Dear Stephen Sills:

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe a comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Amendment No. 2 to Registration Statement on Form S-1

Management's Discussion and Analysis of Financial Condition and Results of Operations
Premiums, page 62

1. We note your response to prior comment 2 and revised disclosure on page 64. You appear to have removed reference to other drivers previously noted, such as premium retention rates for existing business, the addition of new products, etc., while the revised discussion only addresses approximately half of the increase in gross written premiums experienced between the periods presented. Please revise your disclosures to also disclose and quantify any additional material drivers of period-over-period gross written premium increase. As it relates to the growth, quantify and disclose the growth attributed to each of your distribution channels. In this regard, we refer to your chart on page 86 disclosing that 33% and 67% of your gross written premiums are through Retail and Wholesale distribution channels, respectively, for the year ended December 31, 2023. Include similar updates to your discussion on page 61 for the three months ended March 31, 2024.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.
