410</u>
	<u>\$ 121,690</u>

NOTE G - GOING CONCERN

The Company has prepared its financial statements using the generally accepted principles applicable to a going concern, which contemplate the realization of assets and liquidation of liabilities in the normal course of business. However, as shown in the accompanying financial statements, the Company has sustained substantial losses from operations during the eleven-month period ended November 30, 2022 and year ended December 31, 2021.

The Company has experienced a 52% growth in monthly revenue in November 2022 when compared to December 2021. Additionally, although the Company had a loss of approximately \$443,000 for the eleven-month period ended November 30, 2022, the Company attained profitability during the last four months of the period. Management has increased their efforts to reach economies of scale for their distribution division and anticipates reaching profitability by February 2023. In addition, the technology division continues to remain profitable.

Furthermore, management plans to increase profits by increasing membership service revenue through a more robust advertising campaign in 2023. The Company's subscription-based revenue stream has high margins as customers pay upfront for membership privileges with minimal cost input from the Company. This program was implemented in June 2022 and the Company has seen increased subscriptions every month over that time span.

Additionally, the Company plans to improve their working capital in 2023 by replacing short-term debt, primarily the revenue-based financing, with long-term structured debt arrangements.

Management acknowledges that uncertainty remains over the ability of the Company to meet its funding requirements as they become due. However as described above, management has a reasonable expectation the Company's monthly operation will continue to be profitable and it will generate the earnings to continue in operational existence for the foreseeable future.

(Continuation of the notes on the next page.)

NOTE H - SUBSEQUENT EVENTS

Management has reviewed the financial statements as of January 14, 2023, which is the date the financial statements were available to be issued, and identified one event requiring disclosure in the 2022 financial statements.

In December 2022, the Company received a second loan from HoneyComb in the amount of \$124,000. The note is payable in monthly increments of \$2,712 over 60 months and carries an 11.25% interest rate.
