Rett K.

Founder & CEO at Sholder
Boulder, Colorado, United States

Summary

I am on a mission to scale consistent mental & emotional health outcomes through non-clinical providers.

Sholder is a new approach to mental and emotional well-being that makes skilled, effective, one-to-one support accessible and affordable for all.

Therapeutic connection doesn't have to mean clinical therapy.

Experience

Sholder

Founder & CEO

April 2021 - Present (2 years 8 months)

Sholder, short for Spaceholder™, provides a new standard in affordable mental & emotional support, powered by compassionate, skilled people from diverse backgrounds and communities. We also train leaders to increase psychological safety & belonging within their teams via live, experiential workshops.
