Independent Accountant's Review Report

To Whom It May Concern:

I have reviewed the accompanying balance sheet of Joyhound Beer Company LLC for tax years ending in December 31, 2021 and December 31, 2022, and the related statements of income, and cash flows for the twelve months then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Joyhound Beer Company LLC. A review consists principally of analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles in the United States of America.

Sincerely,

Taylor Cook Lopez, CPA
