Chicago

National Center for Institutional Diversity

Research and Policy Analyst

September 2014 - May 2016 (1 year 9 months)

University of Michigan

Analyze data and conduct background research to design programs and policies that reduce educational inequities at national higher education institutions.

William Davidson Institute at the University of Michigan

Research Fellow

May 2015 - August 2015 (4 months)

Buenos Aires and Mexico City

- Collected and analyzed data of over 80 Mexican and Argentine companies to inform practices of borrowing United States law to overcome weak governance barriers in emerging markets in order to increase foreign investment
- Researched debt restructuring laws in Latin America, including the borrowing of United States laws by local multinational companies in double jurisdiction cases

- Conducted interviews to identify successful trends and practices in restructuring cases; findings will inform methods to overcome weak governance barriers

Carl Schurz High School

Spanish Teacher

December 2013 - June 2014 (7 months)

Chicago, Illinois

Utilized UbD/Backwards Design to create units and lesson plans that differentiated instruction to fit students' individual learning styles, capabilities, and diverse cultural backgrounds.
