unholyx Has potential hopefully it has good fights and they don't try to make it too childish.. the Bible has a lot of violence, no need to make everything Disneyfied. Always thought they should make an anime about the end times too. Would be insane.

stay_always_blessed How is this biblical or even slightly related. This is more along the lines of just straight blasphemy. Fairies were the creations of fallen angels and you over here just adding it casually thinking it's cute.

stay_always_blessed @adude_idk ik but still it's blasphemy they shouldn't even have mentioned it if they were gonna do something like this. The only thing from Ot is Michael which no one can truly see and can take the form of anyone or some [...]

erik_keyrose To be an "anime" it needs to be a Japanese studio making it. Because it's an American studio, it's just a cartoon.

INT. HALLWAY - DAY

The hallway is covered in posters of Gabriel and the Guardians many of them say "Premiere Tonight!". A STUDENT (18) opens his locker. Inside we see Gabriel and the Guardians DRAWINGS and mock ups.

Hook 1: (First Crowdfunded Anime)

STUDENT

The anime industry has made *billions* of dollars across the world- at least it has for a few "fat cats".

ALT

Ever heard of anime? No? It's just an industry making billions of dollars across the world- at least it has for a few "fat cats".

Cut to a MONOPOLY MAN petting a MEOWTH on his lap. He laughs uproariously next to a TABLE OF CASH.

STUDENT

And while I love knowing my hard earned money is going to those in need,

Cut to Monopoly Man tossing DOLLAR BILLS into the air and laughing all the more.

STUDENT (CONT'D)

-isn't it about time we had our own piece of the pie?

HOOK 2: (POPULARITY OF ANIME AMONG YOUTH)

BELL RINGS and people pour into the hallway. Our Student passes our flyers to people as he walks.

STUDENT

Did you know that 8/10 students and young adults, like me, watch anime regularly?

On the right are EIGHT STUDENTS dressed in ANIME GARB and on the left are two lonely secluded "NON-ANIME FANS".

STUDENT (CONT'D)

All kinds of people watch it.

Letterman jacket wearing BULLY bumps him on the shoulder.

BULLY
Watch out loser!
(discreetly)
... Bruh, are we still watching
anime later though?

The Student hands him a flyer. The Bully is pleased by what he sees.

STUDENT
Wouldn't miss it stereotypical,
1980's bully.

HOOK 3: (POSITIVE/UPLIFTING ANIME)

STUDENT
Anime is one of the largest media
industries in the world and also
one of the darkest.

Quick pan to a EMO NARUTO student who looks upset and angsty.

EMO NARUTO
I love anime! But sometimes it
makes me sad.

Pan back to Student.

STUDENT
Dramatic example, but you get the
point.

Emo Student begins to sob off screen. Student looks concerned.

STUDENT (CONT'D)
Allow me to explain!

Credibility Section-

HALLWAY

STUDENT
The creators of Gabriel and the
Guardians
Have helped produce some of the
biggest
animes of all time like, Pokemon,
Lupin the Third, Yokai Watch,
Digimon, and Castlevania.
(MORE)

STUDENT (CONT'D)

Also, other animated stories like Lion King, Mulan, and Star Wars: Clone Wars.

We've got Johnny Yong Bosch voicing Gabriel, who's played lead characters in SUPER popular anime's such as Bleach, Trigun, Dragonball. Not to mention, he was one of the original Power Rangers!

Graphics and illustrations pop up on screen as needed.

STUDENT (CONT'D) (CONT'D)

We are partnering with Angel Studios, the studio behind global phenomena like The Chosen, Dry Bar Comedy, and The Wingfeather Saga—the largest crowdfunded animated family show of all time. Angel is innovating the way shows are distributed and monetized with their free-to-watch streaming service with millions of viewers. In fact, Angel users have already Expressed Interest and excitement in seeing Gabriel and the Guardians get made. Sound of Freedom, which was passed on by Hollywood, reached #1 in theaters in the USA. Earning more than \$40 million dollars in one week!

Jason Moody stands next to our speaker. They wear the SAME OUTFIT.

STUDENT (CONT'D)

Our Creative Director is Jason Moody.

JASON

Hi! I used to be a lot like him.

(does a double take)

A LOT like him...

I spent a lot of time drawing in my sketchbook and daydreaming of creating an anime of my own...

The lights dim save a beam of light focusing on Jason.

JASON (CONT'D)

They said it couldn't be done, but I spent years training my abilities to become...

We move our attention back the Student.

STUDENT

Hmm, we'll come back to that.

ALT

I think we'll skip this part.

FINISH OF JASON JOKE- (TO BE PLACED AT END OF ANOTHER SEGMENT)

JASON

...and I believe we can change the world!

STUDENT

Inspiring. We heard every word.

ALT

And THAT'S why you must believe in yourself and follow your dreams!

He looks to camera and shrugs.

INVESTMENT/MONEY SECTION-
benefits of crowdfunding, cool opportunity

STUDENT

Now, for the first time EVER, we can not only watch quality anime but become owners and share in any potential profits.

Monopoly guys' money vanishes with a POOF!

STUDENT (CONT'D)

8 out of the top 25 most profitable franchises are anime. Can you imagine investing in Pokémon before it was cool?

Catching fat stacks with a Pokeball. "I wanna be SUPER RICH, like no one ever was!" "Stacks of Cash!" (in the tune of POK-E-MON! Followed by humorous quick disclaimers)

STUDENT (CONT'D)

The U.S. Anime market is the fastest growing market in the anime world and this 28 billion dollar industry is already extremely popular in Japan, the Philippines, and surprisingly France.

Anime character wearing a beret holding a baggett.

FRENCH ANIME CHARACTER

Oui.

ALT

*french sounding gibberish

STUDENT

The merchandising opportunities alone are ginormous!

French guy is now decked out in Gabriel and the Guardians Merch.

FRENCH ANIME CHARACTER

Gigantesque!

ALT

*French sounding gibberish or Oui!

TRANSITION:

STUDENT

But what does the content of that market look like currently?

ALT

But why should you listen to us?

WHY IS THIS DIFFERENT SECTION-
 (Uplifting/Positive Section)

INT. THEATER/GYM

Darkness. The Student lights up his face with a FLASHLIGHT.

STUDENT
 So much of the anime we love is
 shrouded in dark and nihilistic
 themes-

ALT
 So much of the anime we love is
 shrouded in dark and nihilistic
 themes, not to mention crude and
 sexually explicit content (even
 ones aimed at kids).

A door opens and a pillar of light hits our speaker. We are
 in the THEATER/GYM. We quickly pan to see the Emo kid in the
 doorway rolling a PROJECTOR ON WHEELS.

EMO STUDENT
 What are you doing?

STUDENT
 Nothing... Nothing at all...

The Speaker looks back at camera. In the background the Emo
 kid sets up for the premiere.

STUDENT (CONT'D)
 Don't get me wrong, I love me a
 good revenge story, or gruesome
 battle scene-

EMO STUDENT
 Me too.

STUDENT
 We know. -but, what I wouldn't give
 for a little light from time to
 time!

ALT

We know. -but does it HAVE to be SO depressing ALL the time?

ALT (CONT'D)

Don't tell my parents this, but I'd really like to have a little light from time to time!

Pan transition to see MOM standing in the hallway.

INT. OUTSIDE THEATER

MOM

(in thick southern accent)
I just wish you find yourself something a bit more positive to watch.

STUDENT

Mom! Why are you here?

MOM

You forgot your lunchbox!

She holds out a brightly colored anime themed LUNCHBOX.

STUDENT

(shy)
Oh.

He snatches the lunchbox.

STUDENT (CONT'D)

Mom's are so embarrassing. BUT she does have a point.

BACK TO:

INT. THEATER/GYM

STUDENT

While anime grows increasingly popular across the world rates of depression and suicide are also increasing.
Gabriel and the Guardians will be a message of hope and inspiration, a candle in the darkness.

ALT

In Japan, where anime is most popular, rates of suicide and depression are among the highest in the world. We want to change that one episode at a time.

(alt with self-harm and not suicide)

TRANSITION:

STUDENT

Now let's talk dollars and cents!

ALT

But why should you listen to us?

OFFERING SECTION-

INT. GYM/THEATER

Student sits in gym which is outfitted as a makeshift theater (or actual theater depending on location). We cut between him talking to camera and the show appearing on the projector screen.

STUDENT

Gabriel and Guardians is a story about a celestial guardian who meets a boastful cleric and a cunning princess as they embark on a perilous quest to stop the Chaos Giants. Our heroes race against time to stop an impending threat that could shatter their world.

Cut back to STUDENT sitting in row of seats.

STUDENT (CONT'D)

It's kind of like Avatar: The Last Airbender meets The Chronicles of Narnia.

ALT

It's kind of like Dragon Ball meets The Chronicles of Narnia.

Back to GATG images and graphics.

STUDENT

Pulling inspiration from historical Hebrew texts, Gabriel and the Guardians delivers a fantastical and epic take on those ancient stories.

Gabriel and the Guardians teaches themes like, faith, endurance, forgiveness, hope and courage.

ALT

Pulling inspiration from the Dead Sea Scrolls, Gabriel and the Guardians...

ALT (CONT'D)

Pulling inspiration from the The Bible, Gabriel and the Guardians...

Outro/2nd CTA:

INT. GYM/THEATER

Student watches the show with his classmates in the theater/gym.

STUDENT

So if you want to be a part of this story that unites and uplifts kids and young adults of all different types (tech language, eg. Click the link)

ALT

Now sit back, relax, and enjoy this sample of our show Gabriel and the Guardians.

ALT (CONT'D)

Alright guys, you ready?!

And now a sneak peek at the pilot episode animatics of Gabriel and the Guardians. Quit that banging tribal scum.

[00:01:34.410] - Speaker 2

Found you.

[00:01:39.690] - Speaker 1

yahlah!. Yeah. Woohoo. Yeah,

[00:03:17.850] - Speaker 1

you guys are fast.

[00:03:19.150] - Speaker 2

But can you go...

[00:03:20.430] - Speaker 1

...like me?

[00:03:54.570] - Speaker 1

Zion. Oh, Zion.

[00:03:59.920] - Speaker 3

How did you get ahead of me? Wait, was that you before I fell? Shabba. That's amazing. You know, one of my divine gifts is speed. But, wow, you're fast. You were literally created yesterday and already beat me on the river race.

[00:04:16.050] - Speaker 1

Easy?

[00:04:16.840] - Speaker 3

It took me a hundred years to master those bends. But lucky for you, I've got a lot more games. Well, they're mostly races, but not all of them. Come on. I want to show you something.

[00:04:51.530] - Speaker 3

This is my favorite spot in all the garden. Go for it.

[00:05:01.450] - Speaker 1

yeah.

[00:05:16.790] - Speaker 3

It's. Okay, things break, but everything has the potential to be mended.

[00:05:31.830] - Speaker 1

Oh.

[00:05:34.410] - Speaker 3

Well, you're a new creation. I've been here for, like, a thousand years, so I've learned a thing or two. Like how to fix broken things. You know, chaos to order kind of stuff. I don't know why Aya chose me, but he did. So I'm gonna do my best. Guard the trees. Protect the garden and everything in it. That's our job. Yeah, some things aren't as simple to mend.

[00:06:32.780] - Speaker 3

[dark whispers] It's beautiful isn't it? And deadly. It's why we're here and no one else is.

[00:06:47.500] - Speaker 1

Oh,

[00:06:48.880] - Speaker 3

yeah.

[00:06:49.670] - Speaker 3

I'm sorry, too. The garden was sealed off from every other realm. Now nothing can enter, except for me and the cherubim sentries, which is what you'll be one day. I know you will remember our job is... That's right. Guard them both, no matter what.

[00:07:19.000] - Speaker 1

Gabriel. Gabriel.

[00:07:22.360] - Speaker 1

Gabriel.

[00:07:25.240] - Speaker 1

Gabriel. Do you see... You... You are needed. I can't. Sorry. I have to protect the fruit...Fruit? What is that?

[00:08:27.510] - Speaker 3

You're not one of Aya's creations. How did you get past the sentries?

[00:08:50.270] - Speaker 1

Behold. I am Gabriel, keeper of the.... Come on. Is this your thing? Throwing branches? You're like a branch throwing monster?

[00:09:13.570] - Speaker 3

Yep, a branch throwing monster. And ...There. All fixed.

[00:09:27.130] - Speaker 1

Whoa.

[00:09:31.690] - Speaker 3

What are you doing here anyway, besides ripping up branches?

[00:09:38.110] - Speaker 1

Look, I don't want to hurt you, whatever you are, but you need to leave. No. Eternal fruit. Stop. Now. I said stop. No. What is this thing? What are you? Aya, help me. Final warning.

[00:10:41.170] - Speaker 3

I'm sorry.

[00:11:01.130] - Speaker 1

Yeah, you're pretty tough. Let's see how you handle this. Gotcha. Oh, you want this? To bad your all tied up. All right, that's it. I told you, I'm Gabriel, keeper of the garden, protector of the....

[00:12:25.170] - Speaker 3

Was it something I said?.

[00:12:26.260] - Speaker 3

Stupid branch monster. How'd you even get in here? No. That all you got? Guess not. Yeah.

[00:13:11.490] - Speaker 3

Thanks.

[00:13:12.280] - Speaker 3

Come on, let's stop this thing from causing any more damage to the garden.

[00:13:21.480] - Speaker 3

There that ought to hold you. Now what?

[00:13:55.890] - Speaker 3

I don't know. Just showed up at the tree, eternal trying to steal the fruit. There's something really strange about all this. You take the fruit back. I'll guard this thing until we can figure out what to do with it.

[00:14:18.690] - Speaker 1

Zion, no, the fruit.

[00:14:33.150] - Speaker 3

How are you doing this? A portal leaving the garden? Doesn't matter.

[00:14:54.620] - Speaker 1

I can't fail.

[00:14:55.880] - Speaker 3

Not again.

[00:15:24.110] - Speaker 3

Going through that portal really did a number on me. Can't fly, can't cloak. I need a plan. Find Zion, and don't be seen by a human in the process.

[00:15:31.900] - Speaker 2

Hey, you.

[00:15:33.090] - Speaker 1

Please help.

[00:15:34.400] - Speaker 3

Plans are so not my thing.

[00:15:37.470] - Speaker 2

I'm Naoak, but my friends call me Nok.

[00:15:41.090] - Speaker 3

What was that?

[00:15:42.160] - Speaker 2

Probably the giants that destroyed Earth.

[00:15:44.040] - Speaker 3

Are you controlling them?

[00:15:45.430] - Speaker 2

Controlling them? No, I'm tracking them.

[00:15:50.530] - Speaker 3

What happened here?

[00:15:52.100] - Speaker 2

Well, Er was kind of an evil place. You know, your typical run of the mill, sorcery, slavery, psychos.

[00:15:58.570] - Speaker 1

And I am going to have you both hanged.

[00:16:02.720] - Speaker 2

Oh, great, you're not dead.

[00:16:05.280] - Speaker 1

Who are you? I'm Namas, princess of Er.

[00:16:09.560] - Speaker 2

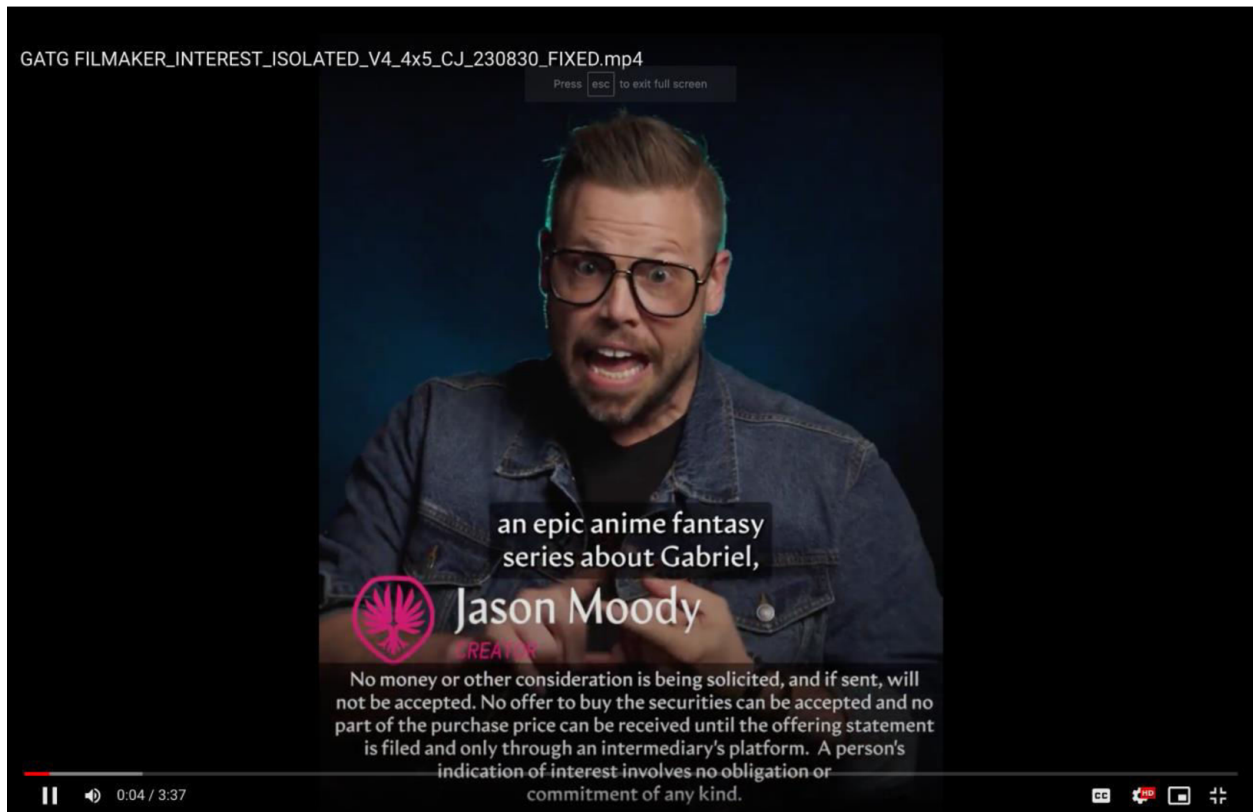

More like princess of the pile of rocks that used to be Er. The brother has found allies. They are seeking to regain their immortality. Never be safe until they are stopped.

[00:17:02.750] - Speaker 2

May we never be shaken.

[00:17:06.890] - Speaker 3

May we never fall.

"Gabriel and the Guardians" is

00:00:04:16 - 00:00:06:23
an epic anime fantasy series about Gabriel,

00:00:08:07 - 00:00:10:09
a fun-loving celestial guardian,

00:00:10:09 - 00:00:13:11
Nok, a young giant hunter, and Namayah,

00:00:13:11 - 00:00:17:00
a feisty princess alchemist
who form an unlikely bond

00:00:17:00 - 00:00:20:11
as they battle powerful creatures
and uncover dark secrets

00:00:20:11 - 00:00:23:00
while facing personal
trials and betrayals.

00:00:23:00 - 00:00:26:05
It's a storyline that people
of all ages can relate to,

00:00:26:05 - 00:00:28:03
kids and especially teens,

00:00:28:03 - 00:00:30:06
except while most popular
anime series

00:00:30:06 - 00:00:31:19
right now are pretty dark.

00:00:31:19 - 00:00:34:08
Tragedy and gore are
some of the main drivers.

00:00:34:08 - 00:00:37:07
"Gabriel and the Guardians"
has danger and evil

00:00:37:07 - 00:00:39:20
but also shows hope and goodness.

00:00:39:20 - 00:00:41:13
So you can help us bring a message

00:00:41:13 - 00:00:43:13
of hope to teens around the world

00:00:43:13 - 00:00:47:18

by expressing your interest

00:00:47:18 - 00:00:49:19
One of the things I love about this show

00:00:49:19 - 00:00:50:03
is that through their journey,

00:00:50:03 - 00:00:51:10
is that through their journey,

00:00:51:10 - 00:00:54:09
Gabriel and his companions
will inspire audiences

00:00:54:09 - 00:00:58:00
to embrace their true
divinely-shaped identities

00:00:58:00 - 00:01:01:04
and make the choices that
will shape their destinies.

00:01:01:04 - 00:01:04:03
Probably everyone, but
especially teens right now,

00:01:04:03 - 00:01:05:16
are looking for an escape.

00:01:05:16 - 00:01:08:02
They're searching for their identity,

00:01:08:02 - 00:01:10:08
but most of the anime content available

00:01:10:08 - 00:01:13:01
is escape into the abyss.

00:01:13:01 - 00:01:16:13
"Gabriel and the Guardians"
isn't celebrating anti-heroes.

00:01:16:13 - 00:01:20:01

It's a story that triumphs
courage, compassion, and wisdom.

00:01:20:01 - 00:01:23:13

Our heroes overcome the
seemingly unstoppable evils

00:01:23:13 - 00:01:26:18

they face and become better
than they were at the beginning.

00:01:26:18 - 00:01:30:01

They accomplish wonders
through their indomitable hope.

"Gabriel and the Guardians"
is made for those kids.

00:01:48:05 - 00:01:50:21
and courage to the next generation.

We're just gauging interest.

00:02:08:09 - 00:02:10:22
"Gabriel and the Guardians"
will blend the wonder

00:02:10:22 - 00:02:13:21
and world building of
"Avatar: The Last Airbender"

00:02:13:21 - 00:02:16:12
with the fun and

V2: With Trailer

00:00:04:13 - 00:00:06:07
Long ago, the world of Aura

00:00:06:07 - 00:00:09:12
descended into chaos,
and paradise was lost.

00:00:10:09 - 00:00:12:08
False gods from the unseen realm

00:00:12:08 - 00:00:16:02
deceived the people of Aura,
stealing their birthright.

00:00:16:02 - 00:00:17:18
Mortals roamed the wasteland

00:00:17:18 - 00:00:19:11
hopelessly searching for purpose.

00:00:22:09 - 00:00:24:02
(water splashing)

00:00:24:02 - 00:00:25:11
Woo hoo.

00:00:25:11 - 00:00:27:09
And that brings us to me,

00:00:27:09 - 00:00:28:23
a celestial guardian,
(metal weapon scraping)

00:00:28:23 - 00:00:32:01
sent as a light piercing the darkness.

ZION INTRO

EXT. FOREST - DAY

A FAIRY (female, 20's) flies up to a closed flower in a thick lush forest of sparkling light coming through the canopy high above.

The Fairy kisses the flower causing it to suddenly bloom and glow. She nods at her work and is about to move to the next flower when she hears something coming.

The Fairy suddenly zips away as ZION (female cherub lion cub) pounces where she had just been.

Zion misses and then jumps again trying to capture the little Fairy. Zion chases after the Fairy, bounding and tumbling through the forest.

Suddenly, Zion emerges into an opening with broken trees and accidentally tumbles down a bank and into a large impression in the ground. She looks around the large impression confused, forgetting about the Fairy who is now gone.

REVEAL: The ditch is actually a giant foot print, belonging to a giant taller than the trees.

A massive shadow suddenly covers Zion. Zion looks up at whatever is creating the shadow, then growls, ready to fight.

GABRIEL INTRO

EXT. SEA - DAY

A beautiful blue sparkling sea shimmers in the radiant sunlight. Far in the distance is the mountain-sized Celestial Tree.

A beam of light (like the bifrost from Thor) blasts down into the water.

A massive LEVIATHAN bursts up out of the water and flies into the air. GABRIEL runs out of the water on the Leviathan's back.

Gabriel runs along it's spine smiling as it flies higher into the sky, twisting around in wondrous ways that defy gravity. Gabriel runs and jumps off its head playfully.

The Leviathan opens it's mouth and swallows Gabriel whole.

Gabriel forces open the mouth of the Leviathan from inside it, pushing up with his arms. Gabriel tickles the Leviathan with his fingers which causes it to let Gabriel go.

Gabriel jumps out, laughing, and flies straight towards camera, as the Leviathan flies away.

NOK INTRO

EXT. PRISON PITS - NIGHT

(This is a trimmed down and adjusted version of the opening we already have in the 101 animatic).

A giant statue head spins through the air, slamming into the wall of a prison and seemingly killing a GUARD (Man, 40's).

INT./EXT. NOK'S PIT - CONTINUOUS

NOK climbs up to the rim of his prison pit, scars and wounds fresh on his body. He's been beaten a lot. He survey's the area, but doesn't see any guards nearby.

EXT. PRISON PITS - CONTINUOUS

Nok fully climbs out of his pit. He looks over at the fresh hole in the prison wall, it's his chance to escape. Nok starts walking towards his freedom when he hears GROANING behind him.

GUARD
(moaning/groaning)

Nok pauses, thinking, then turns around and then stares off screen towards the groaning.

IN RUBBLE - CONTINUOUS

The Guard's hand reaches up from the rubble towards a narrow shaft of moonlight. It's a hopeless situation, no one could even see his hand.

The Guard's muffled groaning lessens and his breathing slows.

GUARD (CONT'D)
(breathing/moaning/groaning)

The Guard's hand slumps as he stops making noises.

Suddenly, Nok's hand reaches into the rubble and grabs the Guard's hand and pulls.

NAAMAH INTRO

INT. URACH PALACE - NIGHT

(Camera stays very close on Naamah the whole time.)

NAAMAH, the princess of Ur, stands tall and proud in a hall fit for a queen.

Naamah is getting primped by hands off screen with jewels and symbols and all kinds of intricate and beautiful things. This is her Life Day, which is the day she meets her gods.

Muffled and distant sounds of shouting and yelling trickle through.

We stay close on Naamah, never showing anyone else.

Camera stays on Naamah's hands, her eyes, her hair, the symbols, the jewelry, her feet.

The doors in front of Naamah open and she walks out alone.

EXT. URACH - CONTINUOUS

Naamah walks in darkness until she comes to two HOODED FIGURES (adult height, unable to see their features or face) who stand on either side of a steep staircase. Naamah stops in front of them and waits.

Sounds of distant RUNNING, SCREAMING, and CHAOS echo from somewhere far below. Everything feels very eerie, but Naamah is focused.

The Hooded Figures chant something in a strange language.

HOODED FIGURES
(Short guttural chant).

Candles suddenly burst to life with fire on either side of the stair case.

Naamah climbs the staircase as the candles burst to life next to her.

Naamah reaches the top of the staircase which ends in a platform. There is a wall of darkness in front of her, as big as a building. She kneels down on the platform.

Suddenly, out of the wall of darkness two giant glowing eyes open. The eyes are evil. Each eye is the size of a bus. The NEPHILIM moves forward, revealing it's horrid face.

EXT. ARA - OUTSIDE PARAH'DEM - DAY

CAYIN (17) and 5 KID'S (4-14) glowing stand on a cliff edge outside Parah'dem. Cayin is planting a CELESTIAL SEED.

A pack of BIRDS (mythic fantasy birds) fly through the air. At first they seem peaceful too, but there's something wrong.

A loud CRRRRAAAACCCCKKKKK rumbles over the sky followed by WIND. More CRACKS like giant boulders breaking in half.

CAYIN (V.O.)

We never considered the cost of
what we had done until that day.

The earthquake sound continues.

BOY 1 and GIRL 1 (8 & 10) stand in a field. They look up at the sky in shock as the ground splits open at their feet.

Everyone stands in awe, staring up at the sky with wide eyes.

CAYIN (V.O.)

The day that everything changed.

CAYIN (Teen, 17) kneels in a meadow looking up with wide eyes as tears fall down his cheeks. There is a tiny glowing tree next to him that he just planted.

The rumbling and wind continues. A massive shadow creeps over the land covering Cayin. The shadow covers the tiny glowing tree that was just planted. The glow in the tree dims and so does Cayin's glow. Cayin looks down at the little tree, confusion in his eyes, and then back up to the sky and frowns, anger filling his face.

The shadow swallows up the land, including the other kids watching, their glows gone. Cracks of lightning flicker, followed by THUNDER.

Suddenly, the rumbling earthquake sound stops. Everyone holds their breath, unable to believe what they are seeing.

REVEAL: The massive island of Paradehm rises into the sky, floating into the clouds. It sparkles with light. Waterfalls run off its ends to massive pools below.

In the very center of Paradehm, at the very bottom underneath, black Chaos Waters pour from a hole like the island is bleeding right from it's heart.

CAYIN (V.O.)

The day the gods left.

statement is filed and only through an intermediary's platform. A person's indication of interest involves no obligation or commitment of any kind.

Johnny Yong Bosch

00:00:00:01 - 00:00:01:07

Hey, I'm Johnny Young-Bosch. If you don't know me, I'm an actor and a voice actor. I was a former Power Ranger, and I've worked on many anime titles like Bleach, Naruto, Trigun, Akira. But I'm here because I'm thrilled to tell you about my new project, Gabriel and the Guardians, where I voice the main character, Gabriel.

Upsound: Gabriel

00:00:17: 09 - 00:00:19:15

My name is Gabriel.

Johnny Yong Bosch

00:00:20:00 - 00:00:35:01

So what's the story? Gabriel and the Guardians is an epic animated fantasy series that tells the story of Gabriel, a celestial being from an unseen realm who teams up with two mortals as they face off against chaos giants and the forces of darkness.

Johnny Yong Bosch

00:00:35:01 - 00:00:53:03

This series is not only going to be visually stunning, but we hope it will inspire minds and move hearts with a positive overall message about who we are and how we can overcome our own giants. So what's the big deal? Why the announcement? Well, because you could actually be a part of making this project a reality.

Johnny Yong Bosch

00:00:35:03 - 00:01:16:18

But let me tell you a story first. A long time ago, a guy comes up to me, Jason Moody, with an idea and he asked me to voice the lead character in this project. It's a very small, independent thing and I was like, sure, why not? I like the story, I like the character, why not give it a shot? I did it and then time passed, it faded away and I assume, Same fate as many other starter projects. It's just gone and it's done.

Johnny Yong Bosch

00:01:16:18 - 00:01:35:22

Well years go by and Jason comes up to me with a new project a bigger idea a better story and messaging that actually spoke to my heart. But why give him another chance? Well, I saw his passion and I saw his heart and how much he poured into this and I knew he wasn't gonna give up So I said sure why not? Let's do this thing.

Johnny Yong Bosch

00:01:35:22 - 00:01:42:03

And so a little more time goes by and then I get a call and suddenly there's an overseas animation studio.

Johnny Yong Bosch

00:01:42:03 - 00:01:51:10

They're now involved as well as Angel Studios who brought us The Chosen, Winged Feather Saga, Sound of Freedom. They're also now partnering to bring this to life.

Johnny Yong Bosch

00:01:52:04 - 00:02:11:08

And I couldn't believe it. I thought this is amazing. How is this even possible? This doesn't work this way, but it does. This is like an underdog story. So many more people are now involved. People that have worked on Mulan, The Lion King, Tarzan They've worked on projects for Cartoon Network, Warner Brothers and Hasbro not to mention other voice actors that are now involved.

Johnny Yong Bosch

00:02:11:15 - 00:02:27:12

This project has literally grown legs and arms and wings, but don't take my word for it. Please go check out the teaser. And if you like what you see then follow the links and find out how you can also be involved in making this project a reality.
