Hope this finds you well David!

We're finally going public with our final leg of the raise for [CONCESSIONS](#)! We're crossing the finish line with a platform called Wefunder, which is like Kickstarter but instead of donations, you're a real investor, and can get equity in the opportunity for as little as \$100. We're spreading the word as much as we can — every bit of traction helps the algorithms get us noticed. We've already received 50k over the weekend!

Your continued interest and support has meant so much to me. I'm excited to invite you to an early screening and can't wait to share more from production. Come hang out on set if you want!

A quick word on strikes: We're entirely independent, and absolutely qualify for the Interim Agreement. The silver lining is that we go to market next year against a lot less competition.

Would love to call soon and catch up. Try me anytime :)

With Gratitude,
Malcolm
