- (1) The price to the public includes the estimated cost of hedging our obligations under the securities through one or more of our affiliates, which includes our affiliates' expected cost of providing such hedge as well as the profit our affiliates expect to realize in consideration for assuming the risks inherent in providing such hedge. For additional related information, please see "Use of Proceeds and Hedging" beginning on PS-24 of the accompanying product supplement no. 3-I.
- (2) The actual price to public and commissions for a particular investor may be reduced for volume purchase discounts depending on the aggregate amount of securities purchased by that investor. The lowest price payable by an investor is \$990.00 per \$1,000 stated principal amount security. Please see "Syndicate Information" on page 8 of the accompanying preliminary terms for further details.
- (3) JPMS, acting as agent for JPMorgan Chase & Co., received a commission of \$30.00 per \$1,000 stated principal amount securities and used all of that commission to allow selling concessions to Morgan Stanley Smith Barney LLC. See "Plan of Distribution (Conflicts of Interest)" beginning on page PS-43 of the accompanying product supplement no. 3-I.
