Uday Kumar Chaturvedi

Managing Director at UV Associates
Bengaluru, Karnataka, India

Summary

I have held CxO positions with Tata Steel (India, Asia and Europe) and Jindal Stainless Steel in a career spanning over 5 decades. I have also been on the board of several companies in my career. My expertise is in manufacturing, supply chain, business turnaround/transformation with a proven track record in successful value creation.

I am currently working independently helping organisations with business excellence, transformation and M&A.
