Amendment No. 2 to Registration Statement on Form F-1, Filed January 16, 2024

General

1. We note that in the new and amended disclosure you do not appear to have relied upon an opinion of counsel with respect to your conclusions that you do not need any additional permissions and approvals to operate your business and to offer securities to investors, including CAC and CSRC approvals, and you have instead relied on the analysis of your internal legal department. If true, state as much and explain why such an opinion was not obtained.
