Hi Shirish,

I'm reaching out because you previously indicated interest in investing in SwingVision. I'm excited to share that we're doing a SwingVision community funding round for the first time ever!

This means anyone can invest, regardless of their net worth, and the minimum is just \$100. We're planning to raise no more than \$1.2m, will open the round up to our mailing list of 200,000+ users later this week, and will close the round by the end of April.

Given that you previously indicated interest, I wanted to share this opportunity with you first before we share with our entire customer base: <https://wefunder.com/swingvisionpromax/>

I hope you'll join us in building the future of tennis!

Cheers,
Swupnil
