Amendment No. 3 to the Registration Statement on Form F-4

Risk Factors

Catcha may be unable to meet the Minimum Cash Condition or to obtain additional financing to complete our initial business combination..., page 68

1. Refer to your response dated December 6, 2023 to comment 7 in our letter dated October 27, 2023 in which you advised that you were in discussions regarding financing to achieve Catcha's minimum cash condition necessary to complete the business combination and that you expected to provide an update in a pre-effective amendment to the Registration Statement when the definitive terms of a financing were finalized. We remind you that you will need to update your disclosures throughout the filing regarding how Catcha will satisfy this minimum cash condition prior to requesting effectiveness of the Registration Statement.
