Registration Statement on Form F-4 Filed March 17, 2023

Cover Page

1. We note your response to comment 1 and reissue in part. We acknowledge the addition to the cover page of Hong Kong specific regulations addressing cybersecurity and data protection. However, please also address, either here or in the rest of the registration statement, the impact of Hong Kong anti-monopoly regulations and China's Enterprise Tax. As one example only, we note that on page 67 you reference the risk of potential anti-monopoly regulatory actions in Hong Kong with a cross-reference to the risk factor on page 85, but that risk factor contains no anti-monopoly disclosure.

2. We note your response to comment 2 and reissue in part. We note that you do not appear to have relied upon an opinion of counsel with respect to your conclusions that you do not need any additional permissions and approvals from the CAC. If true, state as much and explain why such an opinion was not obtained.
3. We note your response to comment 24 from our letter dated January 26, 2023. We note that out of prudence you filed required documents with the Cybersecurity Review Office on January 28, 2023. Please elaborate upon this disclosure to explain the status of your application and next steps.

Questions and Answers About the Proposals, page 29

4. We note your response to comment 7 and disclosure revisions on page 38. The total pro forma equity value measure does not appear to be a pro forma measure as contemplated in Article 11 of Regulation S-X. Please retitle it to clearly indicate what it represents.

6. Please provide audited financial statements for the year ended December 31, 2022. Refer to Rule 8-08(b) of Regulation S-X.
