Summary

FINTOP Capital (<https://www.fintopcapital.com/>) is a venture capital firm managed by a team of seasoned operators. We know what it takes to start, grow, and exit a successful company, and are harnessing that knowledge to develop the next generation of great entrepreneurs.

As Managing Partner of FINTOP, I look for B2B service-enabled SaaS and software companies with a product in the market and a minimum of \$1.5M in annual recurring revenues. The Fund focuses on companies in the following verticals:

- Payments
- Private capital markets
- Asset/wealth management
- Banking infrastructure
- Security and fraud
- Enterprise software

Shareholder InSite is the premier provider of shareholder management solutions to portfolio companies and their investors. Delivered as a SaaS solution, the robust administrative and analytic tools support the entire capital lifecycle for organizations and venture portfolios by:

- Establishing a single, audited account of company ownership for all stakeholders
- Simplifying option plan administration, management and reporting
- Presenting personal outcomes to each owner for any valuation and ownership structure
- Accurately reporting on the dilutive impact of a proposed liquidity event on each owners interest regardless of security type across a pool
- Providing an accurate and current account of ownership interest for due diligence and audits
