Recognition:

Corporate Rentals Inc.’s (DBA BookingNinjas.com) founder and CEO, David Harroch, began developing the concept for the world’s first PMS based on Salesforce in 2009 while completing his MBA in Tel Aviv, Israel to help give travelers a better accommodation experience. While managing a small hotel in Tel Aviv, the way it was marketed and service kept guests coming back - this eventually grew the portfolio and led to the birth of BookingNinjas.com.

About:

Corporate Rentals Inc.’s (DBA BookingNinjas.com) Property Management System (PMS) is an all-in-one property management software built to help the hospitality industry automate its tasks. It includes modules that span its customers’ needs like an intuitive booking engine to an easy-to-use channel manager and much more. Booking Ninjas centralizes all of their customers’ software features in one simple and efficient app. Built with robust features and insights from experts across the hospitality industry, Booking Ninjas PMS is a well-rounded, all-in-one solution.
