Experience

Sunny

Co-Founder

June 2020 - Present (3 years 11 months)

Indiana, United States

Sunny, headquartered in Boston, MA, was established on June 4th, 2019. Sunny is a self care brand passionate about simplifying menstruator's monthly flow while reducing period pollution. We deliver the best period care, honest education, and global giveback. We created a reusable menstrual cup that inserts like a tampon. Sunny ends the fuss of inserting a menstrual cup while working to end period poverty through our global give back program.

As Chief Marketing Officer, I oversee all research, development, and operations relating to our product development and branding along with other day to day functions. I also focus on our marketing strategy, developing our social media platforms, and primary consumer research.
