## Independent Accountant's Review Report

To Management  
THE BIG GAME MOVIE LLC  
Tampa, FL

I have reviewed the accompanying consolidated financial statements of THE BIG GAME MOVIE LLC and subsidiary (collectively, the "Company"), which comprise the consolidated balance sheet as of December 31, 2023, and the related consolidated statements of income, statement of equity and statement of cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on my review, I am not aware of any material modification that should be made to the accompanying consolidated financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.
