Offering Statement

Respond to each question in each paragraph of this part. Set forth each question and any notes, but not any instructions thereto, in their entirety. If disclosure in response to any question is responsive to one or more other questions, it is not necessary to repeat the disclosure. If a question or series of questions is inapplicable or the response is available elsewhere in the Form, either state that it is inapplicable, include a cross-reference to the responsive disclosure, or omit the question or series of questions.

Be very careful and precise in answering all questions. Give full and complete answers so that they are not misleading under the circumstances involved. Do not discuss any future performance or other anticipated event unless you have a reasonable basis to believe that it will actually occur within the foreseeable future. If any answer requiring significant information is materially inaccurate, incomplete or misleading, the Company, its management and principal shareholders may be liable to investors based on that information.

BUSINESS AND ANTICIPATED BUSINESS PLAN

7. Describe in detail the business of the issuer and the anticipated business plan of the issuer.

For a description of our business and our business plan, please refer to the attached [Appendix A, Business Description & Plan](#)

INSTRUCTION TO QUESTION 7: Wefunder will provide your company’s Wefunder profile as an appendix (Appendix A) to the Form C in PDF format. The submission will include all Q&A items and “read more” links in an un-collapsed format. All videos will be transcribed.

This means that any information provided in your Wefunder profile will be provided to the SEC in response to this question. As a result, your company will be potentially liable for misstatements and omissions in your profile under the Securities Act of 1933, which requires you to provide material information related to your business and anticipated business plan. Please review your Wefunder profile carefully to ensure it provides all material information, is not false or misleading, and does not omit any information that would cause the information included to be false or misleading.

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment.

In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination

that these securities are exempt from registration.

8. Discuss the material factors that make an investment in the issuer speculative or risky:

The Field of AI is getting highly competitive, the company might not be able to effectively compete with big industry players entering this market.

The company is reliant on third party software like Chatgpt as an integral part of it's offering. Access to these technologies might be limited through regulation or other reasons.

The companies business model is in the early phase of implementation and might not prove to be successful or might require more capital than estimated.

The company currently does not have the funds to hire all the staff needed, it might not be able to execute the vision of the founders because of the lack of access to funding.

Market Acceptance: There's a risk that the market may not accept or adapt to the AI-enhanced health platform and holistic wellness solutions that LIV-Life offers.

Regulatory Risks: Health and wellness industries are heavily regulated. Any changes in regulations or non-compliance could impact the business.

Dependence on Funding: As a startup, LIV-Life's growth and expansion heavily rely on securing the necessary funding. Any failure in raising the required capital could hinder its progress.

Competition: The health and wellness industry is highly competitive. There's a risk that competitors with more resources could overshadow LIV-Life.

Data Privacy: As LIV-Life plans to monetize anonymized and aggregated data, any breach of data privacy could lead to legal issues and damage its reputation.

Customer Retention: The success of LIV-Life depends on its ability to retain customers. Any failure in maintaining a high retention rate could affect its revenue.

The Company may never receive a future equity financing or elect to convert the Securities upon such future financing. In addition, the Company may never undergo a liquidity event such as a sale of the Company or an IPO. If neither the conversion of the Securities nor a liquidity event occurs, the Purchasers could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. The Securities are not equity interests, have no ownership rights, have no rights to the Company's assets or profits and have no voting rights or ability to direct the Company or its actions.

Our future success depends on the efforts of a small management team. The loss of services of the members of the management team may have an adverse effect on the company. There can be no assurance that we will be successful in attracting and retaining other personnel we require to successfully grow our business.

Julien Uhlig is a part-time officer. As such, it is likely that the company will not make the same progress as it would if

the company will not make the same progress as it would if that were not the case.

INSTRUCTION TO QUESTION 8: Avoid generalized statements and include only those factors that are unique to the issuer. Discussion should be tailored to the issuer's business and the offering and should not repeat the factors addressed in the legends set forth above. No specific number of risk factors is required to be identified.

The Offering

USE OF FUNDS

9. What is the purpose of this offering?

The Company intends to use the net proceeds of this offering for working capital and general corporate purposes, which includes the specific items listed in Item 10 below. While the Company expects to use the net proceeds from the Offering in the manner described above, it cannot specify with certainty the particular uses of the net proceeds that it will receive from this Offering. Accordingly, the Company will have broad discretion in using these proceeds.

10. How does the issuer intend to use the proceeds of this offering?

If we raise: **\$50,000**

Use of Proceeds: 42.5% towards marketing (Social Media), 30% towards staffing support team, 20% (Administrative Overhead), 7.5% Wefunder Fee

If we raise: **\$1,235,000**

Use of Proceeds: 42.5% towards marketing (Social Media), 20% towards technology development, 10% (Administrative Support), 10% (Staff Training, 10% (Cash Reserves), 7.5% Wefunder Fee

As the product and service is functional, hitting our maximum target will allow us to scale the operation, train more staff, add staff in other languages then English and invest in Marketing.

INSTRUCTION TO QUESTION 10: An issuer must provide a reasonably detailed description of any intended use of proceeds, such that investors are provided with an adequate amount of information to understand how the offering proceeds will be used. If an issuer has identified a range of possible uses, the issuer should identify and describe each probable use and the factors the issuer may consider in allocating proceeds among the potential uses. If the issuer will accept proceeds in excess of the target offering amount, the issuer must describe the purpose, method for allocating oversubscriptions, and intended use of the excess proceeds with similar specificity. Please include all potential uses of the proceeds of the offering, including any that may apply only in the case of oversubscriptions. If you do not do so, you may later be required to amend your Form C. Wefunder is not responsible for any failure by you to describe a potential use of offering proceeds.

DELIVERY & CANCELLATIONS

11. How will the issuer complete the transaction and deliver securities

How will the issuer complete the transaction and deliver securities to the investors?

Book Entry and Investment in the Co-Issuer. Investors will make their investments by investing in interests issued by one or more co-issuers, each of which is a special purpose vehicle ("SPV"). The SPV will invest all amounts it receives from investors in securities issued by the Company. Interests issued to investors by the SPV will be in book entry form. This means that the investor will not receive a certificate representing his or her investment. Each investment will be recorded in the books and records of the SPV. In addition, investors' interests in the investments will be recorded in each investor's "Portfolio" page on the Wefunder platform. All references in this Form C to an Investor's investment in the Company (or similar phrases) should be interpreted to include investments in a SPV.

12. How can an investor cancel an investment commitment?

NOTE: Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met. If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or her investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

An Investor's right to cancel. An Investor may cancel his or her investment commitment at any time until 48 hours prior to the offering deadline.

If there is a material change to the terms of the offering or the information provided to the Investor about the offering and/or the Company, the Investor will be provided notice of the change and must re-confirm his or her investment commitment within five business days of receipt of the notice. If the Investor does not reconfirm, he or she will receive notifications disclosing that the commitment was cancelled, the reason for the cancellation, and the refund amount that the investor is required to receive. If a material change occurs within five business days of the maximum number of days the offering is to remain open, the offering will be extended to allow for a period of five business days for the investor to reconfirm.

If the Investor cancels his or her investment commitment during the period when cancellation is permissible, or does

not reconfirm a commitment in the case of a material change to the investment, or the offering does not close, all of the Investor's funds will be returned within five business days.

Within five business days of cancellation of an offering by the Company, the Company will give each investor notification of the cancellation, disclose the reason for the cancellation, identify the refund amount the Investor will receive, and refund the Investor's funds.

The Company's right to cancel. The Investment Agreement you will execute with us provides the Company the right to cancel for any reason before the offering deadline.

If the sum of the investment commitments from all investors does not equal or exceed the target offering amount at the time of the offering deadline, no securities will be sold in the offering, investment commitments will be cancelled and committed funds will be returned.

Ownership and Capital Structure

THE OFFERING

13. Describe the terms of the securities being offered.

To view a copy of the SAFE you will purchase, please see [Appendix B, Investor Contracts](#). The main terms of the SAFEs are provided below.

The SAFEs. We are offering securities in the form of a Simple Agreement for Future Equity ("SAFE"), which provides Investors the right to **preferred stock** in the Company ("**Preferred Stock**"), when and if the Company sponsors an equity offering that involves **Preferred Stock**, on the standard terms offered to other Investors.

Conversion to Preferred Equity. Based on our SAFEs, when we engage in an offering of equity interests involving **preferred stock**, **Investors will receive a number of shares of preferred stock** calculated using the method that results in the greater number of **preferred stock**:

- i. the total value of the Investor's investment, divided by
 - a. the price of **preferred stock** issued to new Investors multiplied by
 - b. the **discount rate** (70%), or
- ii. if the valuation for the company is more than **\$12,000,000.00** (the "Valuation Cap"), the amount invested by the Investor divided by the quotient of
 - a. the Valuation Cap divided by
 - b. the total amount of the Company's capitalization at that time.
- iii. for investors up to the first **\$500,000.00** of the securities, investors will receive a valuation cap of **\$9,000,000.00** and a discount rate of 70.0%. Wefunder VIP investors will be entitled to these terms for the entire duration of the offering, even if the threshold limit noted above is met.

Additional Terms of the Valuation Cap. For purposes of option (ii) above, the Company's capitalization calculated as of immediately prior to the Equity Financing and (without

double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all Converting Securities;
- Includes all (i) issued and outstanding Options and (ii) Promised Options; and
- Includes the Unissued Option Pool, except that any increase to the Unissued Option Pool in connection with the Equity Financing shall only be included to the extent that the number of Promised Options exceeds the Unissued Option Pool prior to such increase.

Liquidity Events. If the Company has an initial public offering or is acquired by, merged with, or otherwise taken over by another company or new owners prior to Investors in the SAFEs receiving **preferred stock**, Investors will receive

- proceeds equal to the greater of (i) the Purchase Amount (the "Cash-Out Amount") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "Conversion Amount")

Liquidity Priority. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard nonparticipating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

- i. Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);
- ii. On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and
- iii. Senior to payments for Common Stock.

VIP Bonus

Life AI Science Inc. will offer a discount to the normal terms listed in this Form C for all investments that are committed by investors who are part of Wefunder, Inc's VIP program. This means eligible Wefunder investors will receive a discount for any securities they purchased in this offering. For more specific details on the company's discount, please review the description of the terms above.

The discount is only valid until the offering closes. Investors eligible for the bonus will also receive priority if they are on a waitlist to invest and the company exceeds its maximum funding goal. They will be given the first opportunity to invest if space in the offering becomes available due to the cancellation or failure of previous investments.

Securities Issued by the SPV

Instead of issuing its securities directly to investors, the

instead of issuing its securities directly to investors, the Company has decided to issue its securities to the SPV, which will then issue interests in the SPV to investors. The SPV is formed concurrently with the filing of the Form C. Given this, the SPV does not have any financials to report. The SPV is managed by Wefunder Admin, LLC and is a co-issuer with the Company of the securities being offered in this offering. The Company's use of the SPV is intended to allow investors in the SPV to achieve the same economic exposure, voting power, and ability to assert State and Federal law rights, and receive the same disclosures, as if they had invested directly in the Company. The Company's use of the SPV will not result in any additional fees being charged to investors.

The SPV has been organized and will be operated for the sole purpose of directly acquiring, holding and disposing of the Company's securities, will not borrow money and will use all of the proceeds from the sale of its securities solely to purchase a single class of securities of the Company. As a result, an investor investing in the Company through the SPV will have the same relationship to the Company's securities, in terms of number, denomination, type and rights, as if the investor invested directly in the Company.

Voting Rights

If the securities offered by the Company and those offered by the SPV have voting rights, those voting rights may be exercised by the investor or his or her proxy. The applicable proxy is the Lead Investor, if the Proxy (described below) is in effect.

Proxy to the Lead Investor

The SPV securities have voting rights. With respect to those voting rights, the investor and his, her, or its transferees or assignees (collectively, the "Investor"), through a power of attorney granted by Investor in the Investor Agreement, has appointed or will appoint the Lead Investor as the Investor's true and lawful proxy and attorney (the "Proxy") with the power to act alone and with full power of substitution, on behalf of the Investor to: (i) vote all securities related to the Company purchased in an offering hosted by Wefunder Portal, and (ii) execute, in connection with such voting power, any instrument or document that the Lead Investor determines is necessary and appropriate in the exercise of his or her authority. Such Proxy will be irrevocable by the Investor unless and until a successor lead investor ("Replacement Lead Investor") takes the place of the Lead Investor. Upon notice that a Replacement Lead Investor has taken the place of the Lead Investor, the Investor will have five (5) calendar days to revoke the Proxy. If the Proxy is not revoked within the 5-day time period, it shall remain in effect.

Restriction on Transferability

The SPV securities are subject to restrictions on transfer, as set forth in the Subscription Agreement and the Limited Liability Company Agreement of Wefunder SPV, LLC, and may not be transferred without the prior approval of the Company, on behalf of the SPV.

14. Do the securities offered have voting rights?

- ☐ Yes
☒ No

15. Are there any limitations on any voting or other rights identified above?

See the above description of the Proxy to the Lead Investor.

16. How may the terms of the securities being offered be modified?

Any provision of this Safe may be amended, waived or modified by written consent of the Company and either:

- i. the Investor or
- ii. the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii):
 - A. the Purchase Amount may not be amended, waived or modified in this manner,
 - B. the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and
 - C. such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes.

Pursuant to authorization in the Investor Agreement between each Investor and Wefunder Portal, Wefunder Portal is authorized to take the following actions with respect to the investment contract between the Company and an investor:

- A. Wefunder Portal may amend the terms of an investment contract, provided that the amended terms are more favorable to the investor than the original terms; and
- B. Wefunder Portal may reduce the amount of an investor's investment if the reason for the reduction is that the Company's offering is oversubscribed.

RESTRICTIONS ON TRANSFER OF THE SECURITIES BEING OFFERED:

The securities being offered may not be transferred by any purchaser of such securities during the one year period beginning when the securities were issued, unless such securities are transferred:

1. to the issuer;
2. to an accredited investor;
3. as part of an offering registered with the U.S. Securities and Exchange Commission; or
4. to a member of the family of the purchaser or the equivalent, to a trust controlled by the purchaser, to a trust created for the benefit of a member of the family of the purchaser or the equivalent, or in connection with the death or divorce of the purchaser or other similar circumstance.

NOTE: The term "accredited investor" means any person who comes within any of the categories set forth in Rule 501(a) of Regulation D, or who the seller reasonably believes comes within any of such categories, at the time of the sale of the securities to that person.

The term “member of the family of the purchaser or the equivalent” includes a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the purchaser, and includes adoptive relationships. The term “spousal equivalent” means a cohabitant occupying a relationship generally equivalent to that of a spouse.

DESCRIPTION OF ISSUER’S SECURITIES

17. What other securities or classes of securities of the issuer are outstanding? Describe the material terms of any other outstanding securities or classes of securities of the issuer.

Class of Security	Securities (or Amount) Authorized	Securities (or Amount) Outstanding	Voting Rights
Common	10,000,000	10,000,000	Yes v

Class of Security	Securities Reserved for Issuance upon Exercise or Conversion
-------------------	--

Warrants:

Options:

Describe any other rights:

The company has not yet authorized preferred stock, which investors would receive in this offering if the SAFE converts as part of an equity financing event. Preferred stock has a liquidation preference over common stock.

18. How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?

The holders of a majority-in-interest of voting rights in the Company could limit the Investor’s rights in a material way. For example, those interest holders could vote to change the terms of the agreements governing the Company’s operations or cause the Company to engage in additional offerings (including potentially a public offering).

These changes could result in further limitations on the voting rights the Investor will have as an owner of equity in the Company, for example by diluting those rights or limiting them to certain types of events or consents.

To the extent applicable, in cases where the rights of holders of convertible debt, SAFES, or other outstanding options or warrants are exercised, or if new awards are granted under our equity compensation plans, an Investor’s interests in the Company may be diluted. This means that the pro-rata portion of the Company represented by the Investor’s securities will decrease, which could also diminish the Investor’s voting and/or economic rights. In addition, as discussed above, if a majority-in-interest of holders of securities with voting rights cause the Company to issue additional equity, an Investor’s interest will typically also be

additional equity, an investor's interest will typically also be diluted.

Based on the risk that an Investor's rights could be limited, diluted or otherwise qualified, the Investor could lose all or part of his or her investment in the securities in this offering, and may never see positive returns.

Additional risks related to the rights of other security holders are discussed below, in Question 20.

19. Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?

No.

20. How could the exercise of rights held by the principal shareholders identified in Question 6 above affect the purchasers of the securities being offered?

As holders of a majority-in-interest of voting rights in the Company, **the shareholders** may make decisions with which the Investor disagrees, or that negatively affect the value of the Investor's securities in the Company, and the Investor will have no recourse to change these decisions. The Investor's interests may conflict with those of other investors, and there is no guarantee that the Company will develop in a way that is optimal for or advantageous to the Investor.

For example, **the shareholders** may change the terms of the articles of incorporation for the company, change the terms of securities issued by the Company, change the management of the Company, and even force out minority holders of securities. **The shareholders** may make changes that affect the tax treatment of the Company in ways that are unfavorable to you but favorable to them. They may also vote to engage in new offerings and/or to register certain of the Company's securities in a way that negatively affects the value of the securities the Investor owns. Other holders of securities of the Company may also have access to more information than the Investor, leaving the Investor at a disadvantage with respect to any decisions regarding the securities he or she owns.

The shareholders have the right to redeem their securities at any time. **Shareholders** could decide to force the Company to redeem their **securities** at a time that is not favorable to the Investor and is damaging to the Company. Investors' exit may affect the value of the Company and/or its viability.

In cases where the rights of holders of convertible debt, SAFES, or other outstanding options or warrants are exercised, or if new awards are granted under our equity compensation plans, an Investor's interests in the Company may be diluted. This means that the pro-rata portion of the Company represented by the Investor's securities will decrease, which could also diminish the Investor's voting and/or economic rights. In addition, as discussed above, if a majority-in-interest of holders of securities with voting rights cause the Company to issue additional stock, an Investor's interest will typically also be diluted.

21. How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.

The offering price for the securities offered pursuant to this Form C has been determined arbitrarily by the Company, and does not necessarily bear any relationship to the

Company's book value, assets, earnings or other generally accepted valuation criteria. In determining the offering price, the Company did not employ investment banking firms or other outside organizations to make an independent appraisal or evaluation. Accordingly, the offering price should not be considered to be indicative of the actual value of the securities offered hereby.

The initial amount invested in a SAFE is determined by the investor, and we do not guarantee that the SAFE will be converted into any particular number of **shares of Preferred Stock**. As discussed in Question 13, when we engage in an offering of equity interests involving **Preferred Stock**, Investors may receive a number of shares of **Preferred Stock** calculated as either (i) the total value of the Investor's investment, divided by the price of the **Preferred Stock** being issued to new Investors, or (ii) if the valuation for the company is more than the Valuation Cap, the amount invested divided by the quotient of (a) the Valuation Cap divided by (b) the total amount of the Company's capitalization at that time.

Because there will likely be no public market for our securities prior to an initial public offering or similar liquidity event, the price of the **Preferred Stock** that Investors will receive, and/or the total value of the Company's capitalization, will be determined by our **board of directors**. Among the factors we may consider in determining the price of **Preferred Stock** are prevailing market conditions, our financial information, market valuations of other companies that we believe to be comparable to us, estimates of our business potential, the present state of our development and other factors deemed relevant.

In the future, we will perform valuations of our **stock (including both common stock and Preferred Stock)** that take into account, as applicable, factors such as the following:

- unrelated third party valuations;
- the price at which we sell other securities in light of the relative rights, preferences and privileges of those securities;
- our results of operations, financial position and capital resources;
- current business conditions and projections;
- the marketability or lack thereof of the securities;
- the hiring of key personnel and the experience of our management;
- the introduction of new products;
- the risk inherent in the development and expansion of our products;
- our stage of development and material risks related to our business;
- the likelihood of achieving a liquidity event, such as an initial public offering or a sale of our company given the prevailing market conditions and the nature and history of our business;
- industry trends and competitive environment;
- trends in consumer spending, including consumer confidence;
- overall economic indicators, including gross domestic product, employment, inflation and interest rates; and

process, employment, inflation and interest rates, and

- the general economic outlook.

We will analyze factors such as those described above using a combination of financial and market-based methodologies to determine our business enterprise value. For example, we may use methodologies that assume that businesses operating in the same industry will share similar characteristics and that the Company's value will correlate to those characteristics, and/or methodologies that compare transactions in similar securities issued by us that were conducted in the market.

22. What are the risks to purchasers of the securities relating to minority ownership in the issuer?

An Investor in the Company will likely hold a minority position in the Company, and thus be limited as to its ability to control or influence the governance and operations of the Company.

The marketability and value of the Investor's interest in the Company will depend upon many factors outside the control of the Investor. The Company will be managed by its officers and be governed in accordance with the strategic direction and decision-making of its Board Of Directors, and the Investor will have no independent right to name or remove an officer or member of the Board Of Directors of the Company.

Following the Investor's investment in the Company, the Company may sell interests to additional investors, which will dilute the percentage interest of the Investor in the Company. The Investor may have the opportunity to increase its investment in the Company in such a transaction, but such opportunity cannot be assured.

The amount of additional financing needed by the Company, if any, will depend upon the maturity and objectives of the Company. The declining of an opportunity or the inability of the Investor to make a follow-on investment, or the lack of an opportunity to make such a follow-on investment, may result in substantial dilution of the Investor's interest in the Company.

23. What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?

Additional issuances of securities. Following the Investor's investment in the Company, the Company may sell interests to additional investors, which will dilute the percentage interest of the Investor in the Company. The Investor may have the opportunity to increase its investment in the Company in such a transaction, but such opportunity cannot be assured. The amount of additional financing needed by the Company, if any, will depend upon the maturity and objectives of the Company. The declining of an opportunity or the inability of the Investor to make a follow-on investment, or the lack of an opportunity to make such a follow-on investment, may result in substantial dilution of the Investor's interest in the Company.

Issuer repurchases of securities. The Company may have

Issuer repurchases of securities. The Company may have authority to repurchase its securities from shareholders, which may serve to decrease any liquidity in the market for such securities, decrease the percentage interests held by other similarly situated investors to the Investor, and create pressure on the Investor to sell its securities to the Company concurrently.

A sale of the issuer or of assets of the issuer. As a minority owner of the Company, the Investor will have limited or no ability to influence a potential sale of the Company or a substantial portion of its assets. Thus, the Investor will rely upon the executive management of the Company and the Board of Directors of the Company to manage the Company so as to maximize value for shareholders. Accordingly, the success of the Investor's investment in the Company will depend in large part upon the skill and expertise of the executive management of the Company and the Board of Directors of the Company. If the Board Of Directors of the Company authorizes a sale of all or a part of the Company, or a disposition of a substantial portion of the Company's assets, there can be no guarantee that the value received by the Investor, together with the fair market estimate of the value remaining in the Company, will be equal to or exceed the value of the Investor's initial investment in the Company.

Transactions with related parties. The Investor should be aware that there will be occasions when the Company may encounter potential conflicts of interest in its operations. On any issue involving conflicts of interest, the executive management and Board of Directors of the Company will be guided by their good faith judgement as to the Company's best interests. The Company may engage in transactions with affiliates, subsidiaries or other related parties, which may be on terms which are not arm's-length, but will be in all cases consistent with the duties of the management of the Company to its shareholders. By acquiring an interest in the Company, the Investor will be deemed to have acknowledged the existence of any such actual or potential conflicts of interest and to have waived any claim with respect to any liability arising from the existence of any such conflict of interest.

24. Describe the material terms of any indebtedness of the issuer:

The term "spousal equivalent" means a cohabitant occupying a relationship generally equivalent to that of a spouse.

Management's Discussion and Analysis of Financial Condition and Results of Operations

You should read the following discussion and analysis of our financial condition and results of operations together with our financial statements and the related notes and other financial information included elsewhere in this offering. Some of the information contained in this discussion and analysis, including information regarding the strategy and plans for our business, includes forward-looking statements that involve risks and uncertainties. You should review the "Risk Factors" section for a discussion of important factors that could cause actual results to differ materially from the results described in or implied by the forward-looking statements contained in the following discussion and analysis.

Overview

LIV CARE AI- Human Solutions is for the \$12T Global Healthcare and Wellness-Market. The Company plans to earn revenue using a SAAS platform leveraging AI technology to improve the health and wellbeing of international patients aged 55 and older through online mentoring and data science.

Milestones

LIFE AI Science Inc. was incorporated in the State of Wyoming in March 2023.

Since then, we have:

- Fast Growing 🌐 AI-Backed Health and Fitness ♂ platform for the Generation 50+ 🧓
- Massive-Global Growth Market, Aging Population, Rising Healthcare Cost plus the Power of AI
- Pre-Approved for German Government Co-Funding of \$500k in 2023. Global Markets in Mind
- Unique Business model and target market by being multilingual and targeting 50+ Generations.
- Top-Team Experience Growing Companies funded by Top VC's like Kleiner Perkins, Wellington, RBS.
- Rockstar-Team featured in Forbes, CNN, Mashable, Business Rockstars, Japan Times and More

The Company is subject to risks and uncertainties common to early-stage companies. Given the Company's limited operating history, the Company cannot reliably estimate how much revenue it will receive in the future.

Historical Results of Operations

Our company was organized in March 2023 and has limited operations upon which prospective investors may base an evaluation of its performance.

- *Revenues & Gross Margin.* For the period as of inception (March 17, 2023), the Company had revenues of \$0.
- *Assets.* As of inception, the Company had total assets of \$0.

- *Assets.* As of inception, the Company had total assets of \$0, including \$0 in cash.
- *Net Income.* The Company has had net income of \$0 as of inception.
- *Liabilities.* The Company's liabilities totaled \$0 as of inception.

Related Party Transaction

Refer to Question 26 of this Form C for disclosure of all related party transactions.

Liquidity & Capital Resources

To-date, the company has been financed with \$500,000 in director-contributed capital.

After the conclusion of this Offering, should we hit our minimum funding target, our projected runway is 12 months before we need to raise further capital.

We plan to use the proceeds as set forth in this Form C under "Use of Funds". We don't have any other sources of capital in the immediate future.

We will likely require additional financing in excess of the proceeds from the Offering in order to perform operations over the lifetime of the Company. We plan to raise capital in 12 months. Except as otherwise described in this Form C, we do not have additional sources of capital other than the proceeds from the offering. Because of the complexities and uncertainties in establishing a new business strategy, it is not possible to adequately project whether the proceeds of this offering will be sufficient to enable us to implement our strategy. This complexity and uncertainty will be increased if less than the maximum amount of securities offered in this offering is sold. The Company intends to raise additional capital in the future from investors. Although capital may be available for early-stage companies, there is no guarantee that the Company will receive any investments from investors.

Runway & Short/Mid Term Expenses

LIFE AI Science Inc. cash in hand is \$25,000, as of August 2023. Over the last three months, revenues have averaged \$0/month, cost of goods sold has averaged \$6,000/month, and operational expenses have averaged \$0/month, for an average burn rate of \$6,000 per month. Our intent is to be profitable in 12 months.

Since the date of our financials, we have access to a line of credit of \$250,000 from EX Venture Inc. to support ongoing operations for 12 months regardless of the outcome of the Wefunder Raise.

We expect revenue of \$25,000 with a margin of 40% starting October 1, 2023. At that point, the company can be cash flow positive from an operational level deducting the cost of customer acquisition, which is currently estimated at 10% of revenue but could go higher depending on the cost of ads. Since the product is offered in different jurisdictions with different ad cost, this number is tough to

predict.

We are not yet profitable. We strive to be profitable by October of 2023 assuming we raise our minimum target on Wefunder. Substantial investments have been done off-balance sheet and we are ready to launch our first subscription service within the next 6 weeks. We have a line of credit secured for the operation of 12 months.

Besides Wefunder, we have a line of credit of \$250,000 to get us through 12 months of operations regardless of the outcome of the Wefunder campaign.

All projections in the above narrative are forward-looking and not guaranteed.

INSTRUCTIONS TO QUESTION 28: The discussion must cover each year for which financial statements are provided. For issuers with no prior operating history, the discussion should focus on financial milestones and operational, liquidity and other challenges. For issuers with an operating history, the discussion should focus on whether historical results and cash flows are representative of what investors should expect in the future. Take into account the proceeds of the offering and any other known or pending sources of capital. Discuss how the proceeds from the offering will affect liquidity, whether receiving these funds and any other additional funds is necessary to the viability of the business, and how quickly the issuer anticipates using its available cash. Describe the other available sources of capital to the business, such as lines of credit or required contributions by shareholders. References to the issuer in this Question 28 and these instructions refer to the issuer and its predecessors, if any.

OTHER MATERIAL

INFORMATION

31. In addition to the information expressly required to be included in this Form, include:

- (1) any other material information presented to investors; and
- (2) such further material information, if any, as may be necessary to make the required statements, in the light of the circumstances under which they are made, not misleading.

The Lead Investor. As described above, each Investor that has entered into the Investor Agreement will grant a power of attorney to make voting decisions on behalf of that Investor to the Lead Investor (the "Proxy"). The Proxy is irrevocable unless and until a Successor Lead Investor takes the place of the Lead Investor, in which case, the Investor has a five (5) calendar day period to revoke the Proxy. Pursuant to the Proxy, the Lead Investor or his or her successor will make voting decisions and take any other actions in connection with the voting on Investors' behalf.

The Lead Investor is an experienced investor that is chosen to act in the role of Lead Investor on behalf of Investors that have a Proxy in effect. The Lead Investor will be chosen by the Company and approved by Wefunder Inc. and the identity of the initial Lead Investor will be disclosed to Investors before Investors make a final investment decision to purchase the securities related to the Company.

The Lead Investor can quit at any time or can be removed by Wefunder Inc. for cause or pursuant to a vote of investors as detailed in the Lead Investor Agreement. In the event the Lead Investor quits or is removed, the Company will choose a Successor Lead Investor who must be approved by Wefunder Inc. The identity of the Successor Lead Investor will be disclosed to Investors, and those that have a Proxy in effect can choose to either leave such Proxy in place or revoke such Proxy during a 5-day period beginning with notice of the replacement of the Lead Investor.

The Lead Investor will not receive any compensation for his or her services to the SPV. The Lead Investor may receive compensation if, in the future, Wefunder Advisors LLC forms a fund ("Fund") for accredited investors for the purpose of investing in a non-Regulation Crowdfunding offering of the Company. In such a circumstance, the Lead Investor may act as a portfolio manager for that Fund (and as a supervised person of Wefunder Advisors) and may be compensated through that role.

Although the Lead Investor may act in multiple roles with respect to the Company's offerings and may potentially be compensated for some of its services, the Lead Investor's goal is to maximize the value of the Company and therefore maximize the value of securities issued by or related to the Company. As a result, the Lead Investor's interests should always be aligned with those of Investors. It is, however, possible that in some limited circumstances the Lead Investor's interests could diverge from the interests of Investors, as discussed in section 8 above.

Investors that wish to purchase securities related to the

investors that wish to purchase securities related to the Company through Wefunder Portal must agree to give the Proxy described above to the Lead Investor, provided that if the Lead Investor is replaced, the Investor will have a 5-day period during which he or she may revoke the Proxy. If the Proxy is not revoked during this 5-day period, it will remain in effect.

Tax Filings. In order to complete necessary tax filings, the SPV is required to include information about each investor who holds an interest in the SPV, including each investor's taxpayer identification number ("TIN") (e.g., social security number or employer identification number). To the extent they have not already done so, each investor will be required to provide their TIN within the earlier of (i) two (2) years of making their investment or (ii) twenty (20) days prior to the date of any distribution from the SPV. If an investor does not provide their TIN within this time, the SPV reserves the right to withhold from any proceeds otherwise payable to the Investor an amount necessary for the SPV to satisfy its tax withholding obligations as well as the SPV's reasonable estimation of any penalties that may be charged by the IRS or other relevant authority as a result of the investor's failure to provide their TIN. Investors should carefully review the terms of the SPV Subscription Agreement for additional information about tax filings.

INSTRUCTIONS TO QUESTION 30: If information is presented to investors in a format, media or other means not able to be reflected in text or portable document format, the issuer should include:

- (a) a description of the material content of such information;*
- (b) a description of the format in which such disclosure is presented; and*
- (c) in the case of disclosure in video, audio or other dynamic media or format, a transcript or description of such disclosure.*

ONGOING REPORTING

32. The issuer will file a report electronically with the Securities & Exchange Commission annually and post the report on its website, no later than:

120 days after the end of each fiscal year covered by the report.

33. Once posted, the annual report may be found on the issuer's website at:

<https://liv-life.co/invest>

The issuer must continue to comply with the ongoing reporting requirements until:

1. the issuer is required to file reports under Exchange Act Sections 13(a) or 15(d);
2. the issuer has filed at least one annual report and has fewer than 300 holders of record;
3. the issuer has filed at least three annual reports and has total assets that do not exceed \$10 million;
4. the issuer or another party purchases or repurchases all of the securities issued pursuant to Section 4(a)(6) including any

...or the issuer makes payment to security holders, including any payment in full of debt securities or any complete redemption of redeemable securities; or the issuer liquidates or dissolves in accordance with state law.

INVESTOR'S REPRESENTATIONS AND COVENANTS

1. Investor's Review of Information and Investment Decision

- 1.1. The Investor has carefully read and understands the Company Information. The Investor acknowledges that it has made an independent decision to invest indirectly in the Company through the SPV and that, in making its decision to invest in a SPV, the Investor has relied solely upon the Company Information, any other relevant information on the Wefunder website, and independent investigations made by the Investor. The Investor understands that no representations or warranties have been made to the Investor by the LLC, the relevant SPV, any administrator appointed from time to time with respect to the SPV (the "Administrator"), any lead investor appointed from time to time with respect to the SPV (the "Lead Investor"), or any partner, member, officer, employee, agent, affiliate or subsidiary of any of them regarding the Company.
- 1.2. The Investor has been provided an opportunity to request additional information concerning the Company and the offering through the **Ask A Question** feature on wefunder.com.
- 1.3. The Investor understands and agrees that neither Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC, any of their affiliates, nor any director, manager, officer, shareholder, member, employee or agent of Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC or any of their affiliates (each, a "Wefunder Party," and collectively, "Wefunder Parties") shall be liable in connection with any information or omission of information contained in materials prepared or supplied by the Company. Such materials may include, but are not limited to, information provided by the Company in the Form C related to the offering, information available through the Wefunder website, and materials distributed to the Investor by the SPV on behalf of a Company.
- 1.4. The Investor represents and agrees that no Wefunder Party has recommended or suggested any investment in a SPV, or any investment related to a Company, to the Investor.
- 1.5. Investor understands that no Wefunder Party is an adviser to Investor, and that Investor is not an advisory or other client of any Wefunder Party.
- 1.6. The Investor is not relying on any Wefunder Party or any other person or entity with respect to the legal, accounting, business, investment, pension, tax or other economic considerations involved in this investment other than the Investor's own advisers that are not affiliated with any of the foregoing persons.
- 1.7. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of the Investor's investment in the SPV and is able to bear such risks. The Investor has obtained, in the Investor's judgment, sufficient information to evaluate the merits and risks of such investment. The Investor has evaluated the risks of investing in the SPV, understands there are substantial risks of loss incidental to the purchase of an Interest and has determined that the Interest is a suitable investment for the Investor and consistent with the general investment objectives of the Investor.

2. Investor's Representations Related To Investment in a SPV.

- 2.1. The Investor is acquiring the Interest for its own account, for investment purposes only and not with an intent to resell or distribute the Interest (or any distributions received from the SPV in whole or in part), and the Investor agrees that it will not sell or otherwise transfer the Interest unless in compliance with Regulation Crowdfunding and other applicable securities laws, and with the terms and conditions of this Agreement.
- 2.2. The Investor's investment in the Interest is consistent with the investment purposes, objectives and cash flow requirements of the Investor and will not adversely affect the Investor's overall need for diversification and liquidity.
- 2.3. The Investor has all requisite power, authority and capacity to acquire and hold the Interest and to execute, deliver and comply with the terms of each of the instruments required to be executed and delivered by the Investor in connection with the Investor's subscription for the Interest, including without limitation this Subscription Agreement, and such execution, delivery and compliance does not conflict with, or constitute a default under, any instruments governing the Investor, any law, regulation or order, or any agreement or other undertaking to which the Investor is a party or by which the Investor may be bound. If the Investor is an entity, the person executing and delivering each of such instruments on behalf of the Investor has all requisite power, authority and capacity to execute and deliver such instruments, and, upon request by the SPV, will furnish to the SPV a true and correct copy of any instruments governing the Investor, including all amendments thereto. The signature on each of such instruments is genuine and each of such instruments constitutes a legal, valid and binding obligation of the Investor enforceable against the Investor in accordance with its terms.
- 2.4. The Wefunder Parties are each hereby authorized and instructed to accept and execute any instructions in respect of the Interest given by the Investor in written or electronic form. The Wefunder Parties may rely conclusively upon and shall incur no liability in respect of any action taken upon any notice, consent, request, instructions or other instrument believed in good faith to be genuine or to be signed by properly authorized persons of the Investor.
- 2.5. Pursuant to the requirements of Treas. Reg. § 301.6109-1(c), the Investor has provided, or agrees to provide upon the earlier of (i) two years of an acquisition of an Interest or (ii) twenty (20) days before any distribution is to be made from the SPV, his, her or its taxpayer identification number (e.g., social security number or employer identification number) under penalties of perjury and has or will attest that the Internal Revenue Service has not notified the Investor that he, she or it is subject to backup withholding.

3. The Manager Has The Right To Reject Any Subscription, In Whole Or In Part.

- 3.1. The Investor understands that the SPV will not register as an investment company under the U.S. Investment Company Act of 1940, as amended (the "**Investment Company Act**"), nor will it make a public offering of its securities within the United States.
- 3.2. The Investor understands that the value of all investments in any SPV made through individual retirement accounts ("**IRAs**") must be less than 25% of the value of the SPV's assets.

- 3.3. If the Investor is investing in a SPV through an employee benefit plan of any kind, including an individual retirement account (the "**Plan**"), and an individual or entity (the "**Fiduciary**") has entered into this Agreement on behalf of the Plan, the Fiduciary hereby makes the following representations, warranties, and covenants:
- i. The Fiduciary is a fiduciary of the Plan who is authorized to invest Plan assets or is acting at the direction of a Plan fiduciary authorized to invest Plan assets. The Fiduciary has determined that an investment in the Fund is consistent with the Fiduciary's responsibilities to the Plan under Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") or other applicable law, and is qualified to make such investment decision. The Fiduciary is authorized to make all representations, covenants and agreements set forth in this Agreement about and on behalf of the Investor, and the Fiduciary hereby agrees that, except for the representations, covenants and agreements contained in this section 3.3. all representations, covenants and agreements contained in this Agreement are made on behalf of the Investor who is investing through the Plan.
 - ii. The execution and delivery of this Subscription Agreement, and the investment contemplated hereby has been duly authorized by all appropriate and necessary parties pursuant to the provisions of the instrument or instruments governing the Plan and any related trust; and (B) will not violate, and is not otherwise inconsistent with, the terms of such instrument or instruments.
 - iii. The Fiduciary acknowledges that the assets of the Fund will be invested in accordance with the Company Information related to that Fund.
 - iv. The Plan's purchase and holding of an Interest will not constitute a non-exempt transaction prohibited under ERISA, Section 4975 of the Internal Revenue Code (the "**Code**"), or any similar laws or other federal, state, local, foreign or other laws or regulations applicable to the Plan and its investments. None of the Wefunder entities nor any of their affiliates, agents, or employees: (A) exercises any authority or control with respect to the management or disposition of assets of the Plan used to purchase an Interest, (B) renders investment advice for a fee (pursuant to an agreement or understanding that such advice will serve as a primary basis for investment decisions and that such advice will be based on the particular investment needs of the Plan), with respect to such assets of the Plan, or has the authority to do so, or (C) is an employer maintaining or contributing to, or any of whose employees are covered by, the Plan.
 - v. The Fiduciary understands and agrees to the fee arrangements described in the Company Information.
 - vi. The Fiduciary understands and agrees that, to prevent the assets of the SPV from being treated as "plan assets" for purposes of ERISA and Section 4975 of the Code, the Investor may be prohibited from purchasing or acquiring an Interest or may be required to redeem its Interest or a portion thereof.
- 3.4. The Investor acknowledges that the SPV and any Administrator, on the SPV's behalf, may not accept any investment from an Investor if the Investor cannot truthfully make the representations contained herein.

4. The Correctness And Accuracy Of All Information Provided By Investor To The LLC Or The SPV.

- 4.1. The Investor confirms that all information and documentation provided to the LLC, the SPV, and any Administrator, including, but not limited to, all information regarding the Investor's identity, taxpayer identification number, the source of the funds to be invested in the SPV, and the Investor's eligibility to invest in offerings under Regulation Crowdfunding, is true, correct and complete. Should any such information change or no longer be accurate, the Investor agrees and covenants that they will promptly notify the Wefunder Parties of such changes via the wefunder.com platform. The Investor agrees and covenants that he, she or it will maintain accurate and up-to-date contact information (including email and mailing address) on the wefunder.com platform and will promptly update such information in the event it changes or is no longer accurate.
- 4.2. The representations, warranties, agreements, undertakings and acknowledgments made by the Investor in this Subscription Agreement will be relied upon by the LLC, the SPV, and any Administrator in determining the Fund's compliance with federal and state securities laws, and shall survive the Investor's admission as a Member of the SPV.
- 4.3. All information that the Investor has provided to the LLC, the SPV, and any Administrator concerning the knowledge and experience of financial, tax and business matters of the Investor is correct and complete.

5. The Wefunder Parties' Right To Use Investor Information.

- 5.1. The Investor agrees and consents to the Wefunder Parties, their delegates and their duly authorized agents and any of their respective related, associated or affiliated companies obtaining, holding, using, disclosing and processing the Investor's data:
- a. to facilitate the acceptance, management and administration of the Investor's subscription for an Interest on an on-going basis;
 - b. for any other specific purposes where the Investor has given specific consent to do so;
 - c. to carry out statistical analysis, market research, and tracking of investment performance over time;
 - d. to comply with legal or regulatory requirements applicable to the SPV and any Administrator or the Investor, including, but not limited to, in connection with anti-money laundering and similar laws;
 - e. for disclosure or transfer to third parties including the Investor's financial adviser (where appropriate), regulatory bodies, auditors, technology providers or to the SPV, any Administrator, any Lead Investor, and their delegates or their duly appointed agents and any of their respective related, associated or affiliated companies for the purposes specified above;
 - f. if the contents thereof are relevant to any issue in any action, suit or proceeding to which the LLC, the SPV, any Administrator, any Lead Investor, or their affiliates are a party or by which they are or may be bound;
 - g. for other legitimate business of the LLC, the SPV, any Administrator, or any Lead Investor.
- 5.2. The Investor acknowledges and agrees that it will provide additional information or take such other actions as may be necessary or advisable for the SPV or any Administrator (in the sole judgment of the SPV and/or any Administrator) to comply with any disclosure and compliance policies, related legal process or appropriate requests (whether formal or informal) or otherwise.
- 5.3. The Investor agrees and consents to disclosure by the LLC, the SPV and any of their agents, including any Administrator or any Lead Investor, to relevant third parties of information pertaining to the Investor in respect of disclosure and compliance policies or information requests related thereto. Without limiting the generality of the foregoing, the Investor agrees that information about the Investor may be provided to the Company in whose securities a SPV will or proposes to invest.
- 5.4. The Investor authorizes the LLC, the SPV, any Administrator, and each SPV service provider to disclose the Investor's nonpublic personal information to comply with regulatory and contractual requirements applicable to the SPV and its investments. Any such disclosure shall be permitted notwithstanding any privacy policy or similar restrictions regarding the disclosure of the Investor's nonpublic personal information.

6. Key Risk Factors

- 6.1. The Investor understands that investment in a SPV may involve a complete loss of the Investor's investment. In this regard, the Investor understands that such venture investments involve a high degree of risk, and that many or most venture company investments lose money. An Investor may ultimately receive cash, securities, or a combination of cash and securities (and in many cases nothing at all). If the Investor receives securities, the securities may not be publicly traded, and may not have any significant value.
- 6.2. The Investor understands and agrees that the Interests are subject to restrictions on transfer and cannot be redeemed. Instead, an Investor typically must hold his or her Interest in a SPV until the SPV has sold or otherwise disposed of its investments and the SPV distributes its investments to the investors in the SPV (a "**Liquidation Event**"). An Investor typically will not receive any distributions until such a Liquidation Event (and may not receive anything even upon a Liquidation Event), which may not occur for many years. The Investor must therefore bear the economic risk of holding their investment for an indefinite period of time.

- 6.3. The Investor understands and agrees that the Interests: (a) have not been registered under the Securities Act or any other law of the United States, or under the securities laws of any state or other jurisdiction, and therefore an Interest cannot be resold, pledged, assigned or otherwise disposed of unless it is so registered or an exemption from registration is available; and (b) can only be transferred as permitted under Regulation Crowdfunding and subject to the terms and conditions of this Agreement.
- 6.4. The Investor understands that no guarantees have been made to the Investor about future performance or financial results of the SPV, and an investment in the SPV may result in a gain or loss upon termination or liquidation of the SPV. It is possible that the investors in a SPV will have "phantom income," which could require them to pay taxes on their investment in a SPV even though the SPV does not distribute any income (or does not distribute sufficient income to pay the taxes).
- 6.5. The Investor understands and agrees that the SPV was formed by and is operated by Wefunder Admin, LLC on behalf of the Company. Investors will have no right to manage or influence the management of any SPV or of the LLC.
- 6.6. The Investor understands and agrees that the Company may appoint a Lead Investor and that, if appointed, pursuant to a power of attorney granted by the Investor in the Investor Agreement, the Lead Investor will exercise voting authority on behalf of the Investor with respect to the SPV securities the Investor owns.
- 6.7. The Investor represents that he or she has read and understands the risk factors contained in the Company Information. The Investor understands and agrees that each Company is solely responsible for providing risk factors, conflicts of interest, and other disclosures that investors should consider when investing in securities issued by that Company (including through a SPV), and that the Wefunder Parties have no ability to assure, and have not in any way assured, that any or all such risk factors, conflicts of interest and other disclosures have been presented fully and fairly, or have been presented at all.
- 6.8. The Investor understands that any privacy statements, reports or other communications regarding the SPV and the Investor's investment in the SPV (including annual and other updates, and tax documents) will be delivered via electronic means, including through wefunder.com. The Investor hereby consents to electronic delivery as described in the preceding sentence. In so consenting, the Investor acknowledges that email messages are not secure and may contain computer viruses or other defects, may not be accurately replicated on other systems, or may be intercepted, deleted or interfered with, with or without the knowledge of the sender or the intended recipient. The Investor also acknowledges that an email from the Wefunder Parties may be accessed by recipients other than the Investor and may be interfered with, may contain computer viruses or other defects and may not be successfully replicated on other systems. No Wefunder Party gives any warranties in relation to these matters.
- 6.9. The Investor understands and agrees that if he, she or it does not provide a valid taxpayer identification number under penalties of perjury, and attest that the Investor has not been notified by the Internal Revenue Service that he, she or it is subject to backup withholding, the SPV will be required to withhold from any proceeds otherwise payable to the Investor an amount necessary to satisfy the SPV's backup withholding obligations.
- 6.10. The Investor understands and agrees that if he, she or it does not provide a valid taxpayer identification number to the SPV, the SPV will withhold from any proceeds otherwise payable to the Investor an amount necessary for the SPV to satisfy its tax withholding obligations with respect to such amount. The SPV may also withhold any other amounts representing the SPV's reasonable estimation of penalties that may be charged by the Internal Revenue Service or any other taxing authority as a result of the Investor's failure to provide a valid taxpayer identification number.

7. Compliance With Anti-Money Laundering Laws.

- 7.1. The Investor represents and warrants that the Investor's investment was not directly or indirectly derived from illegal activities, including any activities that would violate U.S. Federal or State laws or any laws and regulations of other countries.
- 7.2. The Investor acknowledges that U.S. Federal law, regulations and Executive Orders administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") may prohibit the SPV, any Administrator, or any Lead Investor from, among other things, engaging in transactions with, and the provision of services to, persons on the list of Specially Designated Nationals and Blocked Persons and persons, foreign countries and territories that are the subject of U.S. sanctions administered by OFAC (collectively, the "**OFAC Maintained Sanctions**").
- 7.3. The Investor acknowledges that the SPV prohibits the investment of funds by any persons or entities that are (i) the subject of OFAC Maintained Sanctions, (ii) acting, directly or indirectly, in contravention of any applicable laws and regulations, including anti-money laundering regulations or conventions, or on behalf of persons or entities subject to an OFAC Maintained Sanction, (iii) acting, directly or indirectly, for a senior foreign political figure, any member of a senior foreign political figure's immediate family or any close associate of a senior foreign political figure, unless the SPV, after being specifically notified by the Investor in writing that it is such a person, conducts further due diligence, and determines that such investment shall be permitted, or (iv) acting, directly or indirectly, for a foreign shell bank (such persons or entities in (i) – (iv) are collectively referred to as "**Prohibited Persons**"). The Investor represents and warrants that it is not, and is not acting directly or indirectly on behalf of, a Prohibited Person.
- 7.4. To the extent the Investor has any beneficial owners, (i) it has carried out thorough due diligence to establish the identities of such beneficial owners, (ii) based on such due diligence, the Investor reasonably believes that no such beneficial owners are Prohibited Persons, (iii) it holds the evidence of such identities and status and will maintain all such evidence for at least five years from the date of the liquidation or termination of the SPV, and (iv) it will make available such information and any additional information requested by the SPV that is required under applicable regulations.
- 7.5. The Investor acknowledges and agrees that the SPV or any Administrator may "freeze the account" of the Investor, including, but not limited to, by suspending distributions from the SPV to which the Investor would otherwise be entitled, if necessary to comply with anti-money laundering statutes or regulations.
- 7.6. The Investor acknowledges and agrees that the SPV and/or any Administrator, in complying with anti-money laundering statutes, regulations and goals, may file voluntarily and/or as required by law suspicious activity reports ("SARs") or any other information with governmental and law enforcement agencies that identify transactions and activities that the SPV or any Administrator or their agents reasonably determine to be suspicious, or is otherwise required by law. The Investor acknowledges that the LLC, the SPV, and any Administrator are prohibited by law from disclosing to third parties, including the Investor, any filing or the substance of any SARs.
- 7.7. The Investor agrees that, upon the request of the LLC, the SPV, or any Administrator, it will provide such information as the LLC, the SPV, or any Administrator requires to satisfy applicable anti-money laundering laws and regulations, including, without limitation, background documentation about the Investor

8. Regulatory Provisions

- 8.1. The Investor understands that no federal or state agency has passed upon the Interests or made any findings or determination as to the fairness of this investment.
- 8.2. The Investor certifies that the information contained in the executed copy of Form W-9 submitted to the SPV (if any) and/or the taxpayer identification provided to the SPV is correct. The Investor agrees to provide such other documentation as the SPV determines may be necessary for the SPV to fulfill any tax reporting and/or withholding requirements.
- 8.3. The Investor understands and agrees that the Company may cause the SPV to make an election under Section 754 of the Internal Revenue Code (the "**Code**") or an election to be treated as an "electing investment partnership" for purposes of Section 743 of the Code. If the SPV elects to be treated as an electing investment partnership, the Investor shall cooperate with the SPV to maintain that status and shall not take any action that would be inconsistent with such election. Upon request, the Investor shall provide the SPV with any information necessary to allow the SPV to comply with (a) its obligations to make tax basis adjustments under Section 734 or 743 of the Code and (b) its obligations as an electing investment partnership.
- 8.4. The Investor consents to receive any Schedule K-1 (Partner's Share of Income, Deductions, Credits, etc.) from the SPV electronically via email, the Internet and/or another electronic reporting medium in lieu of paper copies. The Investor agrees that it will confirm this consent electronically at a future date in a manner set forth by the Company at such time and as required by the electronic receipt consent rules set forth by the Internal Revenue Service. The Investor may request a paper copy of the Investor's Schedule K-1 by contacting Wefunder Inc. at support@wefunder.com or such other email address as specified on the wefunder.com platform. Requesting a paper copy will not constitute a withdrawal of the Investor's consent to receive reports or other communications, including Schedule K-1, electronically. The Investor may withdraw its consent for electronic delivery or change its contact preferences for such delivery at any time by writing to support@wefunder.com or such other email address as specified on the wefunder.com platform. Such withdrawal will take effect promptly after receipt, unless otherwise agreed upon. Upon receipt of a withdrawal request, the SPV will confirm the withdrawal and the date on which it takes effect in writing (either electronically or on paper). A withdrawal of consent does not apply to a statement that was furnished electronically before the date on which the withdrawal of consent takes effect. The SPV will cease providing information electronically upon termination of the SPV. Notwithstanding the Investor's consent to receive materials electronically, the Investor still may be required to print and attach its Schedule K-1 to a federal, state or local tax return.

9. Miscellaneous Provisions

9.1. Indemnification

- 9.1.1. The Investor agrees to indemnify and hold harmless the LLC, the SPV, any Administrator, any Lead Investor, or any partner, member, officer, employee, agent, affiliate or subsidiary of any of them, and each other person, if any, who controls, is controlled by, or is under common control with, any of the foregoing, within the meaning of Section 15 of the Securities Act, and their respective officers, directors, partners, members, shareholders, owners, employees and agents (collectively, the "**Indemnified Parties**") against any and all loss, liability, claim, damage and expense whatsoever (including all expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) arising out of or based upon (i) any false representation or warranty made by the Investor, or breach or failure by the Investor to comply with any covenant or agreement made by the Investor, in this Subscription Agreement or in any other document furnished by the Investor to any of the foregoing in connection with this transaction, or (ii) any action for securities law violations instituted by the Investor that is finally resolved by judgment against the Investor.
- 9.1.2. The Investor also agrees to indemnify each Indemnified Party for any and all costs, fees and expenses (including legal fees and disbursements) in connection with any damages resulting from the Investor's misrepresentation or misstatement contained herein, or the assertion of the Investor's lack of proper authorization from the beneficial owner to enter into this Subscription Agreement or perform the obligations hereof.
- 9.1.3. The Investor agrees to indemnify and hold harmless each Indemnified Party from and against any tax, interest, additions to tax, penalties, reasonable attorneys' and accountants' fees and disbursements, together with interest on the foregoing amounts at a rate determined by the SPV or any Administrator computed from the date of payment through the date of reimbursement, arising from the failure to withhold and pay over to the U.S. Internal Revenue Service or the taxing authority of any other jurisdiction any amounts computed, as required by applicable law, with respect to the income or gains allocated to or amounts distributed to the Investor with respect to its Interest during the period from the Investor's acquisition of the Interest until the Investor's transfer of the Interest in accordance with this Agreement, the LLC Agreement, and Regulation Crowdfunding.
- 9.1.4. If for any reason (other than the willful misfeasance or gross negligence of the entity that would otherwise be indemnified) the foregoing indemnification is unavailable to, or is insufficient to hold such Indemnified Party harmless, then the Investor shall contribute to the amount paid or payable by the Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the Investor on the one hand and the Indemnified Parties on the other but also the relative fault of the Investor and the Indemnified Parties, as well as any relevant equitable considerations.
- 9.1.5. The reimbursement, indemnity and contribution obligations of the Investor under this section shall be in addition to any liability that the Investor may otherwise have, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Indemnified Parties.

- 9.2. **Limitation of Liability.** The LLC is a Delaware "multi-series" limited liability company. As a multi-series limited liability company, the LLC may operate multiple series with the benefit of segregation of assets and liabilities among each of its series pursuant to the Delaware Limited Liability Company Act, as amended (the "**Delaware Act**"). Accordingly, the Investor hereby agrees that the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a series (including the SPV) shall be enforceable against the assets of that series only and not against the LLC generally or the assets of any other series. In addition, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the LLC generally, or any particular series, shall be enforceable against the assets of any other series.

9.3. **Counsel.** The Investor understands that Morrison & Foerster LLP serves as legal counsel on certain matters to Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC and Wefunder Advisors, LLC and not to the SPV or any Investor by virtue of its investment in the SPV, and that no independent counsel has been retained to represent the SPV or Investors in the SPV. The Investor also understands that Morrison & Foerster LLP has not independently verified any factual assertions made in the Company Information or on the Wefunder website and is not responsible for the SPV's compliance with its investment program or applicable law.

9.4. **Power of Attorney.** The Investor hereby appoints each of the Company and Wefunder Admin, LLC as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute, sign, acknowledge, swear to and file:

9.4.1. a Certificate of Formation of the LLC and any amendments required under the Delaware Act

9.4.2. the LLC Agreement and any duly adopted amendments;

9.4.3. any and all instruments, certificates and other documents that may be deemed necessary or desirable to effect the winding-up and termination of the LLC or the SPV (including a Certificate of Cancellation of the Certificate of Formation); and

9.4.4. any business certificate, fictitious name certificate, related amendment or other instrument or document of any kind necessary or desirable to accomplish the LLC's or the SPV's business, purpose and objectives or required by any applicable U.S., state, local or other law.

This power of attorney is coupled with an interest, is irrevocable, and shall survive and shall not be affected by the subsequent death, disability, incompetency, termination, bankruptcy, insolvency or dissolution of the Investor; provided, however, that this power of attorney will terminate upon the substitution of another SPV member for all of the Investor's investment in the LLC or the SPV or upon the liquidation or termination of the LLC or the SPV. The Investor hereby waives any and all defenses that may be available to contest, negate or disaffirm the actions of the LLC, the SPV, and any Administrator taken in good faith under this power of attorney.

9.5. **Confidentiality.**

9.5.1. The Investor agrees that the Company Information and all financial statements (if any), tax reports (if any), portfolio valuations (if any), private placement memoranda (if any), reviews or analyses of potential or actual investments (if any), reports or other materials prepared or produced by the SPV and/or any Administrator and all other documents and information concerning the affairs of the SPV and/or the Fund's investments, including, without limitation, information about the Company, and/or the persons directly or indirectly investing in the SPV (collectively, the "**Confidential Information**") that the Investor may receive pursuant to or in accordance with the use of the Wefunder website, an investment in one or more SPVs, or otherwise as a result of its ownership of an Interest in the SPV, constitute proprietary and confidential information about the SPV, any Administrator, and/or any Lead Investor (the "**Affected Parties**").

9.5.2. The Investor acknowledges that the Affected Parties derive independent economic value from the Confidential Information not being generally known and that the Confidential Information is the subject of reasonable efforts to maintain its secrecy. The Investor further acknowledges that the Confidential Information is a trade secret, the disclosure of which is likely to cause substantial and irreparable competitive harm to the Affected Companies or their respective businesses. The Investor shall not reproduce any of the Confidential Information or portion thereof or make the contents thereof available to any third party other than a disclosure on a need-to-know basis to the Investor's legal, accounting or investment advisers, auditors and representatives (collectively, "**Advisers**"), except to the extent compelled to do so in accordance with applicable law (in which case the Investor shall promptly notify the SPV of the Investor's obligation to disclose any Confidential Information) or with respect to Confidential Information that otherwise becomes publicly available other than through breach of this provision by the Investor.

9.5.3. To the fullest extent permitted by law, the Investor agrees not to request disclosure or inspection of any such information after the Investor is notified (whether in response to the Investor's request for information or otherwise) that the SPV has determined not to disclose such information.

9.5.4. The Investor agrees that the LLC, the SPV, and the SPV service providers would be subject to potentially irreparable injury as a result of any breach by the Investor of the covenants and agreements set forth in this Item 9.5, and that monetary damages would not be sufficient to compensate or make whole the LLC, the SPV, and the SPV services providers for any such breach. Accordingly the Investor agrees that the LLC, the SPV, and the SPV service providers shall be entitled to equitable and injunctive relief, on an emergency, temporary, preliminary and/or permanent basis, to prevent any such breach or the continuation thereof.

9.6. **Amendments.** Neither this Subscription Agreement nor any term hereof may be supplemented, changed, waived, discharged or terminated except with the written consent of the Investor and the Company on behalf of the relevant SPV. For the sake of clarity, the restriction on the Company in the preceding sentence applies solely to the form of this Subscription Agreement applicable to SPVs that have had a closing, and does not prevent the Company from changing the form and content of this Subscription Agreement for use in offerings of SPVs that have not had a closing.

9.7. **Assignability and Transferability.** This Subscription Agreement is not transferable or assignable by the Investor without the prior written consent of the Company on behalf of the SPV, and any transfer or assignment in violation of this provision shall be null and void. The Interests in the SPV being acquired by Investor herein may only be transferred by Investor in compliance with Regulation Crowdfunding and the terms and conditions of this Agreement. If Investor seeks to transfer the Interests, Investor shall first give written notice to the Company and Wefunder Admin, LLC, including the number of Interests that Investor desires to transfer, the proposed price, the name and contact information of the proposed buyer, and any other information that the Company or Wefunder Admin, LLC may reasonably request. To the extent possible, such notice shall be provided through the Wefunder.com website. Any transfer of Interests shall be subject to execution by Investor and the proposed transferee of appropriate documentation, as may be required by the Company or Wefunder Admin, LLC, in their discretion. Investor further acknowledges that pursuant to the LLC Agreement, Wefunder Admin, LLC (as Series Manager of the SPV), may impose additional restrictions on or prohibit the Transfer of Interests for any reason or no reason, in its sole discretion.

- 9.8. **Repurchase.** In the event that the SPV or any Administrator determines that it is likely that within twelve (12) months the securities of the SPV or the Company will be held of record by a number of persons that would require the SPV or the Company to register a class of its equity securities under the Securities Exchange Act of 1934, as amended ("Exchange Act"), as required by Section 12(g) or 15(d) thereof, the SPV shall have the option to repurchase the Interests from each Investor to the extent necessary to avoid the requirement to register a class of its securities under the Exchange Act. Such repurchase of Interests shall be for the greater of (i) the purchase price of the Interests, or (ii) the fair market value of the Interests, as determined by an independent appraiser of securities chosen by the Administrator. Any such repurchase may only occur with the consent of Wefunder Admin, LLC, as Series Manager of the SPV.
- 9.9. **Governing Law; Consent to Jurisdiction.** Notwithstanding the place where this Subscription Agreement may be executed by any of the parties hereto, the parties expressly agree that all the terms and provisions hereof shall be construed under the laws of the State of Delaware. Any action or proceeding brought by the SPV or any SPV service provider against one or more investors in the SPV relating in any way to this Subscription Agreement or the LLC Agreement may, and any action or proceeding brought by any other party against the SPV or any SPV service provider relating in any way to this Subscription Agreement or the Company Information shall, be brought and enforced in the state courts of the State of Delaware located in Wilmington or (to the extent subject matter jurisdiction exists therefore) in the courts of the United States located in the District of Delaware; and the Investor and the SPV irrevocably submit to the jurisdiction of both such state and federal courts in respect of any such action or proceeding. The Investor and the SPV irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to laying the venue of any such action or proceeding in the courts of the State of Delaware located in Wilmington or in the courts of the United States located in the District of Delaware and any claim that any such action or proceeding brought in any such court has been brought in an inconvenient forum.
- 9.10. **Severability.** If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such applicable law. Any provision hereof that may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.
- 9.11. **Headings.** The headings in this Subscription Agreement are for convenience of reference only, and shall not limit or otherwise affect the meaning hereof.
- 9.12. **General.** This Subscription Agreement shall be binding upon the Investor and the legal representatives, successors and assigns of the Investor, shall survive the admission of the Investor as a member of a SPV, and shall, if the Investor consists of more than one person, be the joint and several obligation of all such persons.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; provided, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "**Cash-Out Amount**") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "**Conversion Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

In connection with Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay (i) holders of shares of any series of Preferred Stock issued before the date of this instrument ("**Senior Preferred Holders**") and (ii) the Investor and holders of other Safes (collectively, the "**Cash-Out Investors**") in full, then all of the Company's available funds will be distributed (i) first to the Senior Preferred Holders and (ii) second with equal priority and pro rata among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, pro rata, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by the Board in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidity Priority** In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. **Definitions**

"Change of Control" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

- Includes all Converting Securities;

For the avoidance of doubt, a Direct Listing shall not be deemed to be an underwritten offering and shall not involve any underwriting services.

"Dissolution Event" means (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up of the Company (**excluding** a Liquidity Event), whether voluntary or involuntary.

"Dividend Amount" means, with respect to any date on which the Company pays a dividend on its outstanding Common Stock, the amount of such dividend that is paid per share of Common Stock multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

"Equity Financing" means a bona fide transaction or series of transactions with the principal purpose of raising capital, pursuant to which the Company issues and sells Preferred Stock at a fixed valuation, including but not limited to, a pre-money or post-money valuation.

"Initial Public Offering" means the closing of the Company's first firm commitment underwritten initial public offering of Common Stock pursuant to a registration statement filed under the Securities Act.

"Liquidity Capitalization" is calculated as of immediately prior to the Liquidity Event, and (without double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all (i) issued and outstanding Options and (ii) to the extent receiving Proceeds, Promised Options;
- Includes all Converting Securities, **other than** any Safes and other convertible securities (including without limitation shares of Preferred Stock) where the holders of such securities are receiving Cash-Out Amounts or similar liquidation preference payments in lieu of Conversion Amounts or similar "as-converted" payments; and
- Excludes the Unissued Option Pool.

"Liquidity Event" means a Change of Control or an Initial Public Offering.

"Liquidity Price" means the price per share equal to the Valuation Cap divided by the Liquidity Capitalization.

"Options" includes options, restricted stock awards or purchases, RSUs, SARs, warrants or similar securities, vested or unvested.

"Proceeds" means cash and other assets (including without limitation stock consideration) that are proceeds from the Liquidity Event or the Dissolution Event, as applicable, and legally available for distribution.

"Promised Options" means promised but ungranted Options that are the greater of those (i) promised

pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Equity Financing or Liquidity Event, as applicable (or the initial closing of the Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of an Equity Financing, treated as outstanding Options in the calculation of the Standard Preferred Share's price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

"Safe" means an instrument containing a future right to shares of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company's business operations. References to "this Safe" mean this specific instrument.

"Safe Preferred Stock" means the shares of the series of Preferred Stock issued to the Investor in an Equity Financing, having the identical rights, privileges, preferences and restrictions as the shares of Standard Preferred Stock, other than with respect to: (i) the per share liquidation preference and the initial conversion price for purposes of price-based anti-dilution protection, which will equal the Conversion Price; and (ii) the basis for any dividend rights, which will be based on the Conversion Price.

"Safe Price" means the price per share equal to the Post-Money Valuation Cap divided by the Company Capitalization.

"Standard Preferred Stock" means the shares of the series of Preferred Stock issued to the investors investing new money in the Company in connection with the initial closing of the Equity Financing.

"Unissued Option Pool" means all shares of Capital Stock that are reserved, available for future grant and not subject to any outstanding Options or Promised Options (but in the case of a Liquidity Event, only to the extent Proceeds are payable on such Promised Options) under any equity incentive or similar Company plan.

3. **Company Representations**

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of corporation (the **"Company"**), hereby issues to the Investor the right to certain incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. **Investor Representations**

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

5. **Miscellaneous**

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes.

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on their Wefunder account, or 48 hours after being deposited

in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on their Wefunder account, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; provided, however, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and provided, further, that the Company may assign this Safe in whole, without the consent of the Investor, in connection with a reincorporation to change the Company's domicile.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Wyoming, without regard to the conflicts of law provisions of such jurisdiction.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).

INVESTOR'S REPRESENTATIONS AND COVENANTS

1. Investor's Review of Information and Investment Decision

- 1.1. The Investor has carefully read and understands the Company Information. The Investor acknowledges that it has made an independent decision to invest indirectly in the Company through the SPV and that, in making its decision to invest in a SPV, the Investor has relied solely upon the Company Information, any other relevant information on the Wefunder website, and independent investigations made by the Investor. The Investor understands that no representations or warranties have been made to the Investor by the LLC, the relevant SPV, any administrator appointed from time to time with respect to the SPV (the "Administrator"), any lead investor appointed from time to time with respect to the SPV (the "Lead Investor"), or any partner, member, officer, employee, agent, affiliate or subsidiary of any of them regarding the Company.
- 1.2. The Investor has been provided an opportunity to request additional information concerning the Company and the offering through the **Ask A Question** feature on wefunder.com.
- 1.3. The Investor understands and agrees that neither Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC, any of their affiliates, nor any director, manager, officer, shareholder, member, employee or agent of Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC or any of their affiliates (each, a "Wefunder Party," and collectively, "Wefunder Parties") shall be liable in connection with any information or omission of information contained in materials prepared or supplied by the Company. Such materials may include, but are not limited to, information provided by the Company in the Form C related to the offering, information available through the Wefunder website, and materials distributed to the Investor by the SPV on behalf of a Company.
- 1.4. The Investor represents and agrees that no Wefunder Party has recommended or suggested any investment in a SPV, or any investment related to a Company, to the Investor.
- 1.5. Investor understands that no Wefunder Party is an adviser to Investor, and that Investor is not an advisory or other client of any Wefunder Party.
- 1.6. The Investor is not relying on any Wefunder Party or any other person or entity with respect to the legal, accounting, business, investment, pension, tax or other economic considerations involved in this investment other than the Investor's own advisers that are not affiliated with any of the foregoing persons.
- 1.7. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of the Investor's investment in the SPV and is able to bear such risks. The Investor has obtained, in the Investor's judgment, sufficient information to evaluate the merits and risks of such investment. The Investor has evaluated the risks of investing in the SPV, understands there are substantial risks of loss incidental to the purchase of an Interest and has determined that the Interest is a suitable investment for the Investor and consistent with the general investment objectives of the Investor.

2. Investor's Representations Related To Investment in a SPV.

- 2.1. The Investor is acquiring the Interest for its own account, for investment purposes only and not with an intent to resell or distribute the Interest (or any distributions received from the SPV in whole or in part), and the Investor agrees that it will not sell or otherwise transfer the Interest unless in compliance with Regulation Crowdfunding and other applicable securities laws, and with the terms and conditions of this Agreement.
- 2.2. The Investor's investment in the Interest is consistent with the investment purposes, objectives and cash flow requirements of the Investor and will not adversely affect the Investor's overall need for diversification and liquidity.
- 2.3. The Investor has all requisite power, authority and capacity to acquire and hold the Interest and to execute, deliver and comply with the terms of each of the instruments required to be executed and delivered by the Investor in connection with the Investor's subscription for the Interest, including without limitation this Subscription Agreement, and such execution, delivery and compliance does not conflict with, or constitute a default under, any instruments governing the Investor, any law, regulation or order, or any agreement or other undertaking to which the Investor is a party or by which the Investor may be bound. If the Investor is an entity, the person executing and delivering each of such instruments on behalf of the Investor has all requisite power, authority and capacity to execute and deliver such instruments, and, upon request by the SPV, will furnish to the SPV a true and correct copy of any instruments governing the Investor, including all amendments thereto. The signature on each of such instruments is genuine and each of such instruments constitutes a legal, valid and binding obligation of the Investor enforceable against the Investor in accordance with its terms.
- 2.4. The Wefunder Parties are each hereby authorized and instructed to accept and execute any instructions in respect of the Interest given by the Investor in written or electronic form. The Wefunder Parties may rely conclusively upon and shall incur no liability in respect of any action taken upon any notice, consent, request, instructions or other instrument believed in good faith to be genuine or to be signed by properly authorized persons of the Investor.
- 2.5. Pursuant to the requirements of Treas. Reg. § 301.6109-1(c), the Investor has provided, or agrees to provide upon the earlier of (i) two years of an acquisition of an Interest or (ii) twenty (20) days before any distribution is to be made from the SPV, his, her or its taxpayer identification number (e.g., social security number or employer identification number) under penalties of perjury and has or will attest that the Internal Revenue Service has not notified the Investor that he, she or it is subject to backup withholding.

3. The Manager Has The Right To Reject Any Subscription, In Whole Or In Part.

- 3.1. The Investor understands that the SPV will not register as an investment company under the U.S. Investment Company Act of 1940, as amended (the "**Investment Company Act**"), nor will it make a public offering of its securities within the United States.
- 3.2. The Investor understands that the value of all investments in any SPV made through individual retirement accounts ("**IRAs**") must be less than 25% of the value of the SPV's assets.

- 3.3. If the Investor is investing in a SPV through an employee benefit plan of any kind, including an individual retirement account (the "**Plan**"), and an individual or entity (the "**Fiduciary**") has entered into this Agreement on behalf of the Plan, the Fiduciary hereby makes the following representations, warranties, and covenants:
- i. The Fiduciary is a fiduciary of the Plan who is authorized to invest Plan assets or is acting at the direction of a Plan fiduciary authorized to invest Plan assets. The Fiduciary has determined that an investment in the Fund is consistent with the Fiduciary's responsibilities to the Plan under Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") or other applicable law, and is qualified to make such investment decision. The Fiduciary is authorized to make all representations, covenants and agreements set forth in this Agreement about and on behalf of the Investor, and the Fiduciary hereby agrees that, except for the representations, covenants and agreements contained in this section 3.3. all representations, covenants and agreements contained in this Agreement are made on behalf of the Investor who is investing through the Plan.
 - ii. The execution and delivery of this Subscription Agreement, and the investment contemplated hereby has been duly authorized by all appropriate and necessary parties pursuant to the provisions of the instrument or instruments governing the Plan and any related trust; and (B) will not violate, and is not otherwise inconsistent with, the terms of such instrument or instruments.
 - iii. The Fiduciary acknowledges that the assets of the Fund will be invested in accordance with the Company Information related to that Fund.
 - iv. The Plan's purchase and holding of an Interest will not constitute a non-exempt transaction prohibited under ERISA, Section 4975 of the Internal Revenue Code (the "**Code**"), or any similar laws or other federal, state, local, foreign or other laws or regulations applicable to the Plan and its investments. None of the Wefunder entities nor any of their affiliates, agents, or employees: (A) exercises any authority or control with respect to the management or disposition of assets of the Plan used to purchase an Interest, (B) renders investment advice for a fee (pursuant to an agreement or understanding that such advice will serve as a primary basis for investment decisions and that such advice will be based on the particular investment needs of the Plan), with respect to such assets of the Plan, or has the authority to do so, or (C) is an employer maintaining or contributing to, or any of whose employees are covered by, the Plan.
 - v. The Fiduciary understands and agrees to the fee arrangements described in the Company Information.
 - vi. The Fiduciary understands and agrees that, to prevent the assets of the SPV from being treated as "plan assets" for purposes of ERISA and Section 4975 of the Code, the Investor may be prohibited from purchasing or acquiring an Interest or may be required to redeem its Interest or a portion thereof.
- 3.4. The Investor acknowledges that the SPV and any Administrator, on the SPV's behalf, may not accept any investment from an Investor if the Investor cannot truthfully make the representations contained herein.

4. The Correctness And Accuracy Of All Information Provided By Investor To The LLC Or The SPV.

- 4.1. The Investor confirms that all information and documentation provided to the LLC, the SPV, and any Administrator, including, but not limited to, all information regarding the Investor's identity, taxpayer identification number, the source of the funds to be invested in the SPV, and the Investor's eligibility to invest in offerings under Regulation Crowdfunding, is true, correct and complete. Should any such information change or no longer be accurate, the Investor agrees and covenants that they will promptly notify the Wefunder Parties of such changes via the wefunder.com platform. The Investor agrees and covenants that he, she or it will maintain accurate and up-to-date contact information (including email and mailing address) on the wefunder.com platform and will promptly update such information in the event it changes or is no longer accurate.
- 4.2. The representations, warranties, agreements, undertakings and acknowledgments made by the Investor in this Subscription Agreement will be relied upon by the LLC, the SPV, and any Administrator in determining the Fund's compliance with federal and state securities laws, and shall survive the Investor's admission as a Member of the SPV.
- 4.3. All information that the Investor has provided to the LLC, the SPV, and any Administrator concerning the knowledge and experience of financial, tax and business matters of the Investor is correct and complete.

5. The Wefunder Parties' Right To Use Investor Information.

- 5.1. The Investor agrees and consents to the Wefunder Parties, their delegates and their duly authorized agents and any of their respective related, associated or affiliated companies obtaining, holding, using, disclosing and processing the Investor's data:
- a. to facilitate the acceptance, management and administration of the Investor's subscription for an Interest on an on-going basis;
 - b. for any other specific purposes where the Investor has given specific consent to do so;
 - c. to carry out statistical analysis, market research, and tracking of investment performance over time;
 - d. to comply with legal or regulatory requirements applicable to the SPV and any Administrator or the Investor, including, but not limited to, in connection with anti-money laundering and similar laws;
 - e. for disclosure or transfer to third parties including the Investor's financial adviser (where appropriate), regulatory bodies, auditors, technology providers or to the SPV, any Administrator, any Lead Investor, and their delegates or their duly appointed agents and any of their respective related, associated or affiliated companies for the purposes specified above;
 - f. if the contents thereof are relevant to any issue in any action, suit or proceeding to which the LLC, the SPV, any Administrator, any Lead Investor, or their affiliates are a party or by which they are or may be bound;
 - g. for other legitimate business of the LLC, the SPV, any Administrator, or any Lead Investor.
- 5.2. The Investor acknowledges and agrees that it will provide additional information or take such other actions as may be necessary or advisable for the SPV or any Administrator (in the sole judgment of the SPV and/or any Administrator) to comply with any disclosure and compliance policies, related legal process or appropriate requests (whether formal or informal) or otherwise.
- 5.3. The Investor agrees and consents to disclosure by the LLC, the SPV and any of their agents, including any Administrator or any Lead Investor, to relevant third parties of information pertaining to the Investor in respect of disclosure and compliance policies or information requests related thereto. Without limiting the generality of the foregoing, the Investor agrees that information about the Investor may be provided to the Company in whose securities a SPV will or proposes to invest.
- 5.4. The Investor authorizes the LLC, the SPV, any Administrator, and each SPV service provider to disclose the Investor's nonpublic personal information to comply with regulatory and contractual requirements applicable to the SPV and its investments. Any such disclosure shall be permitted notwithstanding any privacy policy or similar restrictions regarding the disclosure of the Investor's nonpublic personal information.

6. Key Risk Factors

- 6.1. The Investor understands that investment in a SPV may involve a complete loss of the Investor's investment. In this regard, the Investor understands that such venture investments involve a high degree of risk, and that many or most venture company investments lose money. An Investor may ultimately receive cash, securities, or a combination of cash and securities (and in many cases nothing at all). If the Investor receives securities, the securities may not be publicly traded, and may not have any significant value.
- 6.2. The Investor understands and agrees that the Interests are subject to restrictions on transfer and cannot be redeemed. Instead, an Investor typically must hold his or her Interest in a SPV until the SPV has sold or otherwise disposed of its investments and the SPV distributes its investments to the investors in the SPV (a "**Liquidation Event**"). An Investor typically will not receive any distributions until such a Liquidation Event (and may not receive anything even upon a Liquidation Event), which may not occur for many years. The Investor must therefore bear the economic risk of holding their investment for an indefinite period of time.

- 6.3. The Investor understands and agrees that the Interests: (a) have not been registered under the Securities Act or any other law of the United States, or under the securities laws of any state or other jurisdiction, and therefore an Interest cannot be resold, pledged, assigned or otherwise disposed of unless it is so registered or an exemption from registration is available; and (b) can only be transferred as permitted under Regulation Crowdfunding and subject to the terms and conditions of this Agreement.
- 6.4. The Investor understands that no guarantees have been made to the Investor about future performance or financial results of the SPV, and an investment in the SPV may result in a gain or loss upon termination or liquidation of the SPV. It is possible that the investors in a SPV will have "phantom income," which could require them to pay taxes on their investment in a SPV even though the SPV does not distribute any income (or does not distribute sufficient income to pay the taxes).
- 6.5. The Investor understands and agrees that the SPV was formed by and is operated by Wefunder Admin, LLC on behalf of the Company. Investors will have no right to manage or influence the management of any SPV or of the LLC.
- 6.6. The Investor understands and agrees that the Company may appoint a Lead Investor and that, if appointed, pursuant to a power of attorney granted by the Investor in the Investor Agreement, the Lead Investor will exercise voting authority on behalf of the Investor with respect to the SPV securities the Investor owns.
- 6.7. The Investor represents that he or she has read and understands the risk factors contained in the Company Information. The Investor understands and agrees that each Company is solely responsible for providing risk factors, conflicts of interest, and other disclosures that investors should consider when investing in securities issued by that Company (including through a SPV), and that the Wefunder Parties have no ability to assure, and have not in any way assured, that any or all such risk factors, conflicts of interest and other disclosures have been presented fully and fairly, or have been presented at all.
- 6.8. The Investor understands that any privacy statements, reports or other communications regarding the SPV and the Investor's investment in the SPV (including annual and other updates, and tax documents) will be delivered via electronic means, including through wefunder.com. The Investor hereby consents to electronic delivery as described in the preceding sentence. In so consenting, the Investor acknowledges that email messages are not secure and may contain computer viruses or other defects, may not be accurately replicated on other systems, or may be intercepted, deleted or interfered with, with or without the knowledge of the sender or the intended recipient. The Investor also acknowledges that an email from the Wefunder Parties may be accessed by recipients other than the Investor and may be interfered with, may contain computer viruses or other defects and may not be successfully replicated on other systems. No Wefunder Party gives any warranties in relation to these matters.
- 6.9. The Investor understands and agrees that if he, she or it does not provide a valid taxpayer identification number under penalties of perjury, and attest that the Investor has not been notified by the Internal Revenue Service that he, she or it is subject to backup withholding, the SPV will be required to withhold from any proceeds otherwise payable to the Investor an amount necessary to satisfy the SPV's backup withholding obligations.
- 6.10. The Investor understands and agrees that if he, she or it does not provide a valid taxpayer identification number to the SPV, the SPV will withhold from any proceeds otherwise payable to the Investor an amount necessary for the SPV to satisfy its tax withholding obligations with respect to such amount. The SPV may also withhold any other amounts representing the SPV's reasonable estimation of penalties that may be charged by the Internal Revenue Service or any other taxing authority as a result of the Investor's failure to provide a valid taxpayer identification number.

7. Compliance With Anti-Money Laundering Laws.

- 7.1. The Investor represents and warrants that the Investor's investment was not directly or indirectly derived from illegal activities, including any activities that would violate U.S. Federal or State laws or any laws and regulations of other countries.
- 7.2. The Investor acknowledges that U.S. Federal law, regulations and Executive Orders administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") may prohibit the SPV, any Administrator, or any Lead Investor from, among other things, engaging in transactions with, and the provision of services to, persons on the list of Specially Designated Nationals and Blocked Persons and persons, foreign countries and territories that are the subject of U.S. sanctions administered by OFAC (collectively, the "**OFAC Maintained Sanctions**").
- 7.3. The Investor acknowledges that the SPV prohibits the investment of funds by any persons or entities that are (i) the subject of OFAC Maintained Sanctions, (ii) acting, directly or indirectly, in contravention of any applicable laws and regulations, including anti-money laundering regulations or conventions, or on behalf of persons or entities subject to an OFAC Maintained Sanction, (iii) acting, directly or indirectly, for a senior foreign political figure, any member of a senior foreign political figure's immediate family or any close associate of a senior foreign political figure, unless the SPV, after being specifically notified by the Investor in writing that it is such a person, conducts further due diligence, and determines that such investment shall be permitted, or (iv) acting, directly or indirectly, for a foreign shell bank (such persons or entities in (i) – (iv) are collectively referred to as "**Prohibited Persons**"). The Investor represents and warrants that it is not, and is not acting directly or indirectly on behalf of, a Prohibited Person.
- 7.4. To the extent the Investor has any beneficial owners, (i) it has carried out thorough due diligence to establish the identities of such beneficial owners, (ii) based on such due diligence, the Investor reasonably believes that no such beneficial owners are Prohibited Persons, (iii) it holds the evidence of such identities and status and will maintain all such evidence for at least five years from the date of the liquidation or termination of the SPV, and (iv) it will make available such information and any additional information requested by the SPV that is required under applicable regulations.
- 7.5. The Investor acknowledges and agrees that the SPV or any Administrator may "freeze the account" of the Investor, including, but not limited to, by suspending distributions from the SPV to which the Investor would otherwise be entitled, if necessary to comply with anti-money laundering statutes or regulations.
- 7.6. The Investor acknowledges and agrees that the SPV and/or any Administrator, in complying with anti-money laundering statutes, regulations and goals, may file voluntarily and/or as required by law suspicious activity reports ("SARs") or any other information with governmental and law enforcement agencies that identify transactions and activities that the SPV or any Administrator or their agents reasonably determine to be suspicious, or is otherwise required by law. The Investor acknowledges that the LLC, the SPV, and any Administrator are prohibited by law from disclosing to third parties, including the Investor, any filing or the substance of any SARs.
- 7.7. The Investor agrees that, upon the request of the LLC, the SPV, or any Administrator, it will provide such information as the LLC, the SPV, or any Administrator requires to satisfy applicable anti-money laundering laws and regulations, including, without limitation, background documentation about the Investor

8. Regulatory Provisions

- 8.1. The Investor understands that no federal or state agency has passed upon the Interests or made any findings or determination as to the fairness of this investment.
- 8.2. The Investor certifies that the information contained in the executed copy of Form W-9 submitted to the SPV (if any) and/or the taxpayer identification provided to the SPV is correct. The Investor agrees to provide such other documentation as the SPV determines may be necessary for the SPV to fulfill any tax reporting and/or withholding requirements.
- 8.3. The Investor understands and agrees that the Company may cause the SPV to make an election under Section 754 of the Internal Revenue Code (the "**Code**") or an election to be treated as an "electing investment partnership" for purposes of Section 743 of the Code. If the SPV elects to be treated as an electing investment partnership, the Investor shall cooperate with the SPV to maintain that status and shall not take any action that would be inconsistent with such election. Upon request, the Investor shall provide the SPV with any information necessary to allow the SPV to comply with (a) its obligations to make tax basis adjustments under Section 734 or 743 of the Code and (b) its obligations as an electing investment partnership.
- 8.4. The Investor consents to receive any Schedule K-1 (Partner's Share of Income, Deductions, Credits, etc.) from the SPV electronically via email, the Internet and/or another electronic reporting medium in lieu of paper copies. The Investor agrees that it will confirm this consent electronically at a future date in a manner set forth by the Company at such time and as required by the electronic receipt consent rules set forth by the Internal Revenue Service. The Investor may request a paper copy of the Investor's Schedule K-1 by contacting Wefunder Inc. at support@wefunder.com or such other email address as specified on the wefunder.com platform. Requesting a paper copy will not constitute a withdrawal of the Investor's consent to receive reports or other communications, including Schedule K-1, electronically. The Investor may withdraw its consent for electronic delivery or change its contact preferences for such delivery at any time by writing to support@wefunder.com or such other email address as specified on the wefunder.com platform. Such withdrawal will take effect promptly after receipt, unless otherwise agreed upon. Upon receipt of a withdrawal request, the SPV will confirm the withdrawal and the date on which it takes effect in writing (either electronically or on paper). A withdrawal of consent does not apply to a statement that was furnished electronically before the date on which the withdrawal of consent takes effect. The SPV will cease providing information electronically upon termination of the SPV. Notwithstanding the Investor's consent to receive materials electronically, the Investor still may be required to print and attach its Schedule K-1 to a federal, state or local tax return.

9. Miscellaneous Provisions

9.1. Indemnification

- 9.1.1. The Investor agrees to indemnify and hold harmless the LLC, the SPV, any Administrator, any Lead Investor, or any partner, member, officer, employee, agent, affiliate or subsidiary of any of them, and each other person, if any, who controls, is controlled by, or is under common control with, any of the foregoing, within the meaning of Section 15 of the Securities Act, and their respective officers, directors, partners, members, shareholders, owners, employees and agents (collectively, the "**Indemnified Parties**") against any and all loss, liability, claim, damage and expense whatsoever (including all expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) arising out of or based upon (i) any false representation or warranty made by the Investor, or breach or failure by the Investor to comply with any covenant or agreement made by the Investor, in this Subscription Agreement or in any other document furnished by the Investor to any of the foregoing in connection with this transaction, or (ii) any action for securities law violations instituted by the Investor that is finally resolved by judgment against the Investor.
- 9.1.2. The Investor also agrees to indemnify each Indemnified Party for any and all costs, fees and expenses (including legal fees and disbursements) in connection with any damages resulting from the Investor's misrepresentation or misstatement contained herein, or the assertion of the Investor's lack of proper authorization from the beneficial owner to enter into this Subscription Agreement or perform the obligations hereof.
- 9.1.3. The Investor agrees to indemnify and hold harmless each Indemnified Party from and against any tax, interest, additions to tax, penalties, reasonable attorneys' and accountants' fees and disbursements, together with interest on the foregoing amounts at a rate determined by the SPV or any Administrator computed from the date of payment through the date of reimbursement, arising from the failure to withhold and pay over to the U.S. Internal Revenue Service or the taxing authority of any other jurisdiction any amounts computed, as required by applicable law, with respect to the income or gains allocated to or amounts distributed to the Investor with respect to its Interest during the period from the Investor's acquisition of the Interest until the Investor's transfer of the Interest in accordance with this Agreement, the LLC Agreement, and Regulation Crowdfunding.
- 9.1.4. If for any reason (other than the willful misfeasance or gross negligence of the entity that would otherwise be indemnified) the foregoing indemnification is unavailable to, or is insufficient to hold such Indemnified Party harmless, then the Investor shall contribute to the amount paid or payable by the Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the Investor on the one hand and the Indemnified Parties on the other but also the relative fault of the Investor and the Indemnified Parties, as well as any relevant equitable considerations.
- 9.1.5. The reimbursement, indemnity and contribution obligations of the Investor under this section shall be in addition to any liability that the Investor may otherwise have, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Indemnified Parties.

- 9.2. **Limitation of Liability.** The LLC is a Delaware "multi-series" limited liability company. As a multi-series limited liability company, the LLC may operate multiple series with the benefit of segregation of assets and liabilities among each of its series pursuant to the Delaware Limited Liability Company Act, as amended (the "**Delaware Act**"). Accordingly, the Investor hereby agrees that the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to a series (including the SPV) shall be enforceable against the assets of that series only and not against the LLC generally or the assets of any other series. In addition, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the LLC generally, or any particular series, shall be enforceable against the assets of any other series.

9.3. **Counsel.** The Investor understands that Morrison & Foerster LLP serves as legal counsel on certain matters to Wefunder, Inc., Wefunder Portal, LLC, Wefunder Admin, LLC and Wefunder Advisors, LLC and not to the SPV or any Investor by virtue of its investment in the SPV, and that no independent counsel has been retained to represent the SPV or Investors in the SPV. The Investor also understands that Morrison & Foerster LLP has not independently verified any factual assertions made in the Company Information or on the Wefunder website and is not responsible for the SPV's compliance with its investment program or applicable law.

9.4. **Power of Attorney.** The Investor hereby appoints each of the Company and Wefunder Admin, LLC as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute, sign, acknowledge, swear to and file:

9.4.1. a Certificate of Formation of the LLC and any amendments required under the Delaware Act

9.4.2. the LLC Agreement and any duly adopted amendments;

9.4.3. any and all instruments, certificates and other documents that may be deemed necessary or desirable to effect the winding-up and termination of the LLC or the SPV (including a Certificate of Cancellation of the Certificate of Formation); and

9.4.4. any business certificate, fictitious name certificate, related amendment or other instrument or document of any kind necessary or desirable to accomplish the LLC's or the SPV's business, purpose and objectives or required by any applicable U.S., state, local or other law.

This power of attorney is coupled with an interest, is irrevocable, and shall survive and shall not be affected by the subsequent death, disability, incompetency, termination, bankruptcy, insolvency or dissolution of the Investor; provided, however, that this power of attorney will terminate upon the substitution of another SPV member for all of the Investor's investment in the LLC or the SPV or upon the liquidation or termination of the LLC or the SPV. The Investor hereby waives any and all defenses that may be available to contest, negate or disaffirm the actions of the LLC, the SPV, and any Administrator taken in good faith under this power of attorney.

9.5. **Confidentiality.**

9.5.1. The Investor agrees that the Company Information and all financial statements (if any), tax reports (if any), portfolio valuations (if any), private placement memoranda (if any), reviews or analyses of potential or actual investments (if any), reports or other materials prepared or produced by the SPV and/or any Administrator and all other documents and information concerning the affairs of the SPV and/or the Fund's investments, including, without limitation, information about the Company, and/or the persons directly or indirectly investing in the SPV (collectively, the "**Confidential Information**") that the Investor may receive pursuant to or in accordance with the use of the Wefunder website, an investment in one or more SPVs, or otherwise as a result of its ownership of an Interest in the SPV, constitute proprietary and confidential information about the SPV, any Administrator, and/or any Lead Investor (the "**Affected Parties**").

9.5.2. The Investor acknowledges that the Affected Parties derive independent economic value from the Confidential Information not being generally known and that the Confidential Information is the subject of reasonable efforts to maintain its secrecy. The Investor further acknowledges that the Confidential Information is a trade secret, the disclosure of which is likely to cause substantial and irreparable competitive harm to the Affected Companies or their respective businesses. The Investor shall not reproduce any of the Confidential Information or portion thereof or make the contents thereof available to any third party other than a disclosure on a need-to-know basis to the Investor's legal, accounting or investment advisers, auditors and representatives (collectively, "**Advisers**"), except to the extent compelled to do so in accordance with applicable law (in which case the Investor shall promptly notify the SPV of the Investor's obligation to disclose any Confidential Information) or with respect to Confidential Information that otherwise becomes publicly available other than through breach of this provision by the Investor.

9.5.3. To the fullest extent permitted by law, the Investor agrees not to request disclosure or inspection of any such information after the Investor is notified (whether in response to the Investor's request for information or otherwise) that the SPV has determined not to disclose such information.

9.5.4. The Investor agrees that the LLC, the SPV, and the SPV service providers would be subject to potentially irreparable injury as a result of any breach by the Investor of the covenants and agreements set forth in this Item 9.5, and that monetary damages would not be sufficient to compensate or make whole the LLC, the SPV, and the SPV services providers for any such breach. Accordingly the Investor agrees that the LLC, the SPV, and the SPV service providers shall be entitled to equitable and injunctive relief, on an emergency, temporary, preliminary and/or permanent basis, to prevent any such breach or the continuation thereof.

9.6. **Amendments.** Neither this Subscription Agreement nor any term hereof may be supplemented, changed, waived, discharged or terminated except with the written consent of the Investor and the Company on behalf of the relevant SPV. For the sake of clarity, the restriction on the Company in the preceding sentence applies solely to the form of this Subscription Agreement applicable to SPVs that have had a closing, and does not prevent the Company from changing the form and content of this Subscription Agreement for use in offerings of SPVs that have not had a closing.

9.7. **Assignability and Transferability.** This Subscription Agreement is not transferable or assignable by the Investor without the prior written consent of the Company on behalf of the SPV, and any transfer or assignment in violation of this provision shall be null and void. The Interests in the SPV being acquired by Investor herein may only be transferred by Investor in compliance with Regulation Crowdfunding and the terms and conditions of this Agreement. If Investor seeks to transfer the Interests, Investor shall first give written notice to the Company and Wefunder Admin, LLC, including the number of Interests that Investor desires to transfer, the proposed price, the name and contact information of the proposed buyer, and any other information that the Company or Wefunder Admin, LLC may reasonably request. To the extent possible, such notice shall be provided through the Wefunder.com website. Any transfer of Interests shall be subject to execution by Investor and the proposed transferee of appropriate documentation, as may be required by the Company or Wefunder Admin, LLC, in their discretion. Investor further acknowledges that pursuant to the LLC Agreement, Wefunder Admin, LLC (as Series Manager of the SPV), may impose additional restrictions on or prohibit the Transfer of Interests for any reason or no reason, in its sole discretion.

- 9.8. **Repurchase.** In the event that the SPV or any Administrator determines that it is likely that within twelve (12) months the securities of the SPV or the Company will be held of record by a number of persons that would require the SPV or the Company to register a class of its equity securities under the Securities Exchange Act of 1934, as amended ("Exchange Act"), as required by Section 12(g) or 15(d) thereof, the SPV shall have the option to repurchase the Interests from each Investor to the extent necessary to avoid the requirement to register a class of its securities under the Exchange Act. Such repurchase of Interests shall be for the greater of (i) the purchase price of the Interests, or (ii) the fair market value of the Interests, as determined by an independent appraiser of securities chosen by the Administrator. Any such repurchase may only occur with the consent of Wefunder Admin, LLC, as Series Manager of the SPV.
- 9.9. **Governing Law; Consent to Jurisdiction.** Notwithstanding the place where this Subscription Agreement may be executed by any of the parties hereto, the parties expressly agree that all the terms and provisions hereof shall be construed under the laws of the State of Delaware. Any action or proceeding brought by the SPV or any SPV service provider against one or more investors in the SPV relating in any way to this Subscription Agreement or the LLC Agreement may, and any action or proceeding brought by any other party against the SPV or any SPV service provider relating in any way to this Subscription Agreement or the Company Information shall, be brought and enforced in the state courts of the State of Delaware located in Wilmington or (to the extent subject matter jurisdiction exists therefore) in the courts of the United States located in the District of Delaware; and the Investor and the SPV irrevocably submit to the jurisdiction of both such state and federal courts in respect of any such action or proceeding. The Investor and the SPV irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to laying the venue of any such action or proceeding in the courts of the State of Delaware located in Wilmington or in the courts of the United States located in the District of Delaware and any claim that any such action or proceeding brought in any such court has been brought in an inconvenient forum.
- 9.10. **Severability.** If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such applicable law. Any provision hereof that may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.
- 9.11. **Headings.** The headings in this Subscription Agreement are for convenience of reference only, and shall not limit or otherwise affect the meaning hereof.
- 9.12. **General.** This Subscription Agreement shall be binding upon the Investor and the legal representatives, successors and assigns of the Investor, shall survive the admission of the Investor as a member of a SPV, and shall, if the Investor consists of more than one person, be the joint and several obligation of all such persons.

1. Events

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; provided, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "**Cash-Out Amount**") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "**Conversion Amount**"). If any of the Company's securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

In connection with Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay (i) holders of shares of any series of Preferred Stock issued before the date of this instrument ("**Senior Preferred Holders**") and (ii) the Investor and holders of other Safes (collectively, the "**Cash-Out Investors**") in full, then all of the Company's available funds will be distributed (i) first to the Senior Preferred Holders and (ii) second with equal priority and pro rata among the Cash-Out Investors in proportion to their Purchase Amounts, and the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price. In connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce, pro rata, the Purchase Amounts payable to the Cash-Out Investors by the amount determined by the Board in good faith to be advisable for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, and in such case, the Cash-Out Investors will automatically receive the number of shares of Common Stock equal to the remaining unpaid Purchase Amount divided by the Liquidity Price.

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidity Priority** In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. **Definitions**

"Change of Control" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

- Includes all shares of Capital Stock issued and outstanding;
- Includes all Converting Securities;
- Includes all (i) issued and outstanding Options and (ii) Promised Options; and
- Includes the Unissued Option Pool, except that any increase to the Unissued Option Pool in connection with the Equity Financing shall only be included to the extent that the number of Promised Options exceeds the Unissued Option Pool prior to such increase.

"Conversion Price" means either: (1) the Safe Price or (2) the Discount Price, whichever calculation results in a greater number of shares of Safe Preferred Stock.

"Converting Securities" includes this Safe and other convertible securities issued by the Company, including but not limited to: (i) other Safes; (ii) convertible promissory notes and other convertible debt instruments; and (iii) convertible securities that have the right to convert into shares of Capital Stock.

"Direct Listing" means the Company's initial listing of its Common Stock (other than shares of Common Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Company with the SEC that registers shares of existing capital stock of the Company for resale, as approved by the Company's board of directors. For the avoidance of doubt, a Direct Listing shall not be deemed to be an underwritten offering and shall not involve any underwriting services.

"Discount Price" means the price per shares of the Standard Preferred Stock sold in the Equity Financing multiplied by the Discount Rate.

"Dissolution Event" means (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up of the Company (**excluding** a Liquidity Event), whether voluntary or involuntary.

"Dividend Amount" means, with respect to any date on which the Company pays a dividend on its outstanding Common Stock, the amount of such dividend that is paid per share of Common Stock multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

"Equity Financing" means a bona fide transaction or series of transactions with the principal purpose of raising capital, pursuant to which the Company issues and sells Preferred Stock at a fixed valuation, including but not limited to, a pre-money or post-money valuation.

"Initial Public Offering" means the closing of the Company's first firm commitment underwritten initial public offering of Common Stock pursuant to a registration statement filed under the Securities Act.

"Liquidity Capitalization" is calculated as of immediately prior to the Liquidity Event, and (without double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes all shares of Capital Stock issued and outstanding;
- Includes all (i) issued and outstanding Options and (ii) to the extent receiving Proceeds, Promised Options;
- Includes all Converting Securities, **other than** any Safes and other convertible securities (including without limitation shares of Preferred Stock) where the holders of such securities are receiving Cash-Out Amounts or similar liquidation preference payments in lieu of Conversion Amounts or similar "as-converted" payments; and
- Excludes the Unissued Option Pool.

"Liquidity Event" means a Change of Control or an Initial Public Offering.

"Liquidity Price" means the price per share equal to the Valuation Cap divided by the Liquidity Capitalization.

"Options" includes options, restricted stock awards or purchases, RSUs, SARs, warrants or similar securities, vested or unvested.

"Proceeds" means cash and other assets (including without limitation stock consideration) that are proceeds from the Liquidity Event or the Dissolution Event, as applicable, and legally available for distribution.

"Promised Options" means promised but ungranted Options that are the greater of those (i) promised

pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Equity Financing or Liquidity Event, as applicable (or the initial closing of the Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of an Equity Financing, treated as outstanding Options in the calculation of the Standard Preferred Share's price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

"Safe" means an instrument containing a future right to shares of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company's business operations. References to "this Safe" mean this specific instrument.

"Safe Preferred Stock" means the shares of the series of Preferred Stock issued to the Investor in an Equity Financing, having the identical rights, privileges, preferences and restrictions as the shares of Standard Preferred Stock, other than with respect to: (i) the per share liquidation preference and the initial conversion price for purposes of price-based anti-dilution protection, which will equal the Conversion Price; and (ii) the basis for any dividend rights, which will be based on the Conversion Price.

"Safe Price" means the price per share equal to the Post-Money Valuation Cap divided by the Company Capitalization.

"Standard Preferred Stock" means the shares of the series of Preferred Stock issued to the investors investing new money in the Company in connection with the initial closing of the Equity Financing.

"Unissued Option Pool" means all shares of Capital Stock that are reserved, available for future grant and not subject to any outstanding Options or Promised Options (but in the case of a Liquidity Event, only to the extent Proceeds are payable on such Promised Options) under any equity incentive or similar Company plan.

3. **Company Representations**

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of corporation (the **"Company"**), hereby issues to the Investor the right to certain incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to section 3(d)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To its knowledge, the Company is not in violation of (i) its current certificate of incorporation of bylaws, (ii) any material statute, rule or regulation applicable to the Company or (iii) any material debt or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) The performance and consummation of the transactions contemplated by this Safe do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material debt or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien on any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company's corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

(e) To its knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of the rights of, others.

4. **Investor Representations**

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

5. **Miscellaneous**

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same "Post-Money Valuation Cap" and "Discount Rate" as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. "Majority-in-interest" refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes.

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on their Wefunder account, or 48 hours after being deposited

in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on their Wefunder account, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; provided, however, that this Safe and/or its rights may be assigned without the Company's consent by the Investor (i) to the Investor's estate, heirs, executors, administrators, guardians and/or successors in the event of Investor's death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and provided, further, that the Company may assign this Safe in whole, without the consent of the Investor, in connection with a reincorporation to change the Company's domicile.

Statement of Financial Position (unaudited) and
Independent Accountant’s Review Report

As of inception – March 17th, 2023

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To Management
LIFE AI Science, Inc.

We have reviewed the accompanying statement of financial position as of March 17, 2023 and the related notes. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying statement of financial position in order for it to be in accordance with accounting principles generally accepted in the United States of America.

Going Concern

As discussed in Note 7, certain conditions indicate that the Company may be unable to continue as a going concern. The accompanying financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern. Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs.

LIFE AI Science, Inc
Notes to the Unaudited Statement of Financial Position
March 17, 2023 (inception)
SUSD

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES

LIFE AI Science, Inc (“the Company”) was formed in Wyoming on March 17, 2023. The Company plans to earn revenue using a SAAS platform leveraging AI technology to improve the health and wellbeing of international patients aged 55 and older through online mentoring and data science. The Company’s headquarters is in New York, New York and its customers will be located in the United States in phase one, and globally in phase 2. The Company will conduct a crowdfunding campaign under regulation CF in 2023 to raise operating capital.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Our financial statements are prepared in accordance with U.S. generally accepted accounting principles (“GAAP”). Our fiscal year ends on December 31. The Company has no interest in variable interest entities and no predecessor entities.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Fair Value of Financial Instruments

ASC 820 “*Fair Value Measurements and Disclosures*” establishes a three-tier fair value hierarchy, which prioritizes the inputs in measuring fair value. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

These tiers include:

Level 1: defined as observable inputs such as quoted prices in active markets;

Level 2: defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and

Level 3: defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Concentrations of Credit Risks

The Company’s financial instruments that are exposed to concentrations of credit risk primarily consist of its cash and cash equivalents. The Company places its cash and cash equivalents with financial institutions of high credit worthiness. The Company’s management plans to assess the financial strength and credit worthiness of any parties to which it extends funds, and as such, it believes that any associated credit risk exposures are limited.

Revenue Recognition

The Company recognizes revenue from the sale of products and services in accordance with ASC 606, "Revenue Recognition" following the five steps procedure:

- Step 1: Identify the contract(s) with customers
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to performance obligations
- Step 5: Recognize Revenue When or As Performance Obligations Are Satisfied

The Company will identify and analyze its performance obligations with respect to customer contracts once the first contract is signed.

Equity based compensation - ASC 718-10-50

The Company does not currently have an equity-based compensation plan.

Income Taxes

The Company is subject to Corporate income and state income taxes in the state it does business.

Recent accounting pronouncements

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact on our financial statements.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company follows ASC 850, "Related Party Disclosures," for the identification of related parties and disclosure of related party transactions. No transactions require disclosure.

NOTE 4 – CONTINGENCIES, COMPLIANCE WITH LAWS AND REGULATIONS

We are currently not involved with or know of any pending or threatening litigation against the Company or any of its officers. Further, the Company is currently complying with all relevant laws and regulations.

NOTE 5 – EQUITY

The Company has authorized 10,000,000 of common shares with a par value of \$0.001 per share. None of the 10,000,000 shares were issued and outstanding as of March 17, 2023.

Common stockholders are entitled to one vote and can receive dividends at the discretion of the boards of directors.

NOTE 6 – SUBSEQUENT EVENTS

The Company has evaluated events subsequent to March 17, 2023 to assess the need for potential recognition or disclosure in this report. Such events were evaluated through August 12, 2023, the date these financial statements were available to be issued.

On July 2 2023 the company executed a share issuance and a global exclusive license agreement with Mindwaves AI Ltd. a UK-based company to use the proprietary AI system developed by Mindwaves AI Ltd. in the field of healthcare

and wellbeing on a global basis. The license agreement further includes the exclusive rights to the LIV-Life brand, database, and website including all media assets on the website www.liv-life.co, 360.liv-life.co, academy.liv-life.co. In exchange for the license agreement, the Company issued to Mindwaves AI Ltd 10,000,000 shares of common stock.

NOTE 7 – GOING CONCERN

The accompanying balance sheet has been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The entity has not commenced principal operations and will likely realize losses prior to generating positive working capital for an unknown period of time. The Company's ability to continue as a going concern in the next twelve months following the date the financial statements were available to be issued is dependent upon its ability to produce revenues and/or obtain financing sufficient to meet current and future obligations and deploy such to produce profitable operating results. Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. No assurance can be given that the Company will be successful in these efforts. These factors, among others, raise substantial doubt about the ability of the Company to continue as a going concern for a reasonable period of time.
