## Automated Stats, Highlights & Officiating Using Just Your Phone

Hi <<First Name>>,

It's Swupnil, SwingVision Co-Founder & CEO. I have some exciting news to share!

Since 2019, SwingVision has been on a mission to revolutionize racket sports, empowering players worldwide to elevate their game like never before. We've turned this vision into reality thanks to the incredible support of industry icons like Andy Roddick, Lindsay Davenport, and James Blake.

And now, for the very first time, **we're inviting YOU to join us as investors** in SwingVision 🚀

Imagine being part of something truly groundbreaking, something that has the potential to change the game forever. With a minimum investment of **just \$100**, you can shape the future of ball & racket sports and secure your place in history.

But here's the catch: we're raising only \$1 million, and once we send this opportunity to our 200k+ mailing list, spaces will fill up fast. Because you're an avid customer, **I'm sharing this opportunity with you first** — don't miss out on your chance to be a part of something special.
