OVERVIEW

WHAT IS DRY BAR UNSCRIPTED?

Dry Bar Unscripted is the world's first platform for improv comedy specials, and the sister channel to Dry Bar Comedy—the world's largest library of clean comedy specials, with over 4 billion views.

Improv comedians have delighted stages all around the world for the past half century, and with your help, we can bring the best into the Dry Bar family.

THE PLAN

Creating a successful online comedy platform requires a volume play that traditional TV networks just don't do.

If we went to Hollywood or Netflix, the most they would give us is a 10-episode run (if we're lucky). How many 1-season TV shows have you seen flop over the years? The Hollywood model is too risky.

To make Dry Bar Unscripted a smash hit, we'll need to produce a lot of improv comedy specials.

Before Dry Bar Comedy became the largest online library of stand-up comedy specials, generating over a billion views a year and millions in streaming revenue, it was a small startup, just like Dry Bar Unscripted.

Dry Bar produced over 75 original comedy specials before it tested into a profitable financial model.

In the next year, we hope to produce over 50 original improv Comedy Specials
