Subject: The richest family in Canada (you think) is giving us a chance to invest in Invitable Family Fund

Hi (NAME)

I have some great news — I am playing tennis in meetings in our company, Invitable Family, using an investment platform (well, some 700 jurisdictions to access international investments) to become an individual investor in Invitable Family's investment.

We don't have a lot of money yet, but we're looking for a way to grow our portfolio and share the upside of our success with the people who know best — our family and friends, you are our foundation. So now we're reaching out to see whether you are interested in becoming an actual stakeholder in Invitable Family (not just a name on a list) and sharing the fruits of our growth with the family's small group of million-dollar investors, instead of waiting for opportunity to pass by.

We're looking for a few individuals who can help us grow our portfolio and share the upside of our success with the people who know best — our family and friends, you are our foundation. I am really excited about the potential growth that Invitable Family has seen over the last few months, and we have even more exciting plans for continuing to ramp up our growth in the coming 12 months.

Invitable Family's portfolio includes the richest family in Canada (you think), the richest family in the world (you think), the richest family in the world (you think), and the richest family in the world (you think).

All members of our family are playing tennis in meetings in our company, Invitable Family, using an investment platform (well, some 700 jurisdictions to access international investments) to become an individual investor in Invitable Family's investment.

**Our raise is currently in "testing the waters" mode while we finalize our paperwork and SEC filings, so you'll only be making a reservation – not actually investing yet. Once we file everything in the coming weeks, you'll be able to confirm your investment.*

We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.
