THE OFFERING AND THE SECURITIES

The Offering

The Company is offering a minimum amount of \$10,000.00 (the “**Target Offering Amount**”) and up to a maximum amount of \$4,844,999.98 (the “**Maximum Offering Amount**”) of Class B Common Stock (the “**Securities**”) on a best efforts basis as described in this Form C (this “**Offering**”), including the anticipated investor transaction fee (see below). The Minimum Individual Subscription Amount is \$515.00 consisting of a 500 share purchase at \$1.00, including an investor fee of 3% (See “**Transaction Fee**” below). The Maximum Individual Subscription Amount is \$1,000,000 (for accredited investors) consisting of a 1,000,000 share purchase at \$1.00 (i.e. an investment of this size would not incur a Transaction Fee because the investment amount exceeds \$2,499.99). The Company reserves the right to amend the Minimum Individual Subscription Amount and Maximum Individual Subscription Amount, in its sole discretion. In particular, the Company may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Subscription Amounts and Maximum Individual Subscription Amounts to Investors participating in such programs without notice. The Company must raise an amount equal to or greater than the Target Offering Amount by March 18, 2025 (the “**Offering Deadline**”). Unless the Company receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled and all committed funds will be returned.

The Offering is being made through DealMaker Securities LLC (the “**Intermediary**”).

Investors participating in the Offering shall be subject to transaction fees (the “**Transaction Fee**”) as follows:

1. For investments between \$500 and \$2499.99, a flat transaction fee of three percent (3%) shall apply.
2. For investments totaling \$2500 or more, no transaction fee shall be charged for the whole amount.

The Company reserves the right to adjust these fees in its sole discretion. The Intermediary will receive a cash commission on this fee. All committed funds will be held in escrow with Enterprise Bank & Trust, a Missouri chartered trust company with banking powers (the “**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Company’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

In order to purchase the Securities, you must make a commitment to purchase by completing the subscription process hosted by the Intermediary (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Company are required to correct any errors or omissions made by the Investor.**

Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the investor will receive their Securities.

The Company will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Company reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Intermediary must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Company continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

The Deal Page

A description of our products, services and business plan can be found on the Company's profile page on the Intermediary's website under <https://invest.musaffa.com> (the "**Deal Page**"). The Deal Page can be used by prospective Investors to ask the Company questions and for the Company to post immaterial updates to this Form C as well as make general announcements. You should view the Deal Page at the time you consider making an investment commitment. Updates on the status of this Offering can also be found on the Deal Page.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline the Company will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor's investment commitment will be cancelled and the committed funds will be returned without interest or deductions.

The Company has agreed to return all funds to Investors in the event a Form C-W is ultimately filed in relation to this Offering, regardless of whether multiple closings are conducted.

Investment commitments are not binding on the Company until they are accepted by the Company, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Company rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

The Securities

We request that you please review this Form C and the Instrument attached as Exhibit B, in conjunction with the following summary information.

Transfer Agent and Registrar

The DealMaker Transfer Agent, LLC will act as the transfer agent and registrar for the Securities.

Investment in the Co-Issuer

Investors will make their investments by investing in interests issued by Musaffa CFV LLC, a Wyoming limited liability company, which is a special purpose vehicle ("SPV"). The SPV will invest all amounts it receives from investors in securities issued by the Company. Interests issued to investors by the SPV will be in book entry form. This means that the investor will not receive a certificate representing his or her investment. Each investment will be recorded in the books and records of the SPV. In addition, investors' interests in the investments will be recorded in each investor's "Portfolio" page on the DealMaker platform. All references in this Form C to an Investor's investment in the Company (or similar phrases) should be interpreted to include investments in a SPV.

Securities Issued by the SPV

Instead of issuing its securities directly to investors, the Company has decided to issue its securities to the SPV, which will then issue interests in the SPV to investors. The SPV has been formed as of November 13, 2023, the filing of Form C. The SPV has conducted audits of its financials and prepared the audit report for the year 2023. The SPV is managed by Dilshod Jumaniyazov, appointed manager of SPV ("Manager") and is a co-issuer with the Company of the securities being offered in this offering (the "Co-Issuer"). The Company's use of the SPV is intended to allow investors in the SPV to achieve the same economic exposure and ability to assert State and Federal law rights, and receive the same disclosures, as if they had invested directly in the Company. The Company's use of the SPV will not result in any additional fees being charged to investors.

The SPV has been organized and will be operated for the sole purpose of directly acquiring, holding and disposing of the Company's securities, will not borrow money and will use all of the proceeds from the sale of its securities solely to purchase a single class of securities of the Company. As a result, an investor investing in the Company through the SPV will have the same relationship to the Company's securities, in terms of number, denomination, type and rights, as if the investor invested directly in the Company.

Voting Rights

If the securities offered by the Company and those offered by the SPV have voting rights, those voting rights may be exercised by the investor or his or her proxy. The applicable proxy is the Lead Investor, if the proxy is in effect.

Restriction on Transferability

The SPV securities are subject to restrictions on transfer, as set forth in the Subscription Agreement and the Operating Agreement of Musaffa CFV LLC, and may not be transferred without the prior approval of the Company, on behalf of the SPV.

Dividends and/or Distributions

The Securities will entitle Investors to distributions and dividends pursuant to the Articles of Incorporation and the Bylaws of the Company, as applicable, if and when such distributions or dividends are paid in the discretion of the Company. The Company cannot guarantee that Investors will received distributions or dividends in respect of the investment.

Dissolution

If there is a **Dissolution Event** (as defined below), subject to the preferences applicable to any other series of stock then outstanding, the Company will distribute all proceeds legally available for distribution with equal priority among the (i) holders of the Securities (on an as converted basis based on a valuation of Common Stock as determined in good faith by the Company's board of directors at the time of the Dissolution Event), (ii) all other holders of instruments sharing in the distribution of proceeds of the Company at the same priority as holders of Common Stock upon a Dissolution Event and (iii) all holders of Common Stock.

A "**Dissolution Event**" means (i) a voluntary termination of operations by the Company, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up of the Company (excluding a Liquidity Event), whether voluntary or involuntary.

Termination

Company may terminate the Offering at any time. The undersigned further understands that during and following termination of the Offering, the Company may undertake offerings of other securities, which may or may not be on terms more favorable to an investor than the terms of this Offering.

Voting and Control

The Securities have no voting rights unless otherwise provided for by the Company.

The Company does not have any voting agreements in place.

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Company.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Company; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. "Member of the family" as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them.

In addition to the foregoing restrictions, prior to making any transfer of the Securities or any capital stock into which they are convertible, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Company with an opinion of counsel reasonably satisfactory to the Company stating that a registration statement is not necessary to effect such transfer.

In addition, the Investor may not transfer the Securities or any capital stock into which they are convertible to any of the Company's competitors, as determined by the Company in good faith.

Furthermore, upon the event of an IPO, the capital stock into which the Securities are converted will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following such IPO.

If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distribute, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the Terms of the Securities, the Nominee has the right to place the securities into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services.

Other Material Terms

- The Company does not have the right to repurchase the Securities.
- The Securities do not have a stated return or liquidation preference.
- The Company cannot determine if it currently has enough capital stock authorized to issue upon the closing of the Offering, because the amount of capital stock to be issued is based on the occurrence of future events including the consummation of the Offering.

Certain Definitions

“Change of Control” as used above, means (i) a transaction or series of related transactions in which any person or group becomes the beneficial owner of more than fifty percent (50%) of the outstanding voting securities entitled to elect the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, in which the outstanding voting security holders of the Company fail to retain at least a majority of such voting securities following such transaction or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

“IPO” as used above, means: (A) the completion of an underwritten initial public offering of Capital Stock by the Company pursuant to: (I) a final prospectus for which a receipt is issued by a securities commission of the United States or of a province of Canada, or (II) a registration statement which has been filed with the United States Securities and Exchange Commission and is declared effective to enable the sale of Capital Stock by the Company to the public, which in each case results in such equity securities being listed and posted for trading or quoted on a recognized exchange; (B) the Company's initial listing of its Capital Stock (other than shares of Capital Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Company with the SEC that registers shares of existing capital stock of the Company for resale, as approved by the Company's board of directors, where such listing shall not be deemed to be an underwritten offering and shall not involve any underwriting services; or (C) the completion of a reverse merger or take-over whereby an entity (I) whose securities are listed and posted for trading or quoted on a recognized exchange, or (II) is a reporting issuer in the United States or the equivalent in any foreign jurisdiction, acquires all of the issued and outstanding Capital Stock of the Company.

COMMISSION AND FEES

Cash Commission

At the conclusion of the Offering, the issuer shall pay a cash fee of seven and a half percent (7.5%) of the amount raised in the Offering to the Intermediary.

Fees

At the conclusion of the Offering, the Intermediary and its affiliates will have also received a one-time set up fee prior to launch of \$15,000 and a \$2,000/month account management and software fee during the Offering.

TRANSACTION PROCESSING

Notifications

Investors will receive periodic notifications regarding certain events pertaining to this Offering, such as the Company reaching its Target Offering Amount, the Company making an early closing, the Company making material changes to its Form C, and the Offering closing at its target date.

Rolling and Early Closings

The Company may elect to undertake rolling closings, or an early closing after it has received investment interests for the Target Offering Amount. During a rolling closing, those investors that have committed funds will be provided five days' notice prior to acceptance of their subscriptions, release of funds to the Company, and issuance of securities to the investors. During this time, the Company may continue soliciting investors and receiving additional investment commitments. Investors should note that if investors have already received their securities, they will not be required to reconfirm upon the filing of a material amendment to Form C. In an early closing, the offering will terminate upon the new target date, which must be at least five days from the date of the notice.

Investor Limitations

Investors are limited in how much they can invest on all crowdfunding offerings during any 12-month period. The limitation on how much they can invest depends on their net worth (excluding the value of their primary residence) and annual income. If either their annual income or net worth is less than \$124,000, then during any 12-month period, they can invest up to the greater of either \$2,500 or 5% of the greater of their annual income or Net worth. If both their annual income and net worth are equal to or more than \$124,000, then during any 12-month period, they can invest up to 10% of annual income or net worth, whichever is greater, but their investments cannot exceed \$124,000. If the investor is an "accredited investor" as defined under Rule 501 of Regulation D under the Securities Act, as amended, no investment limits apply.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. In addition to the risks specified below, the Company is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Risks Related to the Company's Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Company is still in an early phase and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the

problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Company may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Company is attempting to raise in this Offering may not be enough to sustain the Company's current business plan.

In order to achieve the Company's near and long-term goals, the Company may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Company will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, our lack of revenues from sales, as well as the inherent business risks associated with our Company and present and future market conditions. Our business currently does not generate significant sales and future sources of revenue may not be sufficient to meet our future capital requirements. We will require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

We may not have enough authorized capital stock to issue the Securities to investors upon the completion of the Offering.

Unless we increase our authorized capital stock, we may not have enough authorized common stock to be able to obtain funding by issuing shares of our common stock or securities convertible into shares of our common stock. We may also not have enough authorized capital stock to issue shares of common stock to investors upon the conversion of any security convertible into shares of our common stock, including the Securities.

We may implement new lines of business or offer new products and services within existing lines of business.

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

We rely on other companies to provide components and services for our products.

We depend on suppliers and contractors to meet our contractual obligations to our customers and conduct our operations. Our ability to meet our obligations to our customers may be adversely affected if suppliers or contractors do not provide the agreed-upon supplies or perform the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our products may be adversely impacted if companies to whom we delegate manufacture of major components or subsystems for our products, or from whom we acquire such items, do not provide components which meet required specifications and perform to our and our customers' expectations. Our suppliers may be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two contractors or suppliers for a particular component. Our products may utilize custom components available from only one source. Continued availability of those components at acceptable prices, or at all, may be affected for any number of reasons, including if those suppliers decide to concentrate on the production of common components instead of components customized to meet our requirements. The supply of components for a new or existing product

could be delayed or constrained, or a key manufacturing vendor could delay shipments of completed products to us adversely affecting our business and results of operations.

We rely on various intellectual property rights, including trademarks, in order to operate our business.

The Company relies on certain intellectual property rights to operate its business. The Company's intellectual property rights may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our patent rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. The law relating to the scope and validity of claims in the technology field in which we operate is still evolving and, consequently, intellectual property positions in our industry are generally uncertain. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

The Company's success depends on the experience and skill of the board of directors, its executive officers and key employees.

We are dependent on our board of directors, executive officers and key employees. These persons may not devote their full time and attention to the matters of the Company. The loss of our board of directors, executive officers and key employees could harm the Company's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Company does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Company has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Company will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Company and our operations. We have no way to guarantee key personnel will stay with the Company, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We continue to face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including “bugs” and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers’ or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of Individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Company is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Company may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) Company, the Company is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Company’s financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Company of such compliance could be substantial and could have a material adverse effect on the Company’s results of operations.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations, such as local licensing requirements, and retail financing, debt collection, consumer protection, environmental, health and safety, creditor, wage-hour, anti-discrimination, whistleblower and other employment practices laws and regulations and we expect these costs to increase going forward. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease-and-desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we have incurred and will continue to incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

The Company has significant competition from similar platforms, products, and services.

The Company provides a professional social networking platform, and as such, faces competition from other social media platforms and professional networking service providers. Further, social networks are a network good, and therefore attracting new users depends on the platform's existing user base. There can be no guarantee that the platform will acquire enough users to attract sufficient additional users to successfully establish the platform and compete with the Company's competitors.

The markets in which our services are sold are highly competitive. Our services compete against similar products of many large and small companies, including well-known global competitors. In many of the markets and industry segments in which we sell our products, we compete against other branded platforms and services. Product quality, performance, value and packaging are also important differentiating factors.

Litigation

We make a significant effort to keep the company protected from various litigation and claims. As a company operating in a complex environment, we acknowledge that the Company is not immune to the risk of litigation, particularly in the course of its dealings with service providers and employees. However, to mitigate these risks, we have implemented robust contractual arrangements, working on building a comprehensive compliance program, and other dispute resolution processes. We are also investing in preventative measures such as training for our staff, establishing clear communication channels for addressing grievances, and fostering a culture of respect and transparency. Recently, we strengthened our commitment to legal risk management by hiring an in-house lawyer. This addition to our team is aimed at ensuring that our transactions and relationships are structured and managed in a manner that not only meets legal requirements, but also minimizes the potential for disputes. Nevertheless, while we are committed to minimizing the likelihood and potential impact of litigation, it is impossible to entirely negate this risk.

Risks Related to the Offering

State and federal securities laws are complex, and the Company could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

The Company has conducted previous offerings of securities and may not have complied with all relevant state and federal securities laws. If a court or regulatory body with the required jurisdiction ever concluded that the Company may have violated state or federal securities laws, any such violation could result in the Company being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, the Company would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given the Company will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

In addition, if the Company violated federal or state securities laws in connection with a prior offering and/or sale of its securities, federal or state regulators could bring an enforcement, regulatory and/or other legal action against the Company which, among other things, could result in the Company having to pay substantial fines and be prohibited from selling securities in the future.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

The Company's management may have broad discretion in how the Company uses the net proceeds of the Offering.

Unless the Company has agreed to a specific use of the proceeds from the Offering, the Company's management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Company has the right to limit individual Investor commitment amounts based on the Company's determination of an Investor's sophistication.

The Company may prevent any Investor from committing more than a certain amount in this Offering based on the Company's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Company's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Company's determination.

The Company has the right to extend the Offering Deadline.

The Company may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Company attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Company extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Company receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Company receives the Target Offering Amount, at which time it will be released to the Company to be used as set forth herein. Upon or shortly after the release of such funds to the Company, the Securities will be issued and distributed to you.

The Company may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Company can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Company may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Company has the right to conduct multiple closings during the Offering.

If the Company meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur. The Company may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

The Securities will not be freely tradable under the Securities Act until one year from the initial purchase date. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Company. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distribute, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the Terms of the Securities, the Nominee has the right to place the Security into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services.

Investors will not have voting rights.

Investors will not have the right to vote upon matters of the Company. Thus, Investors will essentially never be able to vote upon any matters of the Company unless otherwise provided for by the Company.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Company or to receive financial or other information from the Company, other than as required by law. Other security holders of the Company may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Company can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Company such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

Investors will be unable to declare the Security in “default” and demand repayment.

Unlike convertible notes and some other securities, the Securities do not have any “default” provisions upon which Investors will be able to demand repayment of their investment. Only in limited circumstances, such as a liquidity event, may Investors be entitled to payments and even then, such payments will be limited to the amount of cash available to the Company.

Investors may have to hold the Securities indefinitely.

The Company may never conduct a future equity financing or a liquidity event such as a sale of the Company or an initial public offering. If no liquidity event occurs, Investors could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distribute, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the terms of the Securities, the Nominee has the right to place the Security into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services. The Securities have no voting rights or ability to direct the Company or its actions.

Any Securities may be significantly diluted as a consequence of subsequent equity financings.

The Company's equity securities will be subject to dilution. The Company intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence, holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Company.

The amount of additional financing needed by the Company will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Company with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Company's needs, the Company may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Company. There can be no assurance that the Company will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

In addition, the Company has certain equity grants and convertible securities outstanding. Should the Company enter into a financing that would trigger any conversion rights, the converting securities would further dilute the equity securities receivable by the holders of the Securities upon a qualifying financing.

There is no present market for the Securities and we have arbitrarily set the price.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues or other established criteria of value. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

In the event of the dissolution or bankruptcy of the Company, Investors will not be treated as debt holders and therefore are unlikely to recover any proceeds.

In the event of the dissolution or bankruptcy of the Company, the holders of the Securities that have not been converted will be entitled to distributions as described in the Securities. This means that such holders will only receive distributions once all of the creditors and more senior security holders, including any holders of preferred stock, have been paid in full. No holders of any of the Securities can be guaranteed any proceeds in the event of the dissolution or bankruptcy of the Company.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

Market Landscape

- According to the Pew Research Center:
 - Muslims will grow more than twice as fast as the overall world population between 2015 and 2060 and, in the second half of this century, will likely surpass Christians as the world's largest religious group.
 - While the world's population is projected to grow 32% in the coming decades, the number of Muslims is expected to increase by 70% – from 1.8 billion in 2015 to nearly 3 billion in 2060.
- According to a report released by Boston Consulting Group (BCG) and QED Investors:
 - Global financial technology revenues are projected to grow sixfold from \$245 billion to \$1.5 trillion by 2030.
- According to the British multinational bank Standard Chartered:
 - The global Islamic finance industry currently boasts assets of around \$2.2 trillion.
 - Experts anticipate this figure expanding to \$4.94 trillion by 2025, primarily due to increased investments in Islamic exchange-traded fund (ETF) products.
- According to the Global Islamic Fintech Report by the Qatar Financial Center:
 - In 2021, the Islamic Fintech market in OIC (Organization of Islamic Cooperation) countries, comprising 57 member states with 48 being Muslim majority, was valued at \$79 billion, representing only 0.83% of the global Fintech market size measured by transaction volumes.
 - The Islamic Fintech market is projected to grow at a 17.9% CAGR (Compound Annual Growth Rate), reaching \$179 billion by 2026, surpassing the global Fintech CAGR of 13.5%.
 - The top 6 OIC Fintech markets for Islamic Fintech transaction volume include Saudi Arabia, Iran, Malaysia, the UAE, Turkey, and Indonesia. These markets collectively make up 81% of the OIC Islamic Fintech market, emphasizing two prominent regional hubs within OIC countries for Islamic Fintech.

Many Muslims live in countries with low GDP per capita, like India, Indonesia, Pakistan, Bangladesh, and others. In these regions, traditional financial products are the norm for investments, with limited access to Shariah-compliant options. Musaffa seeks to change this by offering retail Muslim investors access to Shariah-compliant financial products, allowing them to start investing with as little as \$100, including the option to invest in fractional shares. This approach lowers barriers and promotes increased Muslim participation in financial markets, thereby contributing to an improvement in their living standards.

Our digital platform will enable users to register and invest in both regional and US stocks within a single application. We are committed to maintaining the purity and integrity of our platform. Our esteemed Shariah board members carefully oversee every feature to ensure alignment with Islamic principles. We strictly adhere to the highest standards set by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI) and Amanah Advisors, providing authentic Shariah-compliant services.

The rise of digital trading platforms has made investing accessible to more people, thanks to no-minimum investment accounts and zero-commission trading. Fractional share trading, introduced during the pandemic COVID-19, has also boosted trading activity among retail investors.

Despite these advancements, the absence of fully Shariah-compliant trading platforms for Muslim investors persists. Musaffa aims to fill this gap by providing a dedicated Shariah-compliant trading platform.

Competitors

Musaffa is one of the few Shariah-compliant corporations registered in the US, with a global presence spanning 180 countries. With the Islamic Fintech sector in its early stages, there is a notable absence of specialized players catering to the extensive global Muslim population by providing a comprehensive halal trading solution. Musaffa aims to fill this gap with its unique offering of Shariah-compliant trading apps.

To meet the growing demand worldwide for an accurate and data-driven Shariah screening solution, Musaffa launched a global Shariah-compliant stock and ETF screening platform. This initiative is part of our broader vision to offer a full range of investment solutions, including a trading platform, diverse portfolio options, and customized portfolio management services.

Direct Competitor

Our primary competitor in the Islamic Fintech sector is Wahed, serving over 300,000 global customers and managing \$456M+ million of assets under management (AUM). They offer a very limited selection of ETFs (HLAL and UMMA) and mainly serve customers in the UK and Malaysia.

Two significant factors play to our advantage when competing with Wahed:

1. Wahed doesn't allow users to actively manage their investments, such as investing in individual stocks and a variety of ETFs. Instead, they direct users to invest in two pre-designed Shariah-compliant ETFs, HLAL and UMMA, with Wahed managing their portfolios. However, our user surveys and feedback consistently indicate a demand for Islamic Finance education and the ability to independently invest in a broader range of individual stocks and ETFs. Musaffa is in the process of building an all-in-one solution to meet this demand.
2. Wahed has shifted its focus away from the B2C (business-to-customer) market by launching Wahed Ventures, which assists startups in raising funds. This significant shift opens a substantial opportunity for Musaffa in the B2C market on a global scale.

Considering the models outlined in the roadmap, Musaffa faces the following competition:

Other Direct Competitors:

- **In the screening space:** Zoya, Ideal Ratings, Islamically, Finispia, and Muslimxchange.
- **In the investment solutions space:** Baraka Financial Limited, Amal Invest, Raseed Invest, Aghaz Investments, Wealthsimple, Kestrl, Amal Invest, and others.

Indirect Competitors:

Musaffa's primary challenge arises from other conventional trading applications available globally and regionally. These platforms do not focus on Shariah compliance but have a significant share of investors due to their global presence and network. Prominent examples include Robinhood, eToro, TD Ameritrade, Zerodha, Interactive Brokers, and more.

To compete with these platforms and attract the Muslim audience, Musaffa primarily focuses on Islamic Finance education, as demonstrated by Musaffa Academy, while offering Shariah-compliant screening and trading services.

Customer Base

Presently, we offer screening data services to our customers and bill them through an annual subscription fee:

- **B2B customers:** We have paying B2B customers from Turkey and the United Arab Emirates. They are each paying, on average, \$6000 per year.
- **B2C customers:** We have over 2,000 paying B2C customers, generating an estimated annual revenue of over \$100,000, with an average annual subscription fee of \$50. More importantly, by the end of the year 2024, we anticipate exponential growth in both the number of paying users and revenue.

Key Market Differentiators

1. Comprehensive Stock and ETF Screening: Our proprietary financial analysis software will allow us to screen over 120,000+ stocks and 9,000+ ETFs globally for Shariah compliance. Currently, our users can enjoy screening of over 80,000+ stocks and 3,000+ ETFs globally. To the best of our knowledge, our screening solution is the most advanced and accurate in its category on a global scale.

- **B2C Success:** Within two years, the Musaffa app achieved the number 1 global rank in its category with over 850,000 downloads from over 180 countries and a 4.6 rating.
- **B2B Partnerships:** Since the past year, we've established multiple B2B collaborations and continued to offer stock and ETF screening solutions as a paid data service. Initially, we charged our B2B partners around \$3,000 per year for our data services, but as the quality of our data significantly improved, we raised the price up to \$14,000 per year.

Some noteworthy B2B Partners include:

- Baraka Financial Limited (Dubai, United Arab Emirates)
- Hyssa Capital (Istanbul, Turkey)
- Amal Invest (Abu Dhabi, United Arab Emirates)
- Spike Invest (Delaware, USA)
- And more.

Ongoing Agreements: We are currently engaged in discussions with various B2B prospects regarding potential agreements.

2. Proprietary Shariah-Compliant ETF Screening System: Musaffa has pioneered and developed a proprietary Shariah-compliant ETF screening system through extensive collaboration with Shariah boards. Upon securing approval for our unique screening methodology, we granted access to a broad selection of globally listed Shariah-compliant ETFs for both B2B and B2C customers. Remarkably, we've uncovered over 50 Shariah-compliant ETFs among US ETFs, introducing disruption to the Islamic Finance sector.

3. Shariah-Compliant Investment Platform with Compliance Notifications: Musaffa is developing an end-to-end investment platform that should set us apart in the coming years. As a data-driven company, we value user feedback, and based on in-app analytics data, over 42% of our users expressed a need for a trading platform.

Our platform stands out due to its strong focus on real-time compliance notifications, including:

- Short-selling restrictions
- Day trading restrictions
- Portfolio holding compliance changes
- Watchlist compliance changes

We have successfully integrated more than fifteen brokerages into Musaffa, allowing users to sync and monitor their portfolios from other brokerages while ensuring Shariah compliance. Additionally, we have initiated the development of Musaffa's proprietary built-in trading platform. To facilitate this endeavor, we will recruit technology experts and establish a dedicated customer support team to ensure a seamless and successful launch.

Furthermore, we are in discussions with a brokerage firm to gain the necessary technological access required to launch the Shariah-compliant trading platform in 150 countries. Concurrently, we are actively pursuing licenses in Malaysia and the UAE. Our data-driven approach enables us to prioritize launching the trading platform where demand is highest, ensuring the best return on investment.

4. Future Unique Selling Propositions (USPs):

- **Musaffa Proprietary ETFs:** Leveraging our data ownership, we plan to develop a range of Shariah-compliant ETFs tailored to specific countries, sectors, industries, and more.
- **Customized Solutions:** We plan to offer tailored Shariah-compliant portfolios for investors based on their individual preferences, time horizons, risk tolerance, and other factors.

Growth Strategies

Musaffa's strength lies in its ability to operate globally and easily scalable technology infrastructure. The firm's software infrastructure tirelessly connects the platform to its chosen securities, brokers, and custodians globally. This seamless connection allows Musaffa to expand into any part of the world quickly and efficiently.

Organic Growth:

Musaffa intends to increase revenue primarily by pursuing organic growth, which is achieved through the optimization of processes, reallocation of resources, and the introduction of new features. The strategies for organic growth include:

1. **Word of Mouth:** Musaffa has been and plans to expand through this organic growth strategy, supported by 24/7 customer support and a feedback system, which fosters stronger customer-brand relationships.
2. **Referrals:** This is an effective method for Musaffa to acquire new customers. Our referral programs incentivize customers to recommend Musaffa to their friends, family, and network. In return, these customers receive various benefits, including multiple discounts, access to premium features, and third-party rewards.
3. **Strong Social Media Presence:** Musaffa has dedicated significant resources to this source of organic growth. We've established knowledge-based pages on various social media platforms to promote Islamic Finance Education and our brand simultaneously. This content strategy generates shareable material, enhancing our global outreach to diverse audiences.

Acquired Growth:

Musaffa has a well-organized approach to growing its customer base by targeting new audiences through multiple channels. These audiences are already familiar with Musaffa's brand and are in the consideration stage of their journey.

1. **Channel Partnerships:** We collaborate with institutions, influencers, and companies in related industries to introduce Musaffa to their audiences. Recently, we partnered with the French professional footballer Nabil Fekir, FIFA World Cup Champion 2018, who became our brand ambassador. With over 1 million followers on Instagram alone, his endorsement significantly boosts our visibility and credibility. The channel partnership strategy not only expands our reach to new audiences in regions where we have limited or no presence but also enhances the brand's image by leveraging the credibility of our existing partners in

those areas. Moreover, this marketing approach is budgeted quarterly to ensure its effectiveness and sustainability.

2. **Customer Incentives:** To acquire new audiences or encourage our current audience to access premium features, Musaffa creates a range of incentive programs to attract end-users. These programs include promotional offers, free trials, third-party incentives, and more.
3. **Ad Campaigns:** Ad campaigns are an integral part of Musaffa's acquired growth strategy. We expand our customer base in various regions through Social & Display Ads and Search Engine Marketing (SEM). The synergy of our robust social media presence combined with these ad campaigns has enabled Musaffa to grow its audience to over 385,000 individuals across our platform, mobile apps, and social media pages.

Global Business Model & Revenue Streams

Our mission is to democratize access to high-quality financial tools for Islamic investors on a global scale. At Musaffa, we are committed to providing affordable access to Islamic investments, ensuring that Muslim investors do not face any unnecessary financial burden.

The company generates revenue through three primary sources:

1. **Subscriptions:** We are preparing to introduce trading services to retail customers, a privilege traditionally reserved for wealthier investors who engage with brokerages charging substantial annual management fees, often exceeding 0.50% of their assets under management (AUM). Musaffa, using its proprietary screening technology, plans to offer these services to retail clients globally at a significantly reduced cost. Customers are billed on a monthly on an annual basis for an all-inclusive subscription plan, granting them access to:
 - **Comprehensive Stock and ETF Screening:** Access an advanced solution for screening and researching stocks and ETFs globally.
 - **Portfolio Integration:** Seamlessly integrate existing portfolios from a variety of brokerages into the Musaffa platform.
 - **Shariah Compliance Monitoring:** Receive real-time alerts and notifications to ensure portfolios and watchlisted stocks and ETFs comply with Shariah principles.
 - **Trading Platform:** Opening accounts directly within the Musaffa platform and seamlessly conduct screening, research, and investment activities in stocks and ETFs without ever leaving the application.
 - **Purification Amount Calculation:** Utilize real-time calculations to determine the non-halal portion of profits within portfolios, enabling users to allocate these funds to charitable donations

Billing Structure: For providing the above services, the current billing structure varies depending on the region of access:

 - **Monthly subscription fee:** \$5-\$10 per month, totaling \$60-\$120 annually.
 - **Annual subscription:** Discounted substantially, costing \$30-\$90 upfront. This allows Musaffa to receive payment upfront and reinvest the proceeds internally to potentially achieve a higher return on investment.
2. **B2B Data Solutions:** Musaffa also generates revenue by licensing its Shariah-compliant screening solution to other companies in the Islamic finance industry. This strategy allows Musaffa to establish a strong presence and credibility in various global regions. The licensing fee structure comprises three tiers: Starter - \$550/month, Pro - \$900/month, and Premium - \$1,400/month.
3. **Brokerage Partnerships:** The Musaffa Brokerage Partnership model extends the data license solution, positioning Musaffa as a technology partner that connects with its existing partnerships. This arrangement enables Musaffa to offer its customers trading services for regional equities. Revenue is divided in an 80/20 split between Musaffa and the licensed brokerage partners.

As mentioned above, we plan to introduce an annual fee ranging from \$30 to \$90 for customers utilizing the all-in-one trading platform. Our projections indicate that by Q2, 2025, we anticipate having over 100,000 paying customers globally, thereby generating approximately \$6,000,000 in annual recurring revenue. Looking ahead to the end of 2025, our estimate is to have 200,000 paying customers globally, resulting in approximately \$12,000,000 in annual recurring revenue.

Intellectual Property

The Company has not registered any intellectual property including trademarks, copyrights, or patents.

1. **Trademarks:** because trademark rights in the US arise from the **use** of a trademark in commerce and not registration, no registration is necessary for a trademark to be valid and protectable in the US. To avoid future issues in the jurisdictions where the trademark protection starts from the date of registration, we plan registration of the word “Musaffa” and Musaffa logo in the USPTO and the agencies in other jurisdictions.
2. **Copyrights:** Musaffa also compiled a great volume of educational articles and blog posts on its platform under Musaffa Academy. Registration of a copyright, including such articles and blog posts, with the US Copyright Office is not required to secure a copyright, although registration provides additional benefits. Musaffa does not intend to register these articles with the US Copyright Office currently.
3. **Patents:** Musaffa has not engaged an attorney to assess if it can file an application for the protection of any patents. This can be reassessed with access to more funding.

Governmental/Regulatory Approval and Compliance

The Company is subject to and affected by the laws and regulations of U.S. federal, state and local governmental authorities. These laws and regulations are subject to change.

Litigation

The Company is not subject to any current litigation or threatened litigation.

February 23, 2024
To: Board of Directors of Musaffa CFV LLC
Attn: Dilshod Jumaniyaz, CEO
Re: 2023 Financial Statement Audit – Musaffa CFV LLC

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Musaffa CFV LLC, which comprise the balance sheets as of December 31, 2023, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes to the financial statements. In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Musaffa CFV LLC as of the date of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Musaffa CFV LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Musaffa CFV LLC's ability to continue as a going concern.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

229 Park Ave S, Suite 70037
New York, New York 10003
1502

Info@Alice.CPA

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Musaffa CFV LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Musaffa CFV LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Sincerely,

Alice CPA LLC

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023
(AUDITED)

FS - 9

NOTE 1 – NATURE OF OPERATIONS

Musaffa CFV LLC (which may be referred to as the “Company”, “we,” “us,” or “our”), a Wyoming limited liability company, operates pursuant to a limited liability company agreement (the “Agreement”) dated November 13, 2023. The Company was formed on November 13, 2023 with the intent to facilitate the investment in Musaffa, Inc., a Delaware Corporation (“Crowdfunding Issuer”), via a regulation crowdfunding offering. The general purposes of the Company is to acquire hold, dispose of, and otherwise invest in securities of the Crowdfunding Issuer; to exercise all rights, powers, and privileges with respect to securities of the Crowdfunding Issuer; to enter into, make, and perform all contracts in connection with its ownership of Securities of the Crowdfunding Issuer; and to engage in any other lawful activities which are related or incidental to the foregoing purposes.

Since its inception, the Company has relied on contributions from owners to fund its operations. As of December 31, 2023, the Company had not begun operations and will likely incur losses prior to generating positive retained earnings. These matters raise substantial concern about the Company’s ability to continue as a going concern (see Note 6). During the next twelve months, the Company intends to fund its operations with funding from a crowdfunding campaign (see Note 7). If the Company cannot secure additional short-term capital, it may cease operations. These financial statements and related notes thereto do not include any adjustments that might result from these uncertainties.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (“US GAAP”). Any reference in these notes to applicable guidance is meant to refer to U.S. GAAP as found in the Accounting Standards Codification (“ASC”) and Accounting Standards Updates (“ASU”) of the Financial Accounting Standards Board (“FASB”).

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the footnotes thereto. Actual results could differ from those estimates. It is reasonably possible that changes in estimates will occur in the near term.

Risks and Uncertainties

The Company has a limited operating history. The Company’s business and operations are sensitive to general business and economic conditions in the United States. A host of factors beyond the Company’s control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition or changes in consumer taste. These adverse conditions could affect the Company’s financial condition and the results of its operations.

Cash and Cash Equivalents

The Company considers short-term, highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents. As of December 31, 2023, the Company had no cash on hand and has not yet created a bank account.

Property and Equipment

FS - 10

MUSAFFA CFV LLC
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023
(AUDITED)

Property and equipment will be recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are expensed as incurred. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the balance sheet accounts and the resultant gain or loss is reflected in income. As of December 31, 2023, the Company had no property and equipment.

Depreciation will be provided using the straight-line method, based on useful lives of the assets.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. The Company had no impairment as of December 31, 2023.

Fair Value Measurements

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and such principles also establish a fair value hierarchy that prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.
- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

There were no assets or liabilities requiring fair value measurement as of December 31, 2023.

Revenue Recognition

The Company recognizes revenue when persuasive evidence of an arrangement exists, performance has occurred, the fee for the arrangement is fixed or determinable and collectability is reasonably assured. As of December 31, 2023, the Company had not begun recognizing sales.

Organizational Costs

In accordance with FASB ASC 720, organizational costs, including accounting fees, legal fee, and costs of incorporation, are expensed as incurred.

Recent Accounting Pronouncements

In February 2016, FASB issued ASU No. 2016-02, *Leases*, that requires organizations that lease assets, referred to as "lessees", to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases with lease terms of more than 12 months. ASU 2016-02 will also require disclosures to help investors and other financial statement users better understand the amount, timing, and uncertainty of cash flows arising from leases and will include

FS - 11

qualitative and quantitative requirements. The new standard for nonpublic entities will be effective for fiscal years beginning after December 15, 2021. The company evaluated the effect that the updated standard will have on the financial statements and related disclosures, noting no impact.

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date, including those above, that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact our financial statements.

NOTE 3 – INCOME TAX PROVISION

The Company is a limited liability company, treated as a partnership for federal and state income tax purposes with all income tax liabilities and/or benefits of the Company being passed through to the members. As such, no recognition of federal or state income taxes for the Company have been provided for in the accompanying financial statements.

Any uncertain tax position taken by a member is not an uncertain position of the Company.

NOTE 4 – MEMBERS AND OWNERSHIP

The Company has not issued units to any members as of December 31, 2023.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Company is not currently involved with and does not know of any pending or threatening litigation against the Company.

NOTE 6 – GOING CONCERN

These financial statements are prepared on a going concern basis. The Company's ability to continue is dependent upon management's plan to raise additional funds through a crowdfunding campaign, capital contributions from Members and the ability to achieve profitable operations. The financial statements do not include any adjustments that might be necessary if the Company is not able to continue as a going concern.

NOTE 7 – SUBSEQUENT EVENTS

Crowdfunded Offering

The Company is offering (the "Crowdfunded Offering") up to \$4,849,284 in Member units. The Company is planning to raise a minimum amount of \$10,000 in this offering. The Company must receive commitments from investors totaling the minimum amount by the offering deadline listed in the Form C, as amended in order to receive any funds.

The Crowdfunded Offering is being made through Dealmaker (the "Intermediary"). The Intermediary will be entitled to receive a commission fee and/or securities issued in this offering as an intermediary fee.

Management's Evaluation

Management has evaluated subsequent events through February 23, 2024, the date the financial statements were available to be issued. Based on this evaluation, no additional material events were identified that require adjustment or disclosure in the financial statements.

The Crowdfunding Issuer is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not have a material adverse effect on the Company or its business.

(b) Eligibility of the Company to Make an Offering under Section 4(a)(6). The Company and the Crowdfunding Issuer are eligible to make an offering under Section 4(a)(6) of the Securities Act and the rules promulgated thereunder by the SEC.

Upon full execution hereof, this Subscription Agreement shall constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies and (iii) with respect to provisions relating to indemnification and contribution, as limited by considerations of public policy and by federal or state securities laws.

(e) No Filings. Assuming the accuracy of the Subscriber's representations and warranties set forth in this Section 4 hereof, no order, license, consent, authorization or approval of, or exemption by, or action by or in respect of, or notice to, or filing or registration with, any governmental body, agency or official is required by or with respect to the Company in connection with the execution, delivery and performance by the Company and Crowdfunding Issuer of this Subscription Agreement except (i) for such filings as may be required under Section 4(a)(6) of the Securities Act or the rules promulgated thereunder or under any

applicable state securities laws, (ii) for such other filings and approvals as have been made or obtained, or (iii) where the failure to obtain any such order, license, consent, authorization, approval or exemption or give any such notice or make any filing or registration would not have a material adverse effect on the ability of the Company to perform its obligations hereunder.

(f) Financial Statements. Complete copies of the Crowdfunding Issuer's financial statements consisting of the audited balance sheets of the Crowdfunding Issuer as of December 31, 2022, and 2021 and the related statements of income and cash flows for the two-year period ending on December 31, 2022 (the "**Financial Statements**") have been made available to the Subscriber and appear in the Offering Statement and on the site of the Intermediary. In addition, complete copies of the Company's annual financials ending on December 31, 2023, consisting of an audited balance sheet and the related statements of income and cash flows covering the period from Company's formation to the date of the financial statement (the "**SPV Financial Statements**"), have been made available to the Subscriber and appear in the Offering Statement. TaxDrop LLC and Alice.CPA LLC, independent accounting firms operating within the rules and regulations adopted by the SEC, audited the Financial Statements and SPV Financial Statements respectively. The Financial Statements and the SPV Financial Statements comply with the requirements of Rule 201 of Regulation Crowdfunding, as promulgated by the SEC.

(a) Requisite Power and Authority. Such Subscriber has all necessary power and authority under all applicable provisions of law to execute and deliver this Subscription Agreement, the Operating Agreement and other agreements required hereunder and to carry out their provisions. All action on Subscriber's part required for the lawful execution and delivery of this Subscription Agreement and other agreements required hereunder have been or will be effectively taken prior to the Closing. Upon their execution and delivery, this Subscription Agreement and other agreements required hereunder will be valid and binding obligations of Subscriber, enforceable in accordance with their terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (b) as limited by general principles of equity that restrict the availability of equitable remedies.

Subscriber also understands that the Securities are being offered and sold pursuant to an exemption from registration contained in the Act based in part upon Subscriber's representations contained in this Subscription Agreement.

(c) Manner of Holding. Subscriber understands that the Subscriber is investing into the Company, which will serve as a "crowdfunding vehicle" for an investment between the Company and the Crowdfunding Issuer. The Company will maintain records of securityholders and, subject to the terms of the Operating Agreement, provide rights as if the Subscriber invested directly into the Crowdfunding Issuer.

(d) Illiquidity and Continued Economic Risk. Subscriber acknowledges and agrees that there is no ready public market for the Securities and that there is no guarantee that a market for their resale will ever exist. Subscriber must bear the economic risk of this investment indefinitely and the Company has no obligation to list the Securities on any market or take any steps (including registration under the Securities Act or the Securities Exchange Act of 1934, as amended) with respect to facilitating trading or resale of the Securities. Subscriber acknowledges that Subscriber is able to bear the economic risk of losing Subscriber's entire investment in the Securities. Subscriber also understands that an investment in the Company involves significant risks and has taken full cognizance of and understands all of the risk factors relating to the purchase of Securities.

(e) Resales. Subscriber agrees that during the one-year period beginning on the date on which it acquires Securities pursuant to this Subscription Agreement, it shall not transfer such Securities except:

(i) To the Company;

(ii) To an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act;

(iii) As part of an offering registered under the Securities Act with the SEC; or

(iv) To a member of the Subscriber's family or the equivalent, to a trust controlled by the Subscriber, to a trust created for the benefit of a member of the family of the Subscriber or equivalent, or in connection with the death or divorce of the Subscriber or other similar circumstance.

(f) Investment Limits. Subscriber represents that either:

(i) Either of Subscriber's net worth or annual income is less than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, including the Transaction Fees if any, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is either less than (A) 5% of the greater of its annual income or net worth, or (B) \$2,500; or

(ii) Both of Subscriber's net worth and annual income are more than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, including the Transaction Fees if any, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is less than 10% of the greater of its annual income or net worth, and does not exceed \$124,000; or

(iii) Subscriber is an “accredited investor” within the meaning of Rule 501 of Regulation D under the Securities Act, and no investment limits shall apply.

(g) Subscriber Information. Within five days after receipt of a request from the Company, the Subscriber hereby agrees to provide such information with respect to its status as a securityholder and to execute and deliver such documents as may reasonably be necessary to comply with any and all laws and regulations to which the Company or the Crowdfunding Issuer is or may become subject. **Subscriber further agrees that in the event it transfers any Securities, it will require the transferee of such Securities to agree to provide such information to the Company or the Crowdfunding Issuer as a condition of such transfer.**

(h) Crowdfunding Issuer Information. Subscriber has read the Offering Statement. Subscriber understands that the Crowdfunding Issuer is subject to all the risks that apply to early-stage companies, whether or not those risks are explicitly set out in the Offering Materials. Subscriber has had an opportunity to discuss the Crowdfunding Issuer’s business, management and financial affairs with managers, officers and management of the Crowdfunding Issuer or has had the opportunity to review the Crowdfunding Issuer’s operations and facilities. Subscriber has also had the opportunity to ask questions of and receive answers from the Crowdfunding Issuer and its management regarding the terms and conditions of this investment. Subscriber acknowledges that except as set forth herein, no representations or warranties have been made to Subscriber, or to Subscriber’s advisors or representative, by the Crowdfunding Issuer or others with respect to the business or prospects of the Crowdfunding Issuer or its financial condition.

(i) Valuation. The Subscriber acknowledges that the price of the Securities was set by the Crowdfunding Issuer on the basis of the Crowdfunding Issuer’s internal valuation and no warranties are made as to value. The Subscriber further acknowledges that future offerings of Securities may be made at lower valuations, with the result that the Subscriber’s investment will bear a lower valuation.

(j) Domicile. Subscriber maintains Subscriber’s domicile (and is not a transient or temporary resident) at the address provided with Subscriber’s subscription.

(k) Foreign Investors. If Subscriber is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Subscriber hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. Subscriber’s subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Subscriber’s jurisdiction.

6. Indemnity. The representations, warranties and covenants made by the Subscriber herein shall survive the expiration or termination of this Agreement. The Subscriber agrees to indemnify and hold harmless the Company, the Crowdfunding Issuer and their respective officers, directors and affiliates, and each other person, if any, who controls the Company or the Crowdfunding Issuer, as the case may be, within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense whatsoever (including, but

not limited to, any and all reasonable attorneys' fees, including attorneys' fees on appeal) and expenses reasonably incurred in investigating, preparing or defending against any false representation or warranty or breach of failure by the Subscriber to comply with any covenant or agreement made by the Subscriber herein or in any other document furnished by the Subscriber to any of the foregoing persons or entities in connection with this transaction.

7. Transfer Restrictions.

(a) "Market Stand-Off" Agreement. Each Subscriber hereby agrees that it will not, without the prior written consent of the managing underwriter or financial advisor to the Crowdfunding Issuer (as applicable), during the period commencing on the date of the final prospectus relating to the registration by the Crowdfunding Issuer of its securities under the Securities Act on a registration statement on Form S-1 or Form S-3, and ending on the date specified by the Crowdfunding Issuer and the managing underwriter (such period not to exceed one hundred eighty (180) days in the case of the initial public offering (the "IPO") or any merger with or into a special purpose acquisition company ("SPAC"), or such other period as may be requested by the Crowdfunding Issuer or an underwriter or financial advisor to accommodate regulatory restrictions on (1) the publication or other distribution of research reports, and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), or ninety (90) days in the case of any registration other than the IPO, or such other period as may be requested by the Crowdfunding Issuer, its financial advisors or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Securities (or other securities, whether such shares or any such securities are then owned by the Subscriber or are thereafter acquired) or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Securities, in cash, or otherwise. The foregoing provisions of this Section 7(a) shall not apply to the sale of any securities to an underwriter pursuant to an underwriting agreement, or the transfer of any securities to any trust for the direct or indirect benefit of the Subscriber or the immediate family of the Subscriber, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Subscribers only if all officers and directors are subject to the same restrictions. The financial advisors of the Crowdfunding Issuer or its underwriters in connection with such registration are intended third party beneficiaries of this Section 7(a) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Subscriber further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 7(a) or that are necessary to give further effect thereto. For purposes of this Section 7(a), the term "Crowdfunding Issuer" shall include any wholly owned subsidiary of the Crowdfunding Issuer into which the Crowdfunding Issuer merges or consolidates. In order to enforce the foregoing covenant, the Crowdfunding Issuer may impose stop transfer instructions with respect to the Subscriber's registrable securities of

the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the foregoing restriction) until the end of such period. The Subscriber agrees that a legend reading substantially as follows may be placed on all certificates representing all of such Subscriber's registrable securities of the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the restriction contained in this Section 7(a)):

THE INTERESTS REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND HAVE BEEN ISSUED PURSUANT TO SECTION 4(A)(6) OF THE SECURITIES ACT AND REGULATION CROWDFUNDING PROMULGATED THEREUNDER. THE TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION, OR OTHER DISPOSITION IS LIMITED BY SUCH LAW AND REGULATION."

(b) Further Limitations on Disposition. Without in any way limiting the representations and warranties set forth in this Agreement, the Subscriber agrees not to make any disposition of all or any portion of the Securities unless and until (x) the requirements for transfer under the Crowdfunding Issuer's Amended and Restated Bylaws and Company's Operating Agreement have been satisfied, and (y) the transferee has agreed in writing for the benefit of the Crowdfunding Issuer and the Company to make the representations and warranties set out in Section 5 and the undertaking set out in Section 7(a) of this Agreement and:

(i) there is then in effect a registration statement under the Securities Act covering such proposed disposition, and such disposition is made in connection with such registration statement; or

(ii) such Subscriber has (A) notified the Crowdfunding Issuer and the Company of the proposed disposition; (B) furnished the Crowdfunding Issuer and the Company with a detailed statement of the circumstances surrounding the proposed disposition; and (C) if requested by the Crowdfunding Issuer and the Company, furnished the Crowdfunding Issuer and the Company with an opinion of counsel reasonably satisfactory to the Crowdfunding Issuer and the Company that such disposition will not require registration under the Securities Act.

assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

9. WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS, THE COMPANY'S OR THE CROWDFUNDING ISSUER'S SECURITIES, OR THE SUBJECT MATTER HEREOF OR THEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. EACH PARTY HERETO HEREBY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

The award rendered by the arbitrator shall be final, non-appealable and binding on the parties and may be entered and enforced in any court having jurisdiction. There shall be one arbitrator agreed to by parties within twenty (20) days of receipt by respondent of the request for arbitration or, in default thereof, appointed by the AAA in accordance with its Commercial Rules. The place of arbitration shall be New York, NY. Except as may be required by law or to protect legal rights, neither a party nor the arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of the other parties. If the dispute cannot be resolved through arbitration, then the parties shall proceed with judicial proceedings as set forth in Section 8 and Section 10.

The Company will, at all times, operate as a “Crowdfunding Vehicle,” as described by Investment Company Act Rule 3a-9 (17 CFR § 270.3a-9). This Agreement is intended to sets forth the rights, duties, obligations, and responsibilities of the Members and the Manager with respect to the Company. The Members and the Manager hereby agree as follows:

Article 1. Formation of the Company

Section 1.1 Limited Liability Company

Musaffa CFV LLC was formed as a Wyoming limited liability company (the “Company”) by executing and delivering the Articles of Organization in accordance with the Wyoming Limited Liability Company Act, as codified in the Wyoming Statutes, Title 17, Chapter 29 (the “WLLCA”), and the rights and liabilities of the Members shall be as provided in the WLLCA except as may be modified in this Agreement.

There are, therefore, certain restrictions, as expressed in this Agreement, that attach to and affect both ownership of the Units and the Transfer of those Membership Interests. Those restrictions upon ownership and Transfer are not intended as a penalty, but as a method to protect and preserve existing relationships based upon trust and to protect the Company’s capital and ability to continue to operate.

Section 1.7 Term of the Company

The term of the Company shall commence on the Formation Date and shall last in perpetuity or exist until such time as the winding up and liquidation of the Company and its business is completed, following a liquidating event, as provided herein.

In this regard, the Manager shall, if appropriate, file IRS Form 8832, Choice of Entity, as well as any forms necessary or appropriate to classify the Company as a partnership under the laws of any jurisdiction in which the Company transacts business. All money received from Members shall be used to purchase non-voting Class B Common Stock of Musaffa, Inc. The Company shall maintain a one-to-one relationship between the number, denomination, type and rights of the Class B Common Stock of Musaffa, Inc. it owns and the number, denomination, type and rights of its securities outstanding. Section 3.5 Crowdfunding Issuer to Reimburse Expenses

The expenses associated with its formation, operation, or winding up of the Company will be paid by the Crowdfunding Issuer or one of its Affiliates.

Article 4. Distributions and Allocations

Section 4.1 Distributions

The Manager may elect from time to time to make distributions to the Members, whether in the form of cash or Securities, and the amount and timing of such distributions will be determined by the Manager in its reasonable discretion. Such distributions shall be pro-rata to each Member in proportion to the number of Units held.

Section 4.2 Allocation of Profits and Losses

After giving effect to the special allocations described in Section 4.3, and after making all the other adjustments to the Members' Capital Accounts called for by this Agreement, the Company shall allocate all Profits, Losses, and similar tax items to the Members pro-rata, in proportion to their Membership Interests.

Allocation of Profits and Losses may be modified by subsequent agreement to conform to adjustments made to the Membership Interests because of any non-uniform distributions of cash and any liquidating distributions.

Section 4.3 Special Allocations

a. Qualified Income Offset. If a Member, or applicable Assignee, unexpectedly receives any adjustments, allocations, or distributions described in Regulations §§ 1.704-1(b)(2)(ii)(d)(4)-(d)(6), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to each such Person in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Capital Account of such Person as quickly as possible, provided that an allocation pursuant to this Section shall be made only if and to the extent that such Person would have a negative Capital Account after all other allocations provided for in this Article 4 have been tentatively made as if this Section were not in the Agreement.

b. Section 704(c) Allocations. In accordance with Internal Revenue Code § 704(c) and the applicable Regulations issued pursuant to Internal Revenue Code § 704(c), income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members, or applicable Assignees, so as to take into account any variation between the adjusted basis of such property to the Company for federal income tax purposes and initial Gross Asset Value of such property. In the event the Gross Asset Value of any Company Asset is adjusted pursuant to this Agreement, subsequent allocations of income, gain, loss, and deduction with respect to such property shall take into account any variation between the adjusted basis of such property for federal income tax purposes and Gross Asset Value of such property in the same manner as under Internal Revenue Code § 704(c) and the Regulations. Any elections or other decisions relating to such allocations shall be made by the Manager in any manner that reasonably reflects the purpose of this Agreement. Allocations made pursuant to this Section are solely for purposes of federal, state, and local taxes and shall not affect or in any way be taken into account in computing any Member's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

c. Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Agreement, Profits and Losses shall be allocated as though this Agreement contained (and therefore is hereby incorporated herein by reference) minimum gain chargeback and partner minimum gain chargeback provisions, which comply with the requirements of Regulations § 1.704-2. For purposes of applying the minimum gain chargeback, non-recourse deductions for any taxable year shall be specially allocated among the Members, or applicable Assignees, in the same proportions that Losses for any such year would be allocated under Section 4.2.

d. Allocations in Event of Re-characterization. If transactions between the Company and Members, or applicable Assignees, are re-characterized, imputed, or otherwise treated in a manner the effect of which is to increase or decrease the Profits or Losses of the Company, and correspondingly decrease or increase the taxable income, deduction, or loss of one or more Members or applicable Assignees, the allocations set forth in this Article shall be adjusted to eliminate, to the greatest extent possible, the consequences of such re-characterization or imputation.

e. Other Allocations. The Manager shall make such other special allocations as are required in order to comply with any mandatory provision of the Regulations or to reflect a Member's or applicable Assignee's economic interest in the Company, determined with reference to such Person's right to receive distributions from the Company.

Section 4.4 Imputed Underpayments

a. Modifications of Imputed Underpayments. Other than as is otherwise expressly stated in this Agreement, the Manager may make any request for modifications of an "imputed underpayment" to the IRS, or cause the Partnership Representative or other Person to make any such request for any such modification, under the Internal Revenue Code as the Manager deems to be in the best interests of the Company, even if such an election has a negative effect on the Capital Account of one or more current or former Members.

b. Election in the Event of an Imputed Underpayment. In the event that the IRS determines that there is one or more "imputed underpayments" for any taxable year, then the Partnership Representative is hereby expressly authorized and directed to make an election under § 6226 under the Internal Revenue Code as set forth in the rules released on January 2, 2018, or their successors or replacements, without the vote or consent of the Members, within forty-five (45) days of the date the respective final partnership adjustment is mailed to the Company. In the event that the Partnership Representative chooses to make such an election, each Member's share of the adjustment shall be calculated as follows:

i. For an adjustment that involves the allocation of an item to a specific Member or former Member or in a specific manner, including a reallocation of an item, each Member's or former Member's share of the adjustment, and any amounts attributable to such adjustment, shall be the total amount of the item that should have been allocated in the Reviewed Year; and

ii. For all other adjustments, the total adjustment, and any amounts attributable to such adjustment, shall be allocated as such items should have been allocated as described in subsection Section 4.2 above, and any other applicable provisions of this Agreement, in the Reviewed Year.

Article 5. Management of the Company

Section 5.1 General Authority of the Manager

Subject to the specific rights given the Members in this Agreement, all decisions respecting any matter affecting or arising out of the conduct of the business of the Company shall be made by the Manager, who shall have the exclusive right and full authority to manage, conduct, and operate the Company's business.

The Manager shall direct, manage, and control the Company to the best of its ability and shall have full and complete authority, power, and discretion to make any and all decisions and to do any and all things that such Manager may deem to be reasonably required to accomplish the purpose of the Company.

The Manager shall manage and administer the Company according to this Agreement and shall perform all duties prescribed for a manager by the WLLCA.

Section 5.2 Actions of the Manager

joinder of any other Manager, and any authority granted to the Manager under this Agreement or by the WLLCA may be duly exercised by any single Manager.

Section 5.3 Authority to Make or Terminate Tax Elections

The Manager may, but shall not be required to, cause the Company to make or terminate any elections applicable to the Company for federal and state income tax purposes, as the Manager deems to be in the best interests of the Members and the Company, without prior Notice to any Member. Such elections shall include, but are not limited to, an optional adjustment to basis election under § 754 of the Internal Revenue Code relating to distributions of Company Assets in a manner provided for in § 734 of the Internal Revenue Code and, in the case of a Transfer of a Unit, in a manner provided for in § 743 of the Internal Revenue Code.

Section 5.4 Delegation to Agent

The Manager may delegate or proxy to any agent the power to exercise any or all powers granted such Manager as provided in this Agreement, including those that are discretionary, if allowed by law. The delegating Manager may terminate any delegation at any time. The delegation of any such power, as well as the revocation of any such delegation, shall be evidenced by an instrument in writing executed by the delegating Manager.

Section 5.5 Officers

The Manager is authorized to appoint one or more officers from time to time and to delegate authority thereto. The officers shall hold office until their successors are chosen and qualified. Subject to any employment agreement entered into between the officer and the Company, an officer shall serve at the pleasure of the Manager.

Section 5.6 Specific Powers of the Manager

Without limiting the authority set forth in Section 5.1, the Manager shall have power and authority on behalf of the Company to:

- a. Issue Units in accordance with this Agreement;
- b. Acquire, hold, dispose of, and otherwise invest in securities of the Crowdfunding Issuer;
- c. Execute on behalf of the Company all instruments and documents necessary to the business of the Company;
- d. Amend this Agreement pursuant to Section 14.3;

- f. Disburse Distributable Cash, invest Capital Contributions in securities of the Crowdfunding Issuer, and pay fees and expenses as set forth in this Agreement;
- g. Employ, contract with, and/or dismiss agents, employees, contractors, brokers, accountants, legal counsel, managing agents, or other Persons to perform services for the Company, so long as all expenses associated with its formation, operation, or winding up of the Company are paid or reimbursed by the Crowdfunding Issuer or an Affiliate;

h. Institute, prosecute, defend, settle, compromise, and dismiss actions or proceedings brought by, on behalf of, or against the Company; and

i. Do and perform all other acts as may be necessary or appropriate to conduct the Company's business.

Article 6. The Manager

Section 6.1 The Manager

The Manager shall manage and administer Company Assets and perform all other duties prescribed for a manager by the WLLCA. The Company must have at all times at least one Manager. No other Person shall have any right or authority to act for or bind the Company except as permitted in this Agreement or as required by law. The Manager shall have no personal liability for the obligations of the Company.

Section 6.2 Extent and Scope of Services

During the existence of the Company, the Manager shall devote such time and effort to the Company's business as the Manager, in its sole discretion, determines to be necessary to promote adequately the interest of the Company and the mutual interest of the Members.

It is specifically understood and agreed that the Manager and its Affiliates shall not be required to devote full time to the Company's business.

The Manager and any of the Manager's Affiliates may engage in and possess interests in other business ventures of any and every type or description, independently or with others. Neither the Company nor any Member shall have any right, title, or interest in or to such independent ventures of the Manager. The Manager and the Manager's Affiliates may compete with the Company through any such independent venture, without liability to the Company for so doing.

Notwithstanding any fiduciary duty owed by the Manager to the Company or the Members, the Manager is under no obligation to present any investment opportunity to the Company, even if such opportunity is of a character that, if presented to the Company, could be taken by the Company for its own account.

Section 6.3 Employment of Professionals

The Company may employ such brokers, agents, accountants, attorneys, and other advisors as the Manager may determine to be appropriate for the Company's business. The Company may employ Affiliated or unaffiliated service providers as necessary or convenient to facilitate the operations of the Company, so long as the cost of such employment is paid by (or reimbursed by, if paid by the Company) the Crowdfunding Issuer or its Affiliates. Alternatively, the Crowdfunding Issuer or its Affiliates may provide such services to the Company using its own in-house personnel.

Section 6.4 Voluntary Withdrawal of a Manager

A Manager of the Company may resign at any time by giving written Notice to all of the Members of the Company. The resignation of a Manager shall take effect ninety (90) days after receipt of Notice thereof or at such other time as shall be specified in such Notice or otherwise agreed between the Manager and Members. The acceptance of such resignation shall not be necessary to make it effective.

Section 6.5 Removal of a Manager

A Manager may be removed for Good Cause by Members holding seventy-five percent (75%) of the voting Membership Interests. For purposes of the foregoing, “Good Cause” means that the Manager conducted itself on behalf of the Company in a manner that (i) constitutes gross negligence or willful misconduct, and (ii) has a material, adverse effect on the Company. In the event the Members vote to remove a Manager for Good Cause, the Manager shall have the right to submit the question of whether sufficient grounds for removal exist to binding arbitration to be conducted as further described in the Agreement.

If a Manager is removed for Good Cause, its rights to any Units it holds will be unaffected including its right to vote and receive Distributable Cash pursuant to Section 4 above. No Member, including the Manager, if applicable, will have any special right to withdraw upon a removal of a Manager.

Section 6.6 Additional Managers

At any time, the Manager, in its sole discretion, may designate any Person (regardless of whether a Member) a Manager. If all of the Managers withdraw, are removed, or otherwise cannot serve as Managers for any reason, a majority of voting Membership Interests shall, within ninety (90) days after the date the last remaining Manager has ceased to serve, designate one or more new Managers effective as of the date of such withdrawal, removal, or inability to serve. Any Person becoming a Manager will automatically have the rights, authorities, duties, and obligations of a Manager under the Agreement.

Section 6.7 Management Compensation

The Manager will not receive compensation for its services to the Company, unless that compensation is paid by the Crowdfunding Issuer or its Affiliates. The Crowdfunding Issuer or its Affiliates (and not the Company) shall reimburse the Manager as may be appropriate in the event that the Manager pays an obligation that is properly the responsibility of the Company.

Article 7. The Members

Section 7.1 Member Identification

The Units will be uncertificated. All Members of the Company and their Units shall be listed on Exhibit B, which is incorporated and made a part hereof, or tracked by a Transfer Agent retained by the Crowdfunding Issuer. Unless ownership is tracked by a Transfer Agent, the Manager shall update Exhibit B from time to time as necessary to accurately reflect the information contained therein.

Section 7.2 Limited Liability of Members

No Member shall be required to make any contribution to the capital of the Company for the payment of any Losses or for any other purposes; nor shall any Member be responsible or obligated to any third party for any debts or liabilities of the Company in excess of the sum of that Member’s total Capital Contribution and share of any undistributed Profits of the Company.

Section 7.3 No Right for a Member to Participate in Management, Withdrawal, or Cause Dissolution

No Member, other than a Manager who is additionally a Member, may participate in the management and operation of the Company’s business or its investment activities or bind the Company to any obligation or liability whatsoever.

No Member shall have the right to withdraw from the Company or to receive a return of any of its contributions to the Company until the Company is terminated and its affairs wound up.

No Member shall have the right or power to cause the dissolution and winding up of the Company by court decree or otherwise.

Section 7.4 Right of Members to be Consulted Regarding Voting and Tender or Exchange Offers

The Manager must consult with and follow the instructions of the Majority of Members prior to (1) voting the Crowdfunding Issuer securities held by the Company and (2) participating in tender or exchange offers or similar transactions conducted by the Crowdfunding Issuer.

With regards to any of these actions, the Manager shall seek instructions from each Member and vote the Crowdfunding Issuer securities held by the Company in the same proportion as the Instructions proceed. For example, if the Company holds 100 shares of the Crowdfunding Issuer, and holders of 70% of the Company's Units instruct the Manager to vote yes, 24% of the Company's Units instruct the Manager to vote no on a particular action, and 6% do not provide instructions, the Manager shall cause the Company to have 70 of its shares vote "yes," 24 of its share vote "no," and the remaining 6 shares not vote.

Section 7.5 Right of Members to Direct Company to Assert Shareholder Rights

Each Member shall have the right to direct the Company to assert those rights under State and Federal law that the Member would have if he or she had invested directly in the Crowdfunding Issuer. The Member asserting such rights shall pay for or reimburse the Company for all costs incurred because of such assertion (unless the Crowdfunding Issuer agrees to pay such costs), but the Company and its Manager shall have a duty to minimize these costs as much as reasonably practical.

Section 7.6 Breach of this Agreement

A Member will breach this Agreement if the Member:

- a. Attempts to withdraw from the Company, other than as permitted herein;
- b. Interferes in the management of the Company's affairs;
- c. Engages in conduct which results in the Company losing its tax status as a partnership; or
- d. Fails to discharge a legal duty to the Company.

A Member who is in breach of this Agreement shall be liable to the Company for damages caused by the breach. The Company may offset for the damages against any distributions or return of capital to the Member who has breached this Agreement.

Section 7.7 Voting

The Members' consent or vote of not less than a Required Interest shall be required to cause the Company to do anything set forth in this Section, except as otherwise set forth in this Agreement. No Member shall have the right to vote on Company actions except as described in this Section.

The Members, but not Assignees, shall have the right to vote on the following matters:

- a. The removal of a Manager, as set forth in Section 6.5, or appointment of an additional Manager, as set forth in Section 6.6;
- b. Amendment of the Agreement, other than as described in Section 14.3;
- c. Any action by the Company which would result in the sale of Class B Common Stock of Musaffa, Inc., or the exchange of such any such stock for any other Securities (unless such exchange is in accordance with a plan by Mustaffa, Inc. to exchange all of its Class B Common Stock for a different security, in which case any vote by the Company concerning such plan will be governed by Section 7.4);
- d. Such other matters as are required by this Agreement or the WLLCA.

Article 8. Meetings and Notice

Section 8.1 Annual Meetings

No annual meeting of the Manager or the Members is required.

Section 8.2 Special Meetings

Special meetings of the Members or Manager may be called by the Manager or by Members holding at least ten percent (10%) of the Membership Interests entitled to vote. Special meetings of the Members or Manager shall be called upon delivery to the Members and Manager of a Notice of a special meeting given in accordance with Section 8.3.

Section 8.3 Notice of Meetings

At least ten (10), but no more than sixty (60), days before the date of a meeting, the Company shall deliver a Notice stating the date, time, and place of any meeting of the Members or Manager, and a description of the purposes for which the meeting is called, to each Manager and each Member entitled to vote at the meeting, at such address as appears in the records of the Company.

Section 8.4 Waiver of Meeting Notice

A Member or Manager may waive notice of any meeting, before or after the date and time of the meeting as stated in the Notice, by delivering a signed waiver to the Company for inclusion in the minutes. A Member's or Manager's attendance at any meeting, in person or by proxy, waives objection to lack of notice or defective notice of the meeting, unless the Member or Manager, at the beginning of the meeting, objects to holding the meeting or transacting business at the meeting. A Member or Manager waives objection to consideration of a particular matter at the meeting that is not within the purposes described in the meeting Notice, unless the Member or Manager objects to considering the matter when it is presented.

Section 8.5 Voting by Proxy

A Member or Manager may appoint a proxy to vote or otherwise act for such Member or Manager pursuant to a written appointment executed by the Member or Manager or such Persons duly authorized as attorney-in-fact. An appointment of a proxy is effective when received by the secretary or other officer or agent of the Company authorized to tabulate votes. The general proxy of a fiduciary is given the same effect as the general proxy of any other Member or Manager. A proxy appointment is valid for an unlimited term unless otherwise expressly stated in the appointment form or unless such authorization is revoked by the Member or Manager who issued the proxy.

Section 8.6 Action by Consent

Any action required or permitted to be taken at a meeting of the Members or Manager may be taken without a meeting if the action is taken by Members holding sufficient voting Units, or Manager with sufficient authority, to vote on the action. The action must be evidenced by one or more written consents describing the action taken, which consents, in the aggregate, are signed by sufficient Membership Interests entitled to vote on the action and delivered to the Company for inclusion in the minutes.

Section 8.7 Quorum

A quorum for a meeting of the Members shall be the Members holding at least a majority in interest of the Membership Interests entitled vote.

Section 8.8 Presence

Any or all the Members or the Manager may participate in any meeting of the Members by, or through the use of, any means of communication by which all the Members and Manager participating may simultaneously hear each other during the meeting. A Member or Manager so participating is deemed to be present in person at the meeting.

Section 8.9 Conduct of Meetings

At any meeting of the Members or Manager, the Manager shall preside at the meeting and shall appoint a Person to act as secretary of the meeting. The secretary of the meeting shall prepare minutes of the meeting, which shall be placed in the minute books of the Company.

Article 9. Books, Records and Bank Accounts

Section 9.1 Books and Records

The Manager shall keep books of account with respect to the operation of the Company. Such books shall be maintained at the principal office of the Company, or at such other place as the Manager may determine.

Section 9.2 Access to Information from Company and Crowdfunding Issuer

Subject to the provisions of this Section, each Member (and/or its designee) may examine and audit the Company's books, records, accounts, and assets at the principal office of the Company, or such other place as the Manager may specify, during usual business hours, subject to such reasonable restrictions as may be imposed by the Manager. All expenses attributable to any such examination or audit shall be borne by such Member.

Additionally, the Company shall promptly provide all Members with access to any information that it receives from the Crowdfunding Issuer as a shareholder of record of the Crowdfunding Issuer.

An Assignee has no right to information regarding the Company. Though Assignees are not entitled to information, if they have or acquire information, they are subject to the confidentiality provisions of this Article, as those provisions apply to the Members.

Section 9.3 Confidential Information

The Members acknowledge that they may receive information regarding the Company or the Crowdfunding Issuer in the form of trade secrets or other information that is confidential, the release of which may be damaging to the Company or to Persons with whom it does business.

Each Member shall hold in strict confidence any information it receives regarding the Company that is identified as being, or reasonably understood to be, confidential and may not disclose it to any Person other than another Member, except for disclosures:

- a. compelled by law, but the Member must notify the Manager promptly of any request for that information before disclosing it, if practicable, to allow the Manager the opportunity to seek a protective order from a court of competent jurisdiction;
- b. to advisers or representatives of the Member, but only if they have also agreed to be bound by the provisions of this Section; and
- c. of information that the Member has received from a source independent of the Company, which the Member reasonably believes it obtained without breach of any obligation of confidentiality.

Section 9.4 Accounting Basis and Fiscal Year

The books of account of the Company shall be kept using appropriate accounting methods, as determined by the Manager, unless otherwise required by law, and shall be closed and balanced at the end of each Company year. The fiscal year of the Company shall be the same as the Fiscal Year of the Crowdfunding Issuer.

Section 9.5 Reports

The Manager shall, at the Company's expense, use commercially reasonable efforts to cause the Company to furnish to each of the Members regular financial and asset management reports and, within seventy-five (75) days after the end of each calendar year, all information related to the Company necessary for the preparation of the Members' federal and state income tax returns. All financial statements and reports shall be prepared at the expense of the Company.

Section 9.6 Bank Accounts and Company Funds

All funds of the Company shall be held in a separate bank account in the name of the Company, as determined by the Manager. All accounts used by or on behalf of the Company shall be and remain the property of the Company, and shall be received, held, and disbursed by the Manager for the purposes specified in this Agreement.

Article 10. Internal Dispute Resolution Procedure

ALL PROSPECTIVE MEMBERS SHOULD CAREFULLY READ THIS ENTIRE ARTICLE 10 TO ENSURE THAT THEY UNDERSTAND THAT BY SIGNING THIS AGREEMENT THEY ARE GIVING UP THE RIGHT TO TRIAL AND REIMBURSEMENT OF EXPENSES RELATED TO ANY DISPUTE. THE PRIMARY PURPOSE OF THIS ARTICLE IS TO PROTECT THE MEMBERS AND THEIR RESPECTIVE INVESTMENTS IN THE COMPANY.

Section 10.1 Introduction

Because the nature of the Company is to generate profits from the Company's operations, it is imperative that one Member's dispute with the Manager and/or other Members is not allowed to diminish the profits available to other Members. Litigation could require diversion of the Company's profits to pay attorneys' fees or could tie up Company funds necessary for the operation of the Company, impacting the profitability of the investment for all the Members. The only way to prevent such needless expense is to have a comprehensive dispute resolution procedure in place, to which each of the Members have specifically agreed in advance of membership in the Company. The procedure described below requires an aggrieved party to take a series of steps designed to amicably resolve a dispute on terms that will preserve the interests of the Company and other non-disputing Members, before invoking a costly remedy, such as arbitration.

In the event of a dispute, claim, question, or disagreement between the Members or between the Manager and one or more Members arising from or relating to this Agreement, the breach thereof, or any associated transaction (hereinafter "Dispute"), the Manager and the Members hereby agree to resolve such Dispute by strictly adhering to the dispute resolution procedure provided in this Article.

Section 10.2 Notice of Disputes

The aggrieved party must send written Notice of a Dispute to the Manager.

Section 10.3 Negotiation of Disputes

The parties hereto shall use their best efforts to settle any Dispute. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to all parties. If, within a period of ninety (90) days after written Notice of such Dispute has been served by either party on the other, the parties have not reached a negotiated solution, then upon further Notice by either party, the Dispute shall be submitted to mediation administered by the American Arbitration Association ("AAA") in accordance with the provisions of its commercial mediation rules. The onus is on the aggrieved party to initiate each next step in this dispute resolution procedure as provided below.

a. Tiebreaker Provision. If the disputing parties are unable or unwilling to attempt a negotiated agreement on their own within thirty (30) days of Notice of the Dispute, they shall appoint a mutually acceptable neutral party who shall be either an attorney or CPA licensed in Wyoming, familiar with the Securities Act, the WLLCA, and Regulation Crowdfunding offerings, to review the facts surrounding the Dispute and offer a nonbinding tiebreaking vote and/or proposed resolution. All costs and fees for such informal resolution shall be split equally between the parties to the dispute.

Section 10.4 General Provisions for Alternative Dispute Resolution

On failure of negotiation and mediation, as a last resort, binding arbitration shall be used to ultimately settle the Dispute. The following provisions shall apply to any subsequent mediation or arbitration.

a. Preliminary Relief. Any party to the Dispute may seek preliminary relief at any time after negotiation described above has failed, but prior to arbitration, under the "Optional Rules for Emergency Measures of Protection of the AAA Commercial Arbitration Rules and Mediation Procedures." The AAA case manager may appoint an arbitrator who will hear only the preliminary relief issues without going through the arbitrator selection process described in this Article.

b. Consolidation. Identical or sufficiently similar Disputes presented by more than one Member may, at the option of the Manager, be consolidated into a single negotiation, mediation, and/or arbitration.

c. Location of Mediation or Arbitration. Any mediation or arbitration shall be conducted in the venue set forth in Section 10.8, and each party to such mediation or arbitration must attend in person.

d. Attorney Fees and Costs. Each party shall bear its own costs and expenses (including its own attorneys' fees) and an equal share of the mediator or arbitrators' fees and any administrative fees, regardless of the outcome.

e. Maximum Award. The maximum amount a party may seek during mediation or be awarded by an arbitrator is the amount equal to the party's Capital Contributions and any Distributable Cash or interest to which the party may be entitled. An arbitrator will have no authority to award punitive or other damages.

f. AAA Commercial Mediation or Arbitration Rules. Any Dispute submitted for mediation or arbitration shall be subject to the AAA's commercial mediation or arbitration rules. If there is a conflict between these rules and this Article, this Article shall be controlling.

Section 10.5 Mediation

Any Dispute that cannot be settled through negotiation as described in this Article may proceed to mediation. The parties shall try in good faith to settle the Dispute by mediation, which each of the parties to the Dispute must attend in person, before resorting to arbitration. If, after no less than three (3) face-to-face mediation sessions, mediation proves unsuccessful at resolving the Dispute, the parties may then, and only then, resort to binding arbitration as described in Section 10.6.

If the initial mediation(s) does not completely resolve the Dispute, any party may request, for good cause (which shall be specified in writing) a different mediator for subsequent mediation(s) by serving Notice of the request on the other parties for approval. If good cause exists, such request shall not be unreasonably denied.

a. Selection of Mediator. The complaining party shall submit a request for mediation to the AAA. The AAA will appoint a qualified mediator to serve on the case. The parties will be provided with a biographical sketch of the mediator. The parties are instructed to review the sketch closely and advise the AAA of any objections they may have to the appointment in writing within five (5) days of receipt. If no objections are received within this timeframe, the mediator shall be deemed acceptable and mediation scheduled as soon as possible thereafter.

The preferred mediator shall have specialized knowledge of securities law, unless the dispute pertains to financial accounting issues, in which case the arbitrator shall be a certified public accountant, or if no such Person is available, shall be generally familiar with the subject matter involved in the Dispute. If the parties are unable to agree on the mediator within thirty (30) days of the request for mediation, the AAA case manager will make an appointment.

Section 10.6 Arbitration

Any Dispute that remains unresolved after good faith negotiation and three (3) failed mediation sessions shall be settled by binding arbitration. Judgment on the award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.

a. Selection of Arbitrator. Prior to arbitration, the complaining party shall cause the appointment of an AAA case manager by filing of a claim with the AAA along with the appropriate filing fee and serving it on the defending party. The AAA case manager shall provide each party with a list of proposed arbitrators who meet the qualifications described below, or if no such Person is available, are generally familiar with the subject matter involved in the Dispute. Each side will be given a number of days to strike any unacceptable names, number the remaining names in order of preference, and return the list to the AAA. The AAA case manager shall then invite Persons to serve from the names remaining on the list, in the designated order of mutual preference. Should this selection procedure fail for any reason, the AAA case manager shall appoint an arbitrator as provided in the applicable AAA Commercial Arbitration Rules.

b. Qualifications of Arbitrator. The selected arbitrator shall have specialized knowledge of securities law, unless the dispute pertains to financial accounting issues, in which case the arbitrator shall be a certified public accountant. Further, the selected arbitrator must agree to sign a certification stating that he/she has read this Agreement and all of the documents relevant to this Agreement in their entirety.

c. Limited Discovery. Discovery shall be limited to only this Agreement and those documents pertaining to this Agreement, any written correspondence between the parties, and any other documents specifically requested by the arbitrator as necessary to facilitate his or her understanding of the Dispute. The parties may produce witnesses for live testimony at the arbitration hearing at their own expense. A list of all such witnesses and complete copies of any documents to be submitted to the arbitrator shall be served on the arbitrator and all other parties within forty-five (45) days of the arbitration hearing, at the submitting party's expense.

Section 10.7 Maintenance of the Status Quo

Unless preliminary relief has been sought and granted pursuant to Section 10.4(a) above, while a Dispute is pending, the Manager shall continue all operations and distributions of Distributable Cash in accordance with the provisions set forth in this Agreement as if the Dispute had not arisen, except that, a complaining Member's distributions shall be suspended and held in trust by the Manager pending the outcome of the Dispute.

Section 10.8 Venue

Venue for any Dispute arising under this Agreement or any Disputes among any Members or the Company shall be in the county of the principal office of the Company.

Article 11. Transfers and Member Admissions

Section 11.1 Assignee Interest Transferred

The transferee of a Unit will be an Assignee until such time as the Assignee satisfies the requirements of Section 11.5 to become a Member. Until such time as an Assignee is admitted as a Member, such Assignee shall have only those rights set forth in Section 11.2 of this Agreement.

An Assignee must execute, acknowledge, and deliver to the Company a written acceptance and adoption of this Agreement by the Assignee and execute, acknowledge, and deliver to the Manager a power of attorney in the form or containing the provision of authority provided in Exhibit A.

Section 11.2 Rights of an Assignee

If an Assignee is not admitted as a Member because of the failure to satisfy the requirements of Section 11.5, such Assignee shall nevertheless be entitled to receive such distributions from the Company as the transferring Member would have been entitled to receive under this Agreement had the transferring Member retained such Units.

Assignees shall have no other rights of the Members, including voting rights and access to Company records and information. Members have legal and economic rights, while Assignees only have the right to receive economic benefits.

Section 11.3 Assignee to Assume Tax Liability

The Assignee of a Unit, as well as any Person who acquires a charging order against a Unit, shall report income, gains, Losses, deductions, and credits with respect to such Unit for the period in which the Assignee interest is held or for the period the charging order is outstanding. The Manager shall deliver to the Assignee or the holder of such charging order, as the case may be, all tax forms required to be delivered to the Members generally indicating that the income from such Unit has been allocated to the holder of the Assignee interest or the holder of the charging order.

Section 11.4 Admission of Members

The Company may, from time to time, admit Assignees of Units from Members as Additional Members, with consent from the Manager.

Section 11.5 Admission Procedure

No Person shall be admitted as a Member unless such Person executes, acknowledges, and delivers to the Company such instruments as the Manager may deem necessary or advisable to effect the admission of such Person as an Additional Member, including, without limitation, the written acceptance and adoption by such Person of the provisions of this Agreement, the power of attorney in the form or containing the provision of authority provided in Exhibit A, pertinent tax information, as well as any amendments to this Agreement and attorneys' fees and costs necessitated by the admission of such Additional Member. Exhibit B will be revised, from time to time, to reflect the admission of any Additional Member.

Section 11.6 Restrictions on Transfer

Units, or any interest thereof, may not be the subject of any assignment, pledge, mortgage, hypothecation, gift, sale, resale, or other disposition or encumbrance (collectively, a "Transfer"), either to a prospective Assignee or prospective Member, unless at least one year has passed since the date on which the original Units were issued, or the Units are subsequently registered under the Securities Act of 1933 and appropriate state securities laws.

Further, no Transfers may be approved, Assignee rights granted, and/or Additional Members admitted unless the Transfer: (a) is approved by the Manager, which approval may be granted or withheld in its sole discretion and subject to such conditions as it may impose; (b) is evidenced by a written agreement, in form and substance satisfactory to the Manager, that is executed by the transferor, the transferee(s), and the Manager; (c) will not result in violation of the registration requirements of the Securities Act; (d) will not require the Company to register as an investment company under the Investment Company Act of 1940, as amended, (e) will not cause 25% or more of the Company to be held by "benefits plan investors" as that term is defined in the Employee Retirement Income Security Act of 1974 or any regulations proposed or

promulgated thereunder; and (f) will not result in the Company being classified for United States federal income tax purposes as an association taxable as a corporation.

Unless the Crowdfunding Issuer or an Affiliates agrees in writing to pay these expenses; the transferor of any Units is required to reimburse the Company for any expenses reasonably incurred in connection with a Transfer, including any legal, accounting, and other expenses, **regardless of whether such Transfer is consummated.**

The transferee of any Units in the Company that is admitted to the Company as a substitute Member shall succeed to the rights and liabilities of the transferor Member, and, after the effective date of such admission, the Capital Account of the transferor shall become the Capital Account of the transferee to the extent of the Units transferred.

Section 11.7 Non-Recognition of an Unauthorized Transfer or Assignment

Any attempted Transfer in violation of the provisions of this Agreement is void *ab initio*. The Company shall not be required to recognize the purported interest in the Company of any transferee or Assignee who has obtained such purported interest in the Units as a result of a Transfer that is not authorized by this Agreement. If the Transfer is in doubt, or if there is reasonable doubt as to who is entitled to a distribution of the income realized from a Unit or the interest of an Assignee, the Company may accumulate the income until this issue is finally determined and resolved. Accumulated income shall be credited to the Capital Account of the Member or Assignee whose interest is in question.

Section 11.8 Permitted Transfers

Prior to the expiration of the one-year restriction on resale, a Member may only Transfer its Units to:

- a. To the Company or the Crowdfunding Issuer;
- b. To an Accredited Investor, as that term is defined by Rule 501(a) of Regulation D (17 CFR § 230.501(a)), as may be amended from time to time (the seller and the Company must reasonably believe that this person comes within any of such categories at the time of the sale of the securities);
- c. To a member of the Member's Immediate Family of the purchaser, to a trust controlled by the purchaser, to a trust created for the benefit of a member of the Immediate Family of the purchaser; or
- d. In connection with the death or divorce of the purchaser, providing the terms of Section 11.9 are followed.

Such transfers will be permitted only so long as the proposed Transfer does not: (a) cause the Company to terminate for federal income tax purposes; (b) result in any event of default as to any secured or unsecured obligation of the Company; (c) result in a violation of the Securities Act; (d) cause a reassessment of any Company Assets; (e) will not cause 25% or more of the Company to be held by "benefits plan investors" as that term is defined in the Employee Retirement Income Security Act of 1974 or any regulations proposed or promulgated thereunder or (f) cause any other material, adverse effect to the Company.

Section 11.9 Involuntary Transfers

Upon the death, disability, bankruptcy, insolvency, liquidation, or dissolution of a Member, the rights and obligations of that Member under this Agreement shall inure to the benefit of, and shall be binding upon,

that Member's successor(s), estate, or legal representative, and each such Person shall be treated as an Assignee until and unless such Person is admitted as a Member pursuant to the Agreement.

Upon the death or incapacity of an individual Member or holder of an Assignee interest, the personal representative of the individual Member or holder of such interest shall have the same rights, with respect to the Unit holder or Assignee's interest, as those held by the deceased or incapacitated person, for the purpose of settling or managing the Member's or holder's estate or affairs.

Upon any Transfer pursuant to any decree of divorce, dissolution, or separate maintenance, any property settlement, any separation agreement, or any other agreement with a spouse (excluding a permitted Transfer to Immediate Family as set forth in Section 11.8) under which any Units are awarded to the spouse of the Member, such transferee spouse shall be treated as an Assignee until and unless such Person is admitted as a Member pursuant to the Agreement.

An Assignee of any Transfer under this Section shall be bound by all of the terms and conditions of this Agreement.

Article 12. Dissolution and Termination

Section 12.1 Events of Dissolution

The Company shall be dissolved upon the occurrence of any of the following events:

- a. The written consent of the Manager, in the sole discretion, to dissolve the Company and distribute all its assets to the Members;
- b. The withdrawal of the Manager unless (i) the Company has at least one other Manager, or (ii) within ninety (90) days after the withdrawal, a Required Interest votes to continue the business of the Company and to appoint, effective as of the date of withdrawal, one or more additional Managers;
- c. The withdrawal of all the Members, unless the Company is continued in accordance with the WLLCA;
- d. The Company is to be dissolved upon the entry of a decree of judicial dissolution by a court of competent jurisdiction.

Section 12.2 Effective Date of Dissolution

Absent an election to continue the Company as provided in this Article, dissolution of the Company shall be effective on the date on which the event occurs giving rise to the dissolution, but the Company shall not be wound up until cancelation of the Company's Articles Of Organization and all remaining Company Assets have been distributed, as provided in this Agreement.

Section 12.3 Operation of the Company after Dissolution

During the period in which the Company is winding up, the business of the Company and the affairs of the Members shall continue to be governed by this Agreement.

Section 12.4 Distribution or Liquidation of Company Assets

Upon dissolution of the Company, the Manager or, in the absence of a Manager, a liquidator appointed by a Required Interest, may either (1) engage in the in-kind distribution of all Class B Common Stock of

Musaffa, Inc. and other assets held by the Company to its Members, provided that the Crowdfunding Issuer or an Affiliate agree to pay all expenses and liabilities which may be associated with dissolution of the Company, or (2) liquidate remaining Company Assets, apply and distribute the proceeds derived from the liquidation of the remaining Company Assets as contemplated by this Agreement.

Subject to the approval of the Manager, a Member or group of Members may designate a different entity to receive any in-kind distribution, or designate an alternative distribution procedure (provided such alternative distribution procedure does not prejudice any of the other Members who do not consent to such procedure in writing).

a. Payment of Company Creditors and Provision for Reserves. The proceeds derived from the liquidation of Company Assets shall first be applied toward or paid to any creditor of the Company who is not a Member. The order of priority of payment to any creditor shall be as required by applicable law. After payment of liabilities owing to creditors, excluding the Members, the Manager or liquidator shall set up such reserves as are deemed reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company.

b. Ability to Create an Escrow Account. Any reserves for contingent liabilities may, but need not, be paid over by the Manager or liquidator to a bank to be held in escrow for the purpose of paying any such contingent or unforeseen liabilities or obligations. Following the expiration of such period as the Manager or liquidator may deem advisable, such remaining reserves shall be distributed to the Members or their assigns in the order of priority set forth in the provisions of this Agreement relating to distributions to the Members.

c. Distribution of Company Assets after the Payment of Liabilities and Establishment of Reserves. After paying liabilities and providing for reserves, the Manager or liquidator shall satisfy any debts owed to the Members with the remaining net assets of the Company, if any, and then distribute any remaining assets to the Members, as set forth in Section 4.1.

d. Non-Cash Assets. Distributions during the winding up period may be made in cash or in kind or partly in cash and partly in kind. The Manager or the liquidator shall use its best judgment as to the most advantageous time for the Company to sell Securities or to make distributions in kind.

e. If any assets of the Company are to be distributed in kind, such assets shall be distributed on the basis of their fair market value at the date of distribution, as determined by the Manager or liquidator. Each Security so distributed shall be subject to reasonable conditions and restrictions necessary or advisable, as determined in the reasonable discretion of the Manager or the liquidator, in order to preserve the value of such Security or for legal reasons.

Section 12.5 Company Assets Sole Source

The Members shall look solely to Company Assets for the payment of any debts or liabilities owed by the Company to the Members and for the return of their Capital Contributions and liquidation amounts. If Company Assets remaining after the payment or discharge of all of its debts and liabilities to Persons other than the Members is insufficient to return the Members' Capital Contributions, the Members shall have no recourse against the Company, the Manager, or any other Members, except to the extent that such other Members may have outstanding debts or obligations owing to the Company.

Section 12.6 Sale of Company Assets during Term of the Company

The sale of Company Assets during the term of the Company shall not be considered a liquidation of the Company and therefore is not a dissolution and termination as defined under this Article.

Article 13. Indemnification

Section 13.1 General Indemnification

The Manager, its Affiliates, and their respective officers, directors, agents, partners, members, managers, employees, and any Person the Manager designates as an indemnified Person (each, an “Indemnified Party”) shall, to the fullest extent permitted by law, be indemnified on an after-tax basis out of Company Assets (and the Manager shall be entitled to grant indemnities on behalf of the Company, and to make payments out of the Company, to any Indemnified Party in each case in accordance with this Section) against any and all losses, claims, damages, liabilities, costs and expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements, and other amounts (collectively, “Liabilities”) arising from any and all claims, demands, actions, suits, and proceedings, whether civil, criminal, administrative, or investigative, in which any Indemnified Party is or may be involved, or is threatened to be involved, as a party or otherwise, in connection with the investments and activities of the Company or by reason of such Person being a Manager, or agent of a Manager, of the Company. Any such Indemnification payments will be reimbursed to the Company by the Crowdfunding Issuer or its Affiliates.

However, no such Indemnified Party shall be so indemnified, with respect to any matter for which indemnification is sought, to the extent that a court of competent jurisdiction determines pursuant to a final and non-appealable judgment that, in respect of such matter, the Indemnified Party had (a) acted in bad faith or in the reasonable belief that the party’s action was opposed to the best interests of the Company or constituted gross negligence or willful misconduct or breach of such party’s fiduciary duty to the Company, if any, or (b) with respect to any criminal action or proceeding, had cause to believe beyond any reasonable doubt the party’s conduct was criminal. An Indemnified Party shall not be denied indemnification in whole or in part under this Section because the Indemnified Party had an interest in the transaction with respect to which indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

Section 13.2 Tax Liability Indemnification

Each Member or Assignee, as applicable, shall indemnify and hold harmless the Indemnified Parties from and against any and all Liabilities arising from any underpayment in such Member’s/Assignee’s taxes on any amounts distributed by the Company to such Member/Assignee that results in one or more “imputed underpayments” as such term is defined by the IRS, even if such imputed underpayment is determined after the date the respective Member/Assignee is no longer a Member/Assignee of the Company. This indemnification shall specifically be effective and enforceable even after a Member/Assignee is no longer a Member/Assignee if such former Member/Assignee was a Member/Assignee in the Reviewed Year.

Section 13.3 Indemnity for Misrepresentation of a Prospective Member

Each Member shall indemnify and hold harmless the Manager and other Indemnified Parties from and against any and all Liabilities of whatsoever nature to or from any Person arising from or in any way connected with that Member’s misrepresentation(s) that it met the “suitability standards” established by the Manager for membership in the Company.

Section 13.4 Advancement of Indemnification Funds

To the fullest extent permitted by law, amounts in respect of Liabilities incurred by an Indemnified Party in defending any claim, demand, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, shall from time to time be advanced by the Company prior to a determination that the Indemnified Party is not entitled to be indemnified upon receipt by the Company of an undertaking by or on behalf of the Indemnified Party to repay such amount if it shall be determined that the Indemnified Party is not entitled to be indemnified as set forth in Section 13.1.

Section 13.5 No Impairment of Indemnification

No amendment, modification, or repeal of this Article or any other provision of this Agreement shall in any manner terminate, reduce, or impair the right of any past Indemnified Party to be indemnified by the Company or the obligations of the Company to indemnify any such Indemnified Party under and in accordance with the provisions of this Agreement as in effect immediately prior to such amendment, modification, or repeal with respect to any claim, demand, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification, or repeal, regardless of when such claim, demand, action, suit, or proceeding may arise or be asserted.

Section 13.6 Exculpation of Actions in Good Faith

Neither the Manager nor its Affiliates shall be liable to the Company or any Member for any loss which arises out of any action or omission of such party if (a) such party determined, in good faith, that such course of conduct was in, or was not opposed to, the best interest of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe such party's conduct was unlawful, and (b) such course of conduct did not constitute a breach of such party's fiduciary duty (if any) to the Company or gross negligence or willful misconduct of such party.

Section 13.7 No Termination of Indemnification Rights

The provisions of this Article shall survive the dissolution of the Company.

Article 14. General Matters

Section 14.1 Successors and Assigns

Subject to the restrictions on Transfer provided in this Agreement, this Agreement, and each and every provision of it, shall be binding upon and shall inure to the benefits of the Members, their respective successors, successors-in-title, personal representatives, heirs, Assignees, and other assigns.

Section 14.2 Power of Attorney

Each Member, by the execution of this Agreement, does hereby irrevocably constitute and appoint the Manager as such Member's true and lawful agents and attorneys-in-fact, with full power and authority in the Member's name, place, and stead, to make, execute, sign, acknowledge, swear to, deliver, file, and record such documents as may be necessary or appropriate to do, or cause to be done, the actions set forth in Exhibit A.

Section 14.3 Amendment

Provided that in each of the following instances, the Manager reasonably determines that such amendment will not subject any Member to any material, adverse economic consequences, the Manager, without the consent of the Members, may amend any provision of this Agreement or the Articles of Organization, and may execute, swear to, acknowledge, deliver, file, and record such documents as may be required in connection therewith, to:

- a. cause this Agreement or the Articles of Organization to comply with the requirements for Crowdfunding Vehicles as set forth in the Investment Company Act Rule 3a-9 (17 CFR § 270.3a-9), as it may be amended from time to time;
- b. change the name of the Company or the location of its principal office;
- c. add to the duties or obligations of the Manager;
- d. cure any ambiguity or correct or supplement any inconsistency in this Agreement;
- e. reduce or eliminate the tax burdens imposed on the Members (including, but not limited to, revising the terms or manner of distributions and liquidations);
- f. correct any printing, typographical, or clerical errors or omissions in order that the Agreement shall accurately reflect the agreement among the Members;
- g. reflect information regarding the admission of any Additional Member or substitute Member.

Any amendments not similar to the foregoing or as otherwise permitted by the power of attorney as set forth in Exhibit A shall require the written consent or vote of the Members as set forth in Section 7.7.

Section 14.4 Partition

Each Member, its successors, and assigns hereby waives any rights to have any Company Asset partitioned, and, pursuant to such waiver, no Member, nor any successor or assign of any Member, shall have the right while this Agreement remains in effect to file a complaint or institute any proceeding at law to seek, or to otherwise demand, request, or require, the liquidation or dissolution of the Company, the return of capital or any specific Company Assets, or, in equity, to have Company Assets partitioned, and each Member, on its own behalf and that of its successors, representatives, heirs, and assigns, hereby waives any such right.

The Members intend that during the term of this Agreement, the rights of the Members and their successors-in-interest, as among themselves, shall be governed by the terms of this Agreement, and that the right of any Member or successors-in-interest to Transfer or otherwise dispose of its Membership Interest in the Company shall be subject to the limitations and restrictions of this Agreement.

Section 14.5 No Waiver

The failure of any Member to insist upon strict performance of any provision or obligation of this Agreement, irrespective of the length of time for which such failure continues, shall not be a waiver of such Member's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligations under this Agreement, shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation.

Section 14.6 Construction and Miscellaneous

The following general matters shall apply to the provisions of this Agreement:

a. Construction. Unless the context requires otherwise, words denoting the singular may be construed as plural and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender or no gender as is appropriate within such context. The word “or” when used in a list may function as both a conjunction and a disjunction if the context permits.

b. Headings of Articles, Sections, and Subsections. The headings of Articles, Sections, and Subsections used within this Agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this Agreement.

c. Notices. Any notice or communication to be given under the terms of this Agreement (“Notice”) shall be in writing and shall be personally delivered or sent by overnight delivery, certified United States mail, or email. Notice shall be effective: (a) if emailed or personally delivered, when delivered; (b) if by overnight delivery, the day after delivery thereof to a reputable overnight courier service, delivery charges prepaid; or (c) if mailed, at midnight on the third business day after deposit in the mail, postage prepaid. Notices to the Company shall be addressed to its address below and to Members at their address for correspondence as set forth in the subscription documents, each as amended from time to time by Notice of the transferring party. Additionally, the Manager may provide Notice to the Members via a Company-related online platform. The Manager does not permit Notice by email.

d. Applicable State Law. This Agreement shall be governed, construed, and enforced in accordance with the laws of Wyoming, without regard to its conflict of laws rules.

e. Execution; Duplicate Originals. This Agreement may be executed manually, electronically, or by facsimile transmission, and in multiple counterparts. Each counterpart shall be considered a duplicate original agreement and all such counterparts shall, taken together, be considered one Agreement.

f. Severability. If any provision of this Agreement is declared by a court of competent jurisdiction to be illegal, invalid, or unenforceable for any reason, such provision shall be fully severable and such illegality, invalidity, or unenforceability shall not affect the remaining provisions of this Agreement. Furthermore, in lieu of each illegal, invalid, or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible, legal, valid, and enforceable.

Dilshod Jumaniyazov

Assalam Alaykum!

My name is Dilshod.

I am the co-founder and CEO of Musaffa.

Average Muslim investors are locked out of financial markets because the trading volume of over 97% of global asset classes such as derivatives, fixed income, and equities are Shariah non-compliant.

This is a massive problem for over 1.8 billion Muslims globally.

Muslims tend to keep cash, or buy gold, or invest in illiquid assets such as real estate, thus making them more vulnerable to inflation and liquidity risks.

We built Musaffa just for that.

Musaffa is an all-in-one global halal trading app and solution where Muslims can actually learn how to invest and trade in Shariah-compliant stocks and ETFs.

Akram Jagirdar

Our team has grown from 3 to 55+ finance and tech enthusiasts in the past three years.

We have built smart systems that will notify you about all the Shariah-compliant steps throughout your investment journey.

In just a few clicks, you will be able to screen for Halal stocks and ETFs, see our recommendations, link your existing portfolios, and purify your investments through the mobile app.

In just two years of launching our mobile applications, we have become the most downloaded app in our category, with over 800,000 downloads and close to 400,000 active users.

With our B2B network, we are servicing a large audience of Muslim investors in more than 180 countries.

With a roadmap of launching our halal trading solutions in the US, UK, Canada, Malaysia, Indonesia, India, as well as the Middle East, we are looking to cater to millions of Muslims by the end of this year, inshaAllah.

Rashid Turayev

We are a fintech company that is combining cutting-edge technology with Islamic finance. From the get-go, we designed a system that is based on scale, security, and compliance to deliver our services to the massive Muslim population globally.

Our proprietary Shairah-compliant stock screening solution is based on microservice architecture and uses machine learning algorithms.

With this scalable solution and with a global partner network, we can deliver halal investment solutions in any region around the world.

Rinat Ziyodillaev

At Musaffa, our commitment extends beyond just services.

We adhere to both international and local ethical and legal standards.

It is not about just following the rules. It is about leading with integrity in everything we do.

We are taking all steps towards strict adherence to all legal frameworks.

At Musaffa, we're not just building a business. Every decision, every action we take is grounded in upholding the highest standards of legal and ethical conduct.

Aulia Arifatu

At Musaffa, we are committed to promoting financial inclusion and empowering Muslim investors to participate in the capital markets.

Our mission is to provide access and education to everyone who wants to invest ethically and in accordance with Shariah principles.

Bunyod Rayimov

At Musaffa, we have a solid commitment to Islamic principles.

To help Muslim investors worldwide make Shariah-compliant investments, we have developed a one-of-a-kind proprietary Shariah analysis software.

We collect and analyze data from annual and quarterly reports, company presentations, and more to provide our customers with the most accurate and up-to-date information on their stocks.

So far, we have analyzed stocks from the US, UK, Canada, Malaysia, Indonesia, India, and more.

Akram Jagirdar

By using the Musaffa app, Muslim investors can now learn about investments, screen over 120,000 stocks and ETFs, do fundamental stock research, and very soon will be able to trade through the Musaffa app.

Dilshod Jumaniyazov

With a serviceable obtainable market of 400 million Muslims, Musaffa's global halal trading app is set to capture the industry, InshaAllah.

We are building a bridge between traditional markets and Islamic finance.

With our proprietary technology, we are redefining the personal investment experience so Muslims can trade and invest and feel at peace along the way. Thank you.

Frequently Asked Questions

Why invest in startups? ✓

Regulation CF allows investors to invest in startups and early-growth companies. This is different from helping a company raise money on Kickstarter; with Regulation CF Offerings, you aren't buying products or merchandise - you are buying a piece of a company and helping it grow.

How much can I invest? ✓

Accredited investors can invest as much as they want. But if you are NOT an accredited investor, your investment limit depends on either your annual income or net worth, whichever is greater. If the number is less than \$124,000, you can only invest 5% of it. If both are greater than \$124,000 then your investment limit is 10%.

How do I calculate my net-worth? ✓

To calculate your net worth, just add up all of your assets and subtract all of your liabilities (excluding the value of the person's primary residence). The resulting sum is your net worth.

What are the tax implications of an equity crowdfunding investment? ✓

We cannot give tax advice, and we encourage you to talk with your accountant or tax advisor before making an investment.

Who can invest in a Regulation CF Offering? ✓

Individuals over 18 years of age can invest.

What do I need to know about early-stage investing? Are these investments risky? ✓

There will always be some risk involved when investing in a startup or small business. And the earlier you get in the more risk that is usually present. If a young company goes out of business, your ownership interest could lose all value. You may have limited voting power to direct the company due to dilution over time. You may also have to wait about five to seven years (if ever) for an exit via acquisition, IPO, etc. Because early-stage companies are still in the process of perfecting their products, services, and business model, nothing is guaranteed. That's why startups should only be part of a more balanced, overall investment portfolio.

When will I get my investment back? ✓

The Common Stock (the "Shares") of Musaffa, Inc ("Musaffa") are not publicly-traded. As a result, the Shares cannot be easily traded or sold. As an investor in a private company, you typically look to receive a return on your investment under the following scenarios:

Musaffa gets acquired by another company.

Musaffa goes public (makes an initial public offering).

In those instances, you receive your pro-rata share of the distributions that occur, in the case of acquisition, or you can sell your shares on an exchange. These are both considered long-term exits, taking approximately 5-10 years (and often longer) to see the possibility for an exit. It can sometimes take years to build companies. Sometimes there will not be any return, as a result of business failure.

Can I sell my shares? ✓

Shares sold via Regulation Crowdfunding offerings have a one-year lockup period before those shares can be sold under certain conditions.

Exceptions to limitations on selling shares during the one-year lockup period: ✓

In the event of death, divorce, or similar circumstance, shares can be transferred to:

- The company that issued the securities
- An accredited investor
- A family member (child, stepchild, grandchild, parent, stepparent, grandparent, spouse or equivalent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships)

What happens if Musaffa does not reach their funding target? ✓

If Musaffa does not reach their minimum funding target, all funds will be returned to the investors after the close of the offering.

How can I learn more about Musaffa's offering? ✓

All available disclosure information can be found on the offering pages for our Regulation Crowdfunding offering.

What if I change my mind about investing? ✓

You can cancel your investment at any time, for any reason, until 48 hours prior to a closing occurring. If you've already funded your investment and your funds are in escrow, your funds will be promptly refunded to you upon cancellation. To submit a request to cancel your investment please email: investor@musaffa.com

How do I keep up with how Musaffa is doing? ✓

At a minimum, Musaffa will be filing with the SEC and posting on its website an annual report, along with certified financial statements. Those should be available 120 days after the fiscal year end. If Musaffa meets a reporting exception, or eventually has to file more reported information to the SEC, the reporting described above may end. If these reports end, you may not continually have current financial information about Musaffa.

What relationship does Musaffa have with DealMaker Securities? ✓

Once an offering ends, Musaffa may continue its relationship with DealMaker Securities for additional offerings in the future. DealMaker Securities' affiliates may also provide ongoing services to Musaffa. There is no guarantee any services will continue after the offering ends.
