Form 20-F for the Fiscal Year ended December 31, 2024

Exhibits

1. We note that you filed a Form S-8 on February 13, 2025 which incorporates by reference documents that you subsequently file pursuant to various sections of the Exchange Act, which would include the 2024 annual report on Form 20-F. Ordinarily, this would involve filing updated consents from your auditors as exhibits to the annual reports that are subsequently filed, to address the form requirements in Item 601(b) of Regulation S-K. Please discuss this concern with the independent accounting firms (successor and predecessor auditors) to obtain and file the auditors' consents with respect to inclusion of their reports in the Form S-8.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
