FOR IMMEDIATE RELEASE

Roto-Rooter Inc. Signs Letter of Intent to Acquire Franchises
in California, Oregon, Arizona, Utah, and Texas

CINCINNATI, August 29, 2003--Roto-Rooter Inc.

(NYSE:RRR) (OTCBB:CHEQP) today announced that it has a signed letter of intent to purchase the Roto-Rooter franchise operations in Orange County and San Diego, Calif.; Eugene, Portland, and Salem, Ore.; Salt Lake City, Provo, and Park City, Utah; Phoenix and Tucson, Ariz.; and Dallas and El Paso, Texas. The revenues from these combined operations total approximately \$47 million annually.

The franchise operations being acquired serve areas with a population of 20.6 million. Once the acquisition has been completed, Roto-Rooter company-owned locations will offer services in territories encompassing more than 147 million people, or 52 percent of the U.S. population. The total Roto-Rooter system, including franchisees, company-owned branches, and independent contractors, offers services to more than 90 percent of the U.S. population.

The acquisition is expected to close in the fourth quarter of 2003. The purchase price has not been disclosed.

Roto-Rooter President and Chief Executive Officer Kevin J. McNamara said, "This acquisition marks the accomplishment of a major, stated goal for Roto-Rooter. This was the largest

franchisee in the Roto-Rooter system and one of the originals, dating back to 1947. The purchase of these franchise territories enables us to recognize 100 percent of the revenues and income generated. Previously, our revenues and profits from these locations were derived from franchise fees."
