SUBSCRIPTION AGREEMENT

GENESIS DEVELOPMENT CAPITAL, LLC

THIS SUBSCRIPTION AGREEMENT (this "Agreement") is made on the date set forth on the Signature Page hereof by and between GENESIS DEVELOPMENT CAPITAL, LLC, a Georgia limited liability company (the "Company"), and the person(s) set forth on the Signature Page hereto ("Investor").

BACKGROUND:

Investor is familiar with the Company's business plan and understands both the potential benefits and the potential risk of an investment in the Company and who desires to invest in the Company.

NOW, THEREFORE, and in consideration of the mutual covenants and promises hereinafter set forth, the Company and Investor hereby agree as follows:

1. ***Purchase of Interest.*** The Company hereby agrees to sell, and Investor agrees to purchase and pay for, a limited liability company interest in the Company (the "Interests") in the total amount of \$_____, constituting _____ Interests of the Company, and (assuming the Maximum Offering is achieved) _____% of the Member interests in the Company. The purchase of the Interest is referred to in this Agreement as the "Investment."

2. ***Investor Representations.*** Investor makes the following agreements, representations, warrants, acknowledgments and declarations to the Company, and any representatives, owners, officers, or agents of the Company as follows:

- (a) Investor has full power and authority to enter into this Subscription Agreement, and is duly authorized to execute and deliver the same, and that this Subscription Agreement constitutes a valid, legally binding obligation of the undersigned Investor;
- (b) The Company will not, and will have no obligation, to register any of the Interests under the Act or any other applicable securities law.
- (c) The Company will rely solely upon the truth and accuracy of the acknowledgments, representations, warranties, covenants and agreements that the Investor has made pursuant to this Subscription Agreement, and the Investor will promptly notify the Company if any of the said representations, warranties and covenants made by Investor are no longer accurate or have been breached.
- (d) The Company shall not register the transfer of any Interests to any person or entity not made pursuant to the Act or pursuant to a permissible exemption from the registration requirements of the Act.
- (e) Investor acknowledges and agrees that Investor has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of the prospective investment in the Interests on the basis of the Investor's investment experience, business experience, and/or education.

(f) Investor is acquiring the Interest solely for such Investor's own account for investment purposes only and not with a view to or intent of resale or distribution thereof. Investor hereby agrees with the Company that no portion of the Interest will be sold or otherwise disposed of by Investor unless either (i) the sale or other disposition will be pursuant to a Registration Statement under the Securities Act of 1933, as amended, (the "Act") and any applicable securities laws of any state or other jurisdiction; or (ii) Investor shall have notified the Company in writing of any desire on the part of Investor to sell or dispose of all or part of the Interest and of the manner and terms of the proposed transaction, and the Company shall have been advised in writing by counsel acceptable to it that no registration of the Interest under the Act, or the rules and regulations then in effect thereunder, or any applicable state securities laws, is required in connection with the proposed sale or other disposition; or (iii) the Company has been advised in writing by counsel acceptable to it that based on facts then existing, no registration of the Interest under the Act or the rules and regulations then in effect thereunder, is required for any future sale or disposition thereof by Investor. Investor agrees that only the Company may register the Interests under applicable laws, and that the Company does not intend to do so. Investor agrees that the Company is under no obligation to agree to a transfer of the Interests, and may do so in its sole and absolute discretion.

(g) Investor acknowledges that Investor has, prior to the execution of this Subscription Agreement, has carefully reviewed the Form C and all exhibits thereto, Operating Agreement and this Subscription Agreement, and has had the opportunity to ask questions of, and receive answers from, representatives of the Company concerning the terms and conditions of the sale of the Interests by the Company, and has further been given the opportunity to obtain any additional information which Investor deems necessary to verify the accuracy of the Form C and Subscription Agreement. Investor has been provided with any and all information which Investor has requested regarding this matter to Investor's satisfaction. Investor represents and warrants that he or she has such knowledge and experience in financial and business matters that he or she is capable of evaluating the merits and risks of an investment in the Interest. Investor acknowledges that Investor has been urged to, and afforded the opportunity to, consult with Investor's own financial, legal and tax advisors with respect to the advisability of an investment in the Interest and the federal, state, local and foreign tax consequences arising from the Investment.

(h) Investor agrees that Investor has acquired the Interests only for its own account, not as a nominee or agent or any other person or entity.

(i) Investor recognizes that an investment in the Interests and the Company involves risks, and the Investor fully understands and has been afforded ample opportunity to investigate and understand these risks, and is willing and able to bear the risks related to the purchase of the Interests, including but not limited to risks identified and discussed in the Form C.

(j) Investor acknowledges that no commission, fee, or other compensation has been, or will be paid to any person for soliciting the purchase of the Interests unless such person is appropriately registered under the Act.

(k) Investor acknowledges his, her or its receipt of certain disclosures, including but not limited to a Form C from the Company and the documents and materials referred to therein (the “Investment Information”) regarding the Company's proposed business and finances, including but not limited to a discussion of certain of the risks associated with an investment in the Interest. In purchasing the Interest, Investor has relied solely on such information and Investor’s own independent investigation and (i) is aware that no federal or state agency has made any recommendation or endorsement of the Interest; (ii) recognizes that an investment in the Interest involves a high degree of risk and that neither the Company nor any person purporting to represent the Company can give any assurance that the Company's business ventures will be successful or generate any returns or profits whatsoever; (iii) has reviewed the information regarding certain risks associated with an investment in the Interest, including those set forth in the Investment Information, and is prepared to accept such risks; (iv) represents that he, she or it has adequate means of providing for such Investor’s current financial needs and foreseeable contingencies and has no need for liquidity of its investment in the Interest for an indefinite period of time, (v) represents and warrants that he, she or it can afford the loss of his, her or its entire investment; (vi) is aware that the purchase price of the Interest does not bear any direct relationship to the assets of the Company, book value of the Interest or to any other historically based criteria of value; and (vii) is aware that there is no public market for the Interest and that he, she or it must bear the economic risk of the investment for an indefinite period of time because neither the Interest nor any of the other membership interests in the Company have been registered under applicable securities laws and cannot be sold unless it is subsequently registered under the securities laws or an exemption from registration is available.

(l) All certificates evidencing ownership of the Interest, if any, or replacement or new certificates evidencing same, in the absence of registration under the Act shall bear an appropriate legend to the effect that the Interest evidenced by such certificate are subject to the terms of this Agreement and restrictions set forth in the Company’s Operating Agreement (the “Operating Agreement”).

(m) The Investor acknowledges that no governmental authority has passed upon the Interests or made any finding or determination as to the fairness of this investment. The Memorandum has not been filed with the U.S. Securities and Exchange Commission or any securities administrator under any securities or consumer protection laws.

(n) The Investor covenants and agrees with and for the benefit of the Company that it will not pledge, hypothecate, grant a security or other interest or claim in, or otherwise encumber in any way, any or all of its rights under this Agreement, as security for an obligation to any person, whether the interest is based on common law, statute or contract (including the security interest lien arising from a mortgage, encumbrance, pledge, conditional sale or trust receipt or a lease, consignment or bailment or security purposes), in each case, without the prior written consent of the Company.

(o) The Investor agrees to subscribe for the amount shown on the signature page hereto. Upon the execution of this Subscription Agreement, the Investor shall pay to the Company the full amount of the Investor’s Capital Commitment. The Investor agrees to provide any information reasonably requested by the Company in connection with this

subscription in order to verify the truth and accuracy of the representations contained herein to the Company including, but not limited to, the statements set forth on the Investor Questionnaire forming a part of this Subscription Booklet. This subscription is irrevocable by the Investor, but may be accepted or rejected by the Company, in its discretion.

3. ***Compliance with Securities Laws - “Accredited Investor” (Individuals).*** Investor and the Company agree that the sale of the Interest will be effected without registration under the Act or under the applicable state Blue Sky law in reliance upon the exemption from registration afforded by Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated under the Act.
